

# AGGIES TURN DOWN WASHINGTON GAME

### Corvallis Football Board Stands Pat on Split.

## SOUND SCHOOL IN COLD

### Refusal of Seattle Authorities to Abide by Conference Rule Causes Vacant Date.

SEATTLE, Wash., Feb. 5.—(Special.)—The University of Washington football schedule received its second jolt today when Graduate Manager Darwin Melness was notified by James Richardson, manager of Oregon Agricultural college that the Beavers would not play the university city except under a 50-50 financial proposition which, according to Melness, Washington cannot accept.

Washington authorities considered the O. A. C. game settled. Manager Richardson and the university representatives came to a verbal agreement. It is said at the meeting of the conference in December. The date was set for October 23 and the financial settlement was a guarantee of \$2000. Under this proposition, Washington was to play a return game in 1921 at Portland with the same guarantee.

**Proposition Turned Down.**  
Upon returning to Corvallis, Or., after the conference meeting, the representatives found that the proposition did not please the O. A. C. student body. At that time Washington compromised, offering an option of either a guarantee of \$2000 or a 50-50 split of gate receipts. The game was to be played in Seattle and the other at Portland. This did not satisfy Richardson, who said he would come to Seattle to straighten out the difficulty. The university athletic committee awaited at the specified time, but he failed to arrive.

The next day a telegram was received asking for the two games under a proposition involving either a guarantee of \$1200 or a 50-50 split of gate receipts. Washington's return game to be played at Corvallis.

**Washington Afraid of Loss.**  
In accepting such an offer, the University of Washington stood a chance of losing money on the trip. Under the 50-50 split system, O. A. C. would receive approximately \$3000 for their game in Seattle this year, whereas Washington would get approximately \$1200 for the return match.

## WHITMAN TOSSERS WIN

### Walloping Enemy in Final Period, 29 to 21.

WALLA WALLA, Wash., Feb. 5.—(Special.)—Whitman nosed out Willamette university tonight in the hardest fought basketball game seen here this year, by the score of 29 to 21. After last night's overwhelming defeat the Bearcats came back strong and started with a rush that had the Whitman followers dismayed.

The first half ended with Borleske's Missionaries on the short end of a 12-to-11 score.

Whitman staged a great comeback in the second period, passing and shooting at a rush that had Willamette to four points while they were running up 18. Wapato was the center of the visitor's team work and started with a rush that had the Whitman followers dismayed.

From Portland the Mount Angel team will leave for an invasion of the Puget sound district and having games scheduled with the Knights of Columbus at Seattle, the St. Leo hoops at Tacoma, and games with teams in Lacey and Aberdeen, Wash.

## SMITH'S VICTORY IS CRIMP FOR MARTIN

### Sergeant's Quick Defeat of Bob Changes Outlook.

When Sergeant Ray Smith, a practically unknown heavyweight, scored a victory over Bob Martin the other night it put a decided damper on the fight ambitions of the erstwhile A. E. F. titleholder. Perhaps for a while now the fans will not hear so much of a Martin-Dempsey match or a Martin-Dempsey fracas. They can say what they may about a man's personal status, but when he steps in the ring he has to deliver before he is recognized as a champion or near-champion.

When Bob Martin's many friends began their campaign to put him within the championship possibility class they dwelt a good deal on the fact that he had not lost a fight since he was wounded in the old 1st division, composed mostly of New Yorkers. Club managers have been refusing to give him matches owing to the fact that he was wounded so many times, believing he couldn't fight a lick. He did engage in a few bouts and was successful, but the crowning achievement was his victory over the much-touted A. E. F. champion in Cleveland the other night. Now there isn't a fight club in the country that does not want to put him on and where he went begging before he is now being offered \$2000 and \$3000 guarantees.

The story of his fight with Martin divulged the fact that he can fight. He proved a wonderfully clever boxer with a punch and he toppled Mr. Martin in the first round, with a left hook to the chin.

"Scotty" Monteith, the man who discovered and piloted Johnny Dundee for many years, is looking after Smith and predicts a rosy future for his protege.

Tommy Gibbons of St. Paul, leading claimant of the world's light-heavyweight championship, will arrive in Portland tomorrow from Chicago. His suave manager, Eddie Kane, telegraphs ahead that Tommy is in wonderful shape for his 10-round set with Boy McCormick, light-heavyweight champion of England, at the Milwaukee arena next Wednesday night.

The match between Gibbons and McCormick is attracting more attention than has ever before been directed on a fight in Oregon. Matchmaker Frank Kendall and George Moore, manager of the arena, are looking for a sell-out, basing their idea on the advance demand for tickets. It was reported yesterday that all of the \$5 seats have already been disposed of.

The switch in the semi-windup which will bring Stanley Willis against Harry Casey in place of Pete Michie, has tended to strengthen the card if anything. The last battle between Willis and Casey is still lingering in the memory of the fans and a repetition of their last engagement would indeed be a fistic treat. Willis and Casey slugged toe-to-toe in their first meeting.

Nobody knows a great deal of the fistic powers of one Jack Barry, who is down to tangle six rounds with the sturdy little Neil Zimmerman, but if the wise ones take a tip from those who have seen Barry work out they will not stake too much that Zimmerman will score an easy victory. None other than "Denver" Ed Martin has taken Barry in hand to get him in shape for his encounters in the squared circle. Barry is said to be a mighty likely looking featherweight and a big surprise. He has fought from Oregon City, but is not a novice in the boxing game.

Lackey Morrow, the Tacoma featherweight, who registered a big hit in his six-round fight against Neil Zimmerman, is out to give Weldon Wing a genuine lacing next Wednesday night in their six-round tilt. It is the special event. Wing is one of the best boxers in his class on the Pacific coast and if Morrow can defeat Weldon Wing it will be a big feather in his cap. On the strength of his showing against Zimmerman Morrow figures to give Wing a real battle and many are picking him as the man to treat Wing to a defeat.

Johnny Noye, the St. Paul lightweight, is contemplating a trip out this way in the near future. Noye has a good record to his credit and would be welcomed here.

# TO PROSPECTIVE DODGE BROTHERS MOTOR CAR BUYERS

There is an unprecedented demand for Dodge Brothers cars throughout the country. This demand, we believe, is in proportion to the number of cars allotted to us by the factory, heavier in our own local territory than in practically any other territory of equal extent and population.

Dodge Brothers have a certain number of dealers and attempt to produce a certain number of cars each year. This output is allotted according to the best judgment of the Dodge Brothers sales manager in conference with his district representatives so as to give each dealer his fair share of the output.

However, these allotments are not final. They are subject to fluctuation as a result of changes that may take place in the conditions governing the purchase of cars in the various sections. If some dealers have cars in stock and no advance sale and other dealers have no cars and a large advance sale, the factory assumes from the evidence at hand that dealers who have no cars and a large advance sale were under-allotted and proceeds to increase their shipments.

We already have a large advance sale covering the months of February, March, April, May and a part of June. If you need a Dodge Brothers Roadster, Touring car, Coupe, Sedan or Delivery Car any time during the next twelve months we sincerely request that you place your order now so that we may benefit in an increased factory allotment and that you may benefit by getting the car you desire at the time you need it.
