Scattle Field Chosen is "Dope."

An effort to interest the various members of the Pacific coast and northwest conference is now under way. According to the "dope" from Scattle favorable returns are being received and it is quite probable that the Blue and Gold athletic field will be the site this spring for the gathering of athletes from all parts of the west. The tentative date for of the west. The tentative date for this tournament has been set for April 24. At the present time only the members of the two coast con ferences have been approached re-garding the meet, but should plans be accepted it is the intention to invite ing Willie Burke of Brooklyn through-The carnival would call for five events—400-yard relay with a race of 100 yards to the man, half-mile relay with stretches of 220 yards and the one mile, two mile and four-mile relays. This programme is merely tentative, however, and it is probable that field events and even a few others, might be included in the meet Examples of such meets are found both at Drake university and at the University of Pennsylvania. One year ago there was a mad scramble in the Pacific Coast league for the services of Tubby Spencer, Salt Lake catcher. Tub hit a mere .536 last season and yet he seems to be a drug on the market. A day or two ago an announcement came over the wires that Salt Lake had purchased Catcher Joe Jenkins from the Chicago White Sox.
