

MR. MYERS TO TAKE APPEAL TO SENATE

Chamberlain Attacked for Opposing Hearing.

TERM HELD FOUR YEARS

Ex-Postmaster Declares That He Cannot Be Removed Without Consent of Senate.

Direct appeal to the United States senate will be made by Frank S. Myers to retain the place of postmaster from which he was removed by the president's order Monday.

This information is contained in the following statement issued by Mr. Myers last night:

"Myers will not get any hearing before the United States senate," is what Senator Chamberlain is quoted in a dispatch from Washington as saying in commenting on my request through friends for a hearing before the senate committee on postoffice and postroads.

I am amazed that the senior senator from Oregon should be so lacking in sense of fair play as to deny any man a hearing and impartial trial, contrary to the fundamental principles of Anglo-Saxon justice.

Particularly is this so in view of the published statement of Augustus C. Chamberlain that he had had no part in attempting to remove me or any other official from the position of a successor.

Since the demand for my resignation I have repeatedly requested that I be given an opportunity to answer any charges that might have been made, but that has failed to succeed.

I have now appealed to the United States senate for justice, and the position that I should be "tried" without a trial and removed without a hearing, still makes the hypothetical claim that he is not responsible for my removal.

I was appointed by the president with the consent of the senate for a term of four years. My contract, able lawyers, have advised me that I can be removed only in the same manner that I was appointed.

The senate must consent to the removal in such a case. Before concurring in such order, certainly the senate should be willing to grant me an opportunity to answer any charges that have been made.

Since the senate is to be the jury which is to determine whether I shall be summarily removed from office before my useful term expires, I am sure that it is improper that Senator Chamberlain, a member of that body and one of my judges, should approach the senate with the status which Senator Chamberlain's interview clearly shows.

At the postoffice everything is serene and Mr. Myers is not intruding on Inspector Robert H. Barclay, who is in charge. The deposed postmaster is keeping in close touch with his lawyers.

Following was the programme: Soprano solo, Miss Anna Zell; (a) "To You" (E. J. McLaughlin); (b) "The Hope of the World" (Miss Lettie E. Stearns).

For the social hour Mrs. Simon Wolf was hostess, assisted by Mrs. Herman Politz, Mrs. J. J. McLaughlin, Mrs. S. Kapetstein, Mrs. Felix Block, Mrs. Harry Meyer, Mrs. George Black, Mrs. Joseph Goodman and Mrs. Solomon Baum.

MRS. MARY JACKSON SEEKS OFFICE OF CONSTABLE. "If a Man Can Hold Job, I Don't See Why I Can't," Asserts Fairly Petitioner.

CLAIM ACTION DEFERRED

Auditorium Resolution of Mayor Gets Vote of Mann.

Move of Mr. Baker to Appoint Arbitration Commission Held Up by City Council.

Action on Mayor Baker's resolution authorizing the appointment of a committee to arbitrate the claims filed against the city in connection with the construction of the municipal auditorium was deferred yesterday by the city council until the return of Mayor Baker to his office.

Adoption of the resolution is virtually assured through the announcement by Commissioner Mann that he will vote for the resolution. Both Mayor Baker and Commissioner Pier favor arbitration, and Commissioner

Barbur is also inclined to the same view. Opposed to the appointment of the committee is Commissioner Bigelow. The claims aggregate \$18,000.

Commissioner Mann made it plain yesterday that, although he will vote for the resolution, he will insist upon reference of the matter to the voters for ratification and authorization of payment. Reference of the claim to the voters is necessary, he insists, because of the opinion of City Attorney LaRoche that the city council lacks legal authority to make a settlement in this connection.

Legality of Statute Doubted.

A test of the legality of the state statute requiring all papers printed in a foreign language to print parallel column translations in English is to be made by St. Benedict's Abbey, a corporation of the Benedictine Fathers, Mount Angel, Or. An order is asked to declare the law unconstitutional. The statute is due to go into effect April 20. The Abbey alleges that four of its publications will be jeopardized if the law becomes effective.

GROVER WELCH IS FREED

Police Suspicion of Polygamy Not Upheld by Court.

Habeas Corpus Proceedings Dismissed in Case of Man Held Incommunicado in Jail.

Police suspicion that Grover Welch left a wife and two children in Des Moines, Ia., when he came west, and that his marriage to Mrs. Dorothy Welch at Vancouver, Wash., March 15, 1919, is illegal does not justify holding Welch in the city jail incommunicado, nor in holding him to the grand jury, declared Presiding Circuit Judge McCourt when habeas corpus proceedings were brought to his attention late yesterday afternoon. No return was made on the writ issued, as Welch was released

by the authorities as soon as the habeas corpus action was begun.

Welch and his supposed wife were arrested Tuesday night in their room at the Venable hotel and placed in the city jail. Mrs. Welch was released yesterday morning, but Welch was held "for investigation" and his attorney was refused permission to communicate with him. The habeas corpus action hastened release.

Welch in court admitted having lived in Des Moines, but that he was never married there. John P. Hanson, attorney for Welch, agreed to pledge Welch's appearance before the grand jury if the alleged polygamy investigation goes that far.

No Camouflage In This Story

Says corns stop hurting, then lift right off without one bit of pain

Hospital records show that every time you cut a corn you invite lockjaw or blood poisoning, which is needless, says a Cincinnati authority, who tells you that a quarter ounce of a drug called freez-one costs but a few cents at any drug store but is sufficient to rid one's feet of every hard or soft corn or callus without even one little twinge of pain.

You simply apply a few drops of this freez-one on a tender, aching corn and the soreness is instantly relieved. Shortly the entire corn can be lifted out, root and all, with your fingers.

This drug is sticky but dries at once and is claimed to just shrivel up any corn without inflaming or even irritating the surrounding tissue or skin.

If your wife wears high heels she will be glad to know of this.
