

RECKLESS DRIVERS IS TO DO DAY IN JAIL

Bad Police Court Record Is Cause of Sentence.

28 MOTORISTS IN TOIL

Several Violators of Traffic Law Fine Themselves by Donating to Armenian Relief.

The traffic office record of Louis Bittman, 712 Mississippi avenue, showing that during his experience as driver of a machine in the last months he had three collisions, four arrests and had failed in all previous cases to appear in court to answer to charges against him, resulted in his being sentenced to pay a fine of \$100 and serve 24 hours in jail yesterday by Municipal Judge Rossmann.

Bittman drew the heaviest penalty of the day in the municipal court, although 27 other motorists were penalized and an aggregate of \$225.00 were paid in fines for various violations of the traffic laws.

Bittman was arrested after he was said to have run down an aged man at Fourth and Morrison streets last Tuesday. The specific charge against him was failing to stop at the scene of the accident to the traffic bureau. Charges against Bittman were made by P. R. Johnson, who declared that the man, after knocking the pedestrian down, continued on his way down the street without stopping to give succor.

"You are the kind of a man that has accidents, you don't care," declared the judge in passing sentence. When A. Wallace, truck driver, appeared to answer to a charge of speeding 25 miles an hour he declared that his machine could not possibly make more than 15 miles an hour. To settle the controversy traffic officers took the car out and made it go 20 miles an hour without difficulty. He was asked to pay a fine of \$25.

R. Tomlinson, merchant, 67 First street, arrested for driving 35 miles an hour on the Linnton road, by Motorcycle Officer Kelly, declared he was "strong" for the enforcement of the traffic laws and thought he should pay a fine. He said he would not have driven so fast but thought the limit there was 30 miles. He admitted, however, that he was in a hurry. Judge Rossmann continued the case for sentence on condition that Tomlinson fine himself by making a donation for the Armenian relief. He immediately deposited a check for \$20 to that cause in a receptacle for receiving such donations which stood on the judge's desk.

Speeder Fines Himself. George E. Rothwell of Balfour, Guthrie & Co., given a chance to fine himself in the same manner for speeding on the Linnton road, deposited \$10 to the credit of the same cause.

L. B. Menefee, timberman, who appeared to answer to a charge of speeding, drew a fine of \$10. Mrs. E. B. McNaughton paid a \$5 fine on a similar charge. Others fined for various violations of the traffic laws follow: P. S. DeLacey, speeding, \$5; D. E. Ambery, speeding, \$10; J. C. Hiner, falling to give right of way, \$25; J. O. Plim, jockeying on the Broadway bridge, \$2.50; L. D. Howitt, left engine running in parked car, \$4; E. G. Handorf, speeding, \$15; A. Fetsch, jockeying on the Broadway bridge, \$1; A. B. Cleveland, speeding, \$10; A. J. Masto, speeding, \$2.50; J. J. Monatti, \$10; W. R. Fuller, speeding, \$7.50; Lawrence Hook, speeding, \$5; J. O. Forestel, speeding, \$5; H. Schanlar, speeding, \$5; J. E. Detsan, speeding, \$12; John Sheldon, falling to give right of way, \$10; F. Cleveland, violating traffic ordinance, \$1; J. Bonstoms, violating traffic ordinance, \$1; John Trout, violating the traffic ordinance, \$1; Nick Trout, violating the traffic ordinance, \$1; Lawrence Young, violating the traffic ordinance, \$1; Adam Beede, violating the traffic ordinance, \$1; George Rench, violating the traffic ordinance, \$1.

INDIAN FORGER IS GUILTY

Four-Year Term Meted Out to Crafty Redskin.

THE DALLIES, Or., Feb. 11.—(Special)—Charles Bolce, an Indian, after changing his former plea of not guilty to guilty of forgery of checks to the extent of \$465 against the Maupin State bank, was Tuesday morning sentenced by Judge Fred W. Wilson, to serve a term of four years as a maximum in the state penitentiary. Bolce was captured last December in Yakima, Wash. He escaped shortly thereafter when the latter was purchasing transportation and a 30-mile chase over the snow-covered hills and valleys adjacent to Yakima finally landed the forger.

Bolce forded and swam the Naches river near Yakima when the temperature was hovering about the zero mark, but was tracked through the snow and finally cornered by the sheriff and his party. The Indian first pleaded not guilty but changed his plea Tuesday morning. Under the state law, pending good conduct, he may be paroled at the end of the first year.

SO EASY! LIKE ROLLING OFF LOG

Sore, touchy corns stop hurting, then lift right out with fingers

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says the Cincinnati authority, because a few drops of frezone applied directly on a tender, aching corn stops it at once and soon the corn loosens so it can be lifted out, root and all, without pain. A quarter ounce of frezone costs very little at any drug store, but is sufficient to take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to inflame or even irritate the surrounding tissue or skin. After you lift away the troublesome corn or callus the skin underneath is as pink, firm and healthy as the palm of your hand.

Women's Activities

"CO-OPERATE, get together on a business basis and build with a vision." This was the message given at the meeting of the Presidents' club yesterday. The club, which is made up of the presidents of federated clubs, held a luncheon in the rose room of the Benson hotel and discussed the need for a clubhouse or woman's building in Portland. Mrs. Eldon J. Steele presided. A fine spirit of co-operation and harmony prevailed and the general opinion seemed to be that a woman's building should be a reality.

Mrs. G. J. Frankel, head of the women's protective bureau and former president of the Portland Federation of Women's organization, said that a building should include a department which could be used by the girls who live in humble lodgings and who need a suitable place in which to meet their friends. She suggested that the top floor be used for clubrooms and that there be a large assembly hall and other meeting places so greatly needed now by the clubs. Mrs. Charles Rayson, president of the Portland Woman's club, said that her organization had decided upon a site on Taylor street, between Twelfth
