When I was a mere child I read the story of "THE LIT-TLE SHEPHERD OF KING-DOM COME," by John Fox, Jr. -and since that time I have had an everlasting desire to know the quaint characters of that story-to see them with my own eyes. Well-at last my longing has been realized -but far beyond all dreams; for never had I supposed that the same people lived todaybut they do-they fairly step out upon the screen and live for you the story exactly as Mr. Fox wrote it years agoit's truly wonderful .--- E.
