Assistance to girl workers in solv-

Assistance to girl workers in solv-ing housing problems and in finding recreation is to be continued by the Young Women's Christian association on a war scale, it is announced in the work council. The safeguarding of health and the maintenance of mo-rale of girls in Industrial centers have become part of the reconstruc-

tion programme.

Six new centers have recently been opened in isolated regions where spe-cial industrial problems for women must be met—in mill villages of the south, mining towns of Ohio and West Virginia and among canning and fish-packing industries of the Pacific

Service centers have been opened in eight cities with large industrial populations—Richmond, Va.; New Orieans, Cincinnati, Minneapolis, Pittshurg, Worcester, Mass.; St. Louis and Chicago, In the last 15 months 300,000 girls have enrolled in these cities as members of industrial clubs or have been assisted in housing, cafeteria service, education and recreation. Particular attention is being given to the women's housing, problem in Washington, D. C., where during the Service centers have been opened in

war 100,000 women were employed. The number has already increased to 103,000 and seems likely to he 125,000 before the year is over because of the additional force required for the consus. A large recreation building and a hotel for 400 girls are planned. Work for negro girls is under way in tea domestic fields of the associa-
