# STORMY PETRELS OF BEAVER CLUB SIGN

## Macks Now Have Outfield All Lined Up.

## TWO PITCHERS ARE LOST

**At Least Reports Indicate Lesher and Morrison May Trouble Portland's Placid Waters.**

Portland's baseball bugs can relax a trifle this morning and enjoy themselves, for Walter McCredie now has an outfield signed and sealed and ready to take the field for the spring training grind at Ontario, Cal.

The signed contract of George Maisel, one of the stormy petrels of the Beavers, reached Judge McCredie's private boudoir in the Gasco building yesterday and the judge was so pleased he almost broke out in a rash.

**Cox for Utility.**

Aforementioned outfield that is signed and delivered consists of Maisel, Schaller and Cox. Walker, the big Carolina tobacco planter, still adheres to his principles of sovietism, but the Macks are counting upon him to surrender, in which case Mister Cox will do the outfield utility act.

Maisel is wintering at his home near Baltimore, Md.

While the Beavers gained one yesterday, the Western Union brought tidings of a couple of losses, so the Macks finished the day one down, as the golfer would put it.

**Pitchers Roll Waters.**

Two pitchers—a southpaw named Lesher and another slabster named Morrison—were the disturbing factors in an otherwise serene and soothing day for the judge. Both are graduates of the Western Canada league.

Lesher lives in a "hick" town in Nebraska and wants to play with Omaha. He notified the judge to trade or sell him to Omaha—he wouldn't play in the judge's yard. But the Portland magnate responded to the effect that Lesher would report here or nowhere. Morrison resides in Mississippi, although the McCredies first heard of him as a pitcher for Moose Jaw, in the Canadian circuit, and forked over $500 for him. Morrison issued two ultimatums to the judge—one calling for a substantial salary, transportation both ways and a bonus if he won two-thirds of his ball games, and the other minus the bonus but with a clause which would give him one-half his purchase price should he be sold to the majors.

Judge McCredie sent him a straight contract without a single frill and as soon as Morrison hears that the Portland uniforms are going to be similar to those used last year with the usual-sized caps he may see the light and sign a reasonable contract.

**Ellison Loss in Sight.**

The Macks likewise heard some news in a roundabout way from Detroit that was not particularly reassuring concerning Bert Ellison, Detroit infielder.

According to the St. Louis Sporting News, Minneapolis has filed a claim for Ellison, and the infielder Walter Mails has been figuring on may go to the Millers. He played with Minneapolis in the American association, and the fact that they want him back is a sign that he must be a good ballplayer.

Major Jacinto Calvo, Beau Brummel of the San Francisco Seals, has written from far-off Havana expressing desire to report to the Seals. He has been on the suspended list since 1918, when he refused to report. Calvo is a lieutenant of police in the Cuban metropolis and on the side plays a little baseball.

# STECHER DOWNS HUSSANE

## DOUBLE WRISTLOCK SUCCEEDS AFTER 55 MINUTES.

**World's Catch-as-Catch-Can Champ Throws Opponent While He Is Entangled in Scissors.**

PITTSBURG, Feb. 24.—Joe Stecher, world's catch-as-catch-can wrestling champion, threw Yussif Hussane, Detroit, in 55 minutes here tonight with a double wristlock while himself entangled in a body scissors.

Stecher tried frequently to apply his own body scissors, but found Hussane had perfected a good defense against it. Hussane protested the referee's decision, but ringsiders held that the verdict of the referee, William Peet, a local sporting editor, was correct.

## THYE WINS OVER RENTROP

**Mat Decision Awarded as Result of Two Falls.**

SPOKANE, Wash., Feb. 24.—To Ted Thye, local middleweight wrestler, was awarded the match with Charles Rentrop of Chicago, here tonight after Thye had thrown Rentrop in the second fall and injured the Chicagoan's arm.

Rentrop won the first fall with a body scissors and arm lock in one hour and 15 minutes. Thye returned the compliment in 20 minutes, seizing Rentrop and throwing him to the mat with such force as to prevent further wrestling.

## ALEX TRAMBITAS WINS BOUT

**Decision Over Buck Holley of San Francisco Awarded.**

LOS ANGELES, Cal., Feb. 24.—Alex Trambitas, Portland, welterweight, won the decision over Buck Holley of San Francisco, at the Vernon arena here tonight. Trambitas was the aggressor throughout.

Sal Carlo, San Francisco welterweight, won the decision from Leo Morrissey in the semi-windup.

## BAR JOHNSON, LEGION CRIES

**Spokane Members Declare Black Pugilist Disgrace to His Race.**

SPOKANE, Wash., Feb. 24.—(Special.)—With shouts of "Keep the black son-of-a-gun out." "He was a Hyman spy," and with the declaration that he disgraced the whole black race and was an insult to every American who wore a uniform, the Spokane branch of the American Legion last night adopted resolutions asking that the United States bar Jack Johnson, the pugilist, from re-entering America.

