NOTICE AUTO STUDENTS.

THE ADCOX SCHOOL ORIGINATED THE FREE TRIAL OFFER. A thorough investigation will satisfy you that schools trying to IMITATE OUR METHODS have nothing but a WEAK SUBSTITUTE TO OFFER.

HERE'S HOW WE PROVE IT.

Come here four weeks—psy not a cent in advance, if you are then satisfied that our training is the superior of any other Pacific northwest auto school, pay your tuition. If you are not satisfied that our school excels, we will pay you for every hour you have attended class. This is the most starting offer any auto school ever made—there is no red tape to it—we gladly will put it in writing. We are willing to depend entirsiy upon your honesty and good judgment Only a different, unquestionable superior school could make such an offer. If our training were just the ordinary kind, this offer would be suicidal. But we know where we stand—know that the quality of our training will win you if given a trial. We will make you an offer that you cannot afford to turn down. The details of this unusual offer and full particulars of the remarkable Adcox course are found in a large, impressive book, which has just lately come from the press. Those who have seen it pronounce it the most finished work of its kind ever published. Tells why auto you and and what is sham. It will make you start to read it. It costs us 65c but we will send it to you absolutely free for the asking. Call in person at the school, or send us your name and address and your copy will come through by return mall.

Are you willing to give these men pretarence where all things are equal?

Are you anxious to do your part in beiping to absorb these 497 men who are out of work—many of whom have families and whe MIST have work?

Or are you willing that they should continue idle and their families suffer in consequence?

The record of every one of these mass is underwritten by the American Logion—every one of these fellows enlisted to go across to help make the ex-kaiser come across.

Are they entifled to an opportunity to work and to earn a living for their families?

"Certainly," you answer: but if you and very many other employers who read this continue to all tight with the sub-conscious thought of 'no more room my payroll." how far will Portland and Oregon get in the effort to 'make good' in SEEING TO IT that these men actually are furnished employment. The state has appropriated funds for Captain Conville to conduct his cranization at Liberty Temple, but their work is useless if Portland and Oregon employers are gradually waking up to this realization and putting on the percentage apportioned to them regardless of whether or not they need more help.

The sooner EVERY employer joins in this policy the assert the acute situa-

The seconer EVERY employer joins in this policy the accuse the accuse situation will be relieved and the industrial problem selved.

Note the classifications in the appended list—a man for every kind of work—many who are willing to start in at any reasonable wage where there is optiontunity for advancement—and some, of course, who love the variety of change and who prefer to work by the day, but all of them worthy men who did their duty when Uncle Sam called.
