"This situation, Mr. Hays said, the republican party recognizes. He continued:

"Recognizing that the platform establishes a contractual relation between the party and the people, it shall be the supreme duty and purpose of the party when entrusted with power to square its performance with its promises."

Mr. Hays said a number of the committee members would devote their entire time to its work until the republican national convention. These members, he disclosed, world consti-tute an executive committee on plat-form, of which Ogden L. Mills Jr. of New York will be chairman, and John Callan O'Loughlin of Illinois secre-

Living Thought Expressed. Mr. Hays' statement said: "Party programmes must always be

women alike.

"The republican party's half century of achievement is the best gtaranty to the country of future fulfillment, but it is only on future fulfillment that its usefulness will depend. The party must continue to be the instrument to apply to new and changing conditions the wisdom of experience and the efficacy of honest

To men and women alike is offered the right of political self-de-termination. The duty of the party membership is to say what the party's bers of the Washington state delegamembership is to say what the party's purpose shall be, what its policies shall become. The fundamentally essential right within a polltical party is the opportunity of the membership to express itself. There is no hard and fast set of rules, no unalterable list of dogmas to be presented by any arbitrary power within the party, saying there it is—take it or leave."

"Instead, with the open forum of the party organization and a complete participation, it is the problem of participation, it is the problem of the party membership to determine what the party stands for. Through motif and in the republican party that supreme motif is the honest, unselfish, patriotic and intelligent effort to promote and safeguard the best to promote the safeguard the saf terests of the republic and its citi-

Committee Seeks Advice. "Pursuant to the resolution of the publican national committee at its December meeting, there is being in dicited a special committee on poli-cies and platform. This committee consists of the 12 members of the national committee heretofore appoint

of their efforts as suggestions to the abstinence from wine drinking to platform committee at the republican national convention next June for the limits.

national convention next June for the consideration of that body.

The potentiality for usefulness to the country and the party of such a committee is very great. The problems which are ahead are immeasurable in magnitude and complexity. The majority of the citizenry of the country helieva that the republican party may statement of purpose and party pro-

TURN HAIR DARK

If Mixed With Sulphur It Darkens So Naturally Nobody Can Tell.

and sulphur for darkening gray, streaked and faded hair is grand-mother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as

even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the musy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound." It is the county during the war. Since the product in the line of the position and the product in the line of the position and the product in the line of the position and the product in the line of the position and the land donated to the government by the county during the war. Since the product in the line of the product in the line of the product in the line of the product in the land donated to the government by the county during the war. Since the private scentary he secured the appointment as postmaster, as senator chamberlain declined to incompound." It is the product in the pro with Wyeth's Sage and Sulphur Com-pound is that, besides beautifully darkening the hair after a few applieations, it also produces that soft luster and appearance of abundance which is so attractive. BY LABOR PRESIDENT

Samuel Gompers Condemns Russian Policies.

Facts Before Passing Judgment" Declared Excuse.

Federation of Labor, Samuel Gompers

Federation of Labor, Samuel Gompers condemns bolsnevism "completely, finally and for all time."

The American labor leader declared he doubted whether the propaganda which emanates from the bolshevist organization itself is more effective than that "conducted by those who claim to be entierly detached from Russian influence and Russian payrollis." He said he doubted whether the propaganda that old employes became suspicious of one another, and were also prevailing conditions. There were complaints of exercise men that they did not receive a square deal from Mr. Myers when they returned from the war, and this matter was the subject of a controversy between the postmaster and claim to be entierly detached from Russian influence and Russian payrollis." He said he doubted whether the propaganda which emanates from the bolshevist organization itself is more effective than that "conducted by those who claim to be entierly detached from Russian influence and Russian payrollis." He said he doubted whether the propaganda as quare deal from Mr. Myers when the circuit court to any man, rich or poor, for the offense." He can still be charged with that. Sorenson was given the most severe penalty ever given in the circuit court to any man, rich or poor, for the offense." He can still be charged with that. Sorenson was given the suspictous of oneither with that offense? He can still be publications issued by Russian bolshevist agents have as great an effect in America as those "which like to be known as 'journals of opinion as the Nation, the Dial and the New

Republic."

Mr. Gompers made an extended refart Gompers made an extended re-erence to the argument that the American people know little about what is going on in Russia and the argument that it is unfair and unise to pass judgment

Excuse Is Seen.

"We do not have to wait for infor-mation about the form of government existing in what is called soviet Rusexisting in what is called soviet Russia," he said, "all the information necessary to the passing of judgment on bolshevism and the system of government and as a state of society is at hand from sources that are authentic. The plea of those misguided persons in America who say 'wait for facts before passing judgment' is nothing more than an excuse which it is hoped will gain time for the Russian. manifestly outweighed skepticism

hoped will gain time for the Russian experiment and enable it to spread to other countries."

Quoting from the new bolshevist constitution, Mr. Gompers pointed out that while the fifth pan-Russian congress declares for a dictatorship of the projectories and the constitution. he had been elected by the republican committee on committees he stopped an ugly row which was developing like a cloud over the entire house and incidentally he prevented a breach on the Washington state delegation. There was to have been a battle of oratory when Harreid's election as Victor Berger's successor was brought to the floor of the house.

Among other opponents four members of the Basis of the proletariat and the peasantry, a great portion of the peasantry is distranchised and the largest bolshevist etring effect from influences readily estimate of the proletariat calculates the total properties of the proletariat calculates the proletariat and the peasantry, a great portion of the peasantry is distranchised and the peasantry, a great portion of the peasantry is distranched.

"There was to have been a battle of oratory workingman, by

He quoted a dispatch from Russian trade unionists to W. A. Appleton. president of the International Federation of Trade Unions, which declared that helshavists have split up the rethat bolshevists have split up the re-serve funds of trade unions, throttled the labor press, killed labor organizations, split up trades unions as a class and put down strikes by "force of arms and plentiful executions."

Service, in a servic

Compulsory Labor Fought.

'In all concepts of freedom within the American nation," says Mr. Gompers, "one fundamental principle is that any involuntary servitude—that is, compulsory labor—shall not be enforced upon the working people." He quoted the federal constitution and adds:

"That concept has been entirely re-

"That concept has been entirely remittees, as preused by the constitution of bolshivist Russia, which provides for and enforces compulsory labor. . The plea to withhold judgment is a last desperate attempt to win favor from the American people for a system of government which, by the confession of its own advocates and defenders, is foreign to every concept of the American republic. We know about Plussia. We know about bolshevism. We know the pitcous story of cruelty and intolerance, and we know the autocratic concept that unseller that the construction of the auditorium. tional committee heretofore appointed, and about 100 men and women representing all groups in interest in the country. The purpose of this co-operation of the ablest men and women from all groups, sections, industry, business, professions and interest in the nation; to gather pertinent facts and data; to study interest in the nation; to gather pertinent facts and data; to study interest in the prohibition measure, but some of the prohibition measure, but some of the result for their efforts as suggestions to the groups and to offer the result of their efforts as suggestions to the strange of the was morally liable for every concept of the and every concept of the american republic.