The motion by Max Neumann was the signal for a heated debate between attorneys in the organization and the majority, who insisted that the proposed action was the only course, in spite of legal objections.

# JOHNSTON-TILDEN AMERICA'S BEST TENNIS COMBINATION

**Bet Likely That These Two Stars Will Be Used in Effort to Wrest Championship From Australian Holders.**

BY ROSCOE FAWCETT.

TENNIS folk are wondering whether this country will be able to develop a team capable of taking the measure of Brooks and Patterson, the Australian wizards of the racquet. Johnston and Griffin couldn't do it last year, and Johnston and McLoughlin failed just as dismally. The writer saw this arrangement in action and the Antipodean racquet wielders couldn't be touched.

Johnston and Tilden would make the best team and it is a likely bet that these two stars—one from the west and the other from the east—will be found playing side by side next year in an endeavor to bring back the cup that Brooks and Wilding took away.

It may be of interest to the tennis enthusiasts to know that Champion Johnston has disassociated himself from the sporting goods concern where he had been employed for several years in San Francisco. Johnston is selling insurance in the same city.

**Proper Sponsoring Needed.**

The action of the United States Tennis association in deciding to challenge for the Davis cup brings up the international question from a golf standpoint as well. There seems no valid reason why the United States Golf association should not do something of the same sort to stimulate competition between England and the United States.

Until properly sponsored teams are sent abroad, the United States can never present its true front. This year the British classics will be played over the courses at Deal, England, and Gullane, Scotland.

If Walter McCredie takes half the bushers to the Ontario training camp that the judge has on the roster, the hat checking privilege will pay a dividend.

A San Francisco golfer has made two ones on a certain hole. A Portland man, however, holds the world's one-shot golf record. Playing at the Portland Golf club several years ago, Sam Holbrook hooked from the first tee on the old course and holed out on the 18th green—making the entire course in one stroke.

**Hats Off, Everybody.**

But—just a moment—here's a story in a New York newspaper that wins the hand-painted oilcan. "He then holed his fourth shot for a three," reads the headline. This shot is one of the most difficult in golf and one that Rudolph Wilhelm and Dr. Willing, and even Mr. Holbrook, will have to work on assiduously before they will be able to play with any degree of certainty.

Holing the fourth shot for a three wins the plush-rimmed spectacles without a contest.

A baseball fan writes in to rebuke the American league magnates for prohibiting the sale or purchase of players in the American league clubs after July 1 or August 1. "Suppose New York has a good club but one of the good men gets injured in August?" writes Bug. "Why shouldn't the Yanks' manager be privileged to go out and buy players to fill the place?"

**Regulations Necessary.**

Baseball should be a sporting event, but there is too much money involved to keep it a sporting event except by regulations. There was too much room for jockeying for the big world's series coin under the old scale of things. It doesn't take much straining of the imagination to conjure up a pennant race in August where the bigger purse would be the deciding factor if some star was needed to swing the balance of power.

Anyway, for what are utility players if not to fill out the ranks in case of injury?

**Maxmeyer Sat Up.**

Charley Dooin has dug up the old sleeping car joke and is passing it around at the expense of "Red" Oldham. Dooin claims that when Oldham first joined the Phillies he was as green as his hair is red. Sherwood Magee told him that all the pitchers slept with their pitching arms in the little green hammocks in the Pullman berths. The next morning Oldham could hardly move his flipper.

Nick Williams has a better yarn. In the old days of the Northwestern league while the Portland "Pippins"—remember that old name?—were aboard boat between Seattle and Vancouver, Williams had one of his young pitchers, Maxmeyer, sit up all night on deck to see the steamer go through the tunnel.

## PACIFIC BEATS AGGIE ROOKS

**Score 16 to 10 in Basketball Game at Forest Grove.**

PACIFIC UNIVERSITY, Forest Grove, Or., Feb. 24.—(Special.)—In a game featured by close guarding and poor shooting the Pacific university basketball team defeated the Oregon Aggie rooks here tonight by the score of 16 to 10. The first half ended 4 to 3 in the local team's favor.

Pacific university was greatly handicapped in the first period by the loss of Fenenga, its star center. Ackerman of the rooks was high point man, with eight points. Fenenga now has a total of 145 points against 161 for his opponents. The lineup:

| P. U. (16) | | Oregon (10) |
|---|---|---|
| Hoar (4) | F | (8) Ackerman |
| Fowler | F | (2) Gregg |
| Todd (6) | C | Sanders |
| Wolf | G | Ross |
| Graham | G | Morgan |
| Fenenga (6) | S | |

Referee—John Irland.

## "Flu" May Hold Up Games.

EUGENE, Or., Feb. 24.—(Special.)—Because of the ban on local meetings caused by the prevalence of influenza here, it is likely that the Eugene high school basketball games for the rest of the season will be cancelled, according to Coach Grannis. He is certain that the game with Albany high, which is scheduled to be played in Eugene this week, will be called off.

