The largest reduced price sale of good used cars ever held in the northwest is now being conducted at No. 12 Grand Avenue North.

An assortment of nearly one hundred good cars are being offered at prices that will move them quickly. We can get much more by holding our cars for 30 days, but space is just now our greatest problem. If you doubt this statement, just look at our congested building.

 BROADWAY AND COUCH.

Last week we consolidated the used car stock of our two big stores, placing all our used cars in our Grand Avenue building. In preparation for this big sale we engaged seven high-grade mechanics to put every car in our possession in the best possible condition; not even a loose bolt or nut has been overlooked. Labor conditions did not permit of having all our stock painted, but every car is, nevertheless, good appearing and it is ready for any test you will nominate.