## League Players Released.

NEW YORK, Feb. 24.—The New York Americans tonight announced the release of J. Carlisle Smith, third baseman, to the Washington American league club; Albert Wickland, outfielder, to the Toledo club of the American association, and George Halas, outfielder, to the St. Paul club of the American association.

# 'FLU' HITS SEATTLE BOUT

**WRIGHT IS VICTIM, SO LUX GOES AGAINST SHADE.**

**Draw With Flashy Californian Is Awarded as Result of Short Notice and Game Fight.**

SEATTLE, Wash., Feb. 24.—(Special.)—Flu, making its last stand in these parts, reached out and mussed up the Pool boxing card tonight, necessitating last-minute changes in the two principal attractions. Billy Wright, a victim of the disease, spent the evening at home, and Morris Lux took his place, while Willie Keeler withdrew because of illness in his family. Tom Woodhouse was the martyr who substituted against Wild Bill Reed, and Tom wishes Keeler had kept his engagement. Lux, taking the bout on a few hours' notice, received a draw with Billy Shade through the kindness of the judges, and Bill Reed pushed Woodhouse over in the second round of the semi-windup event.

There were few in the house who thought Lux deserved a draw with the flashy Californian, and yet there were fewer who were not glad to see the blonde Kansas City boy get the even verdict. In no condition to box a rough opponent like Shade and giving away six or eight pounds, Lux took a beating for three rounds and then Morris put his foot on the accelerator and made such a plucky finish that the judges called it a draw.

Lux was dead tired when he came out of his corner for the fourth frame. Tired, but game, he changed from the defensive to the attack, and, lunging at the visitor with lefts and rights, he forced Shade to back around for the first time during the evening. A minute before the close of the round it looked as though Morris' game effort to stay was frustrated, as a stiff right sent him reeling into the ropes. He leaped to his feet, tore into the surprised Californian and finished slugging toe to toe with his rival.

# MAROON F SPOILS PARKWAY'S RECORD

## Perfect Slate Broken by 21-to-10 Score.

## FINAL GAME SCHEDULED

**Basketball Victors Prepare for Last Contest With Duniway. Guard Books Newberg.**

The Maroon F basketball team ended the South Parkway second team's hopes of going through the season with a clean slate when it put over the first defeat that has been marked up against the Parkway seconds this season. The contest was played on the Franklin high floor Monday night and the final score was 21 to 10 in favor of the Maroon F five.

The game was rough and personal fouls were called freely on both teams by Referee Harry Hafter. At the end of the first half the Winged S team was leading 7 to 5, but by passing and accurate shooting in the second period the Maroon F tossers came from behind and clinched the game.

The lineup:

| Maroon F (21). | | So. P'kway 2ds (10) |
|---|---|---|
| Ed. Thompson | F | H. Lewis |
| Babe Thomas | F | Pander |
| Hal Day | C | Popick |
| Borrell | G | Pruss |
| H. Thomas | G | M. Lewis |

Referee, Harry Hafter.

Manager Jack Routledge of the Maroon F team is arranging a game with the Duniway Park team, champions of the playground league. This probably will be the final game of the season for the Maroon F team. The Duniway team won the championship of the playground league recently by defeating the Sellwood Park five.

Saturday night the Multnomah Guard basketball team will meet the American Legion five of Newberg on the latter's floor. This will be one of the hardest games that the local team has participated in this season. The Newberg legion tossers hold two victories over the fast Dallas team, and are considered to be one of the strongest basketball quintets in the state.

Wednesday night the Multnomah Guard league team will play the South Parkway second teams on the B'nai B'rith floor.

Manager "Si" Simonsen of the Guard team has accepted an offer from the South Parkway first team for a three-game series for the city championship. The dates of the games have not yet been set, but they will probably be run off the latter part of the month or somewhere around the first of March.

* * *

South Parkway's first team will meet the Standifer team of Vancouver tonight on the B'nai B'rith floor, and Saturday night the local team will play a return game with the Chemawa Indians on the latter's floor. The Parkway team is considerably stronger right at present than when it was defeated by the Indians on the Y. M. C. A. floor recently. Morris Rogoway, who was on the sick list when the team played Chemawa, is back in the lineup and Harry Arbuck, who formerly played with the Winged S five, is out in a suit. Nathan Lakefish, who has been playing on a championship independent team at Seattle, may also be added to the squad.

## SCHOOL BALL SCHEDULE MADE

**Games of Grammar League Will Start Early in March.**

It is the plan of the committee in charge of the grammar school baseball league to play the opening games of the circuit early in March. A meeting of the committee held recently in the board rooms at the courthouse was attended by Chairman W. A. Dickson, T. E. Speirs, Mrs. A. E. Watson, S. U. Downs and Robert Krohn, director of athletics in the grammar schools.

It was decided to follow last year's plan of playing in sections, but instead of having only the winners play in the finals, both the teams finishing first and second are to qualify for the finals. Only one game with each other team will be played in each section but two games will be played in the finals provided all the divisions have completed their schedules in time. The last game for the championship should be played about May 15, as it is the intention of the committee to have the baseball season over early so as not to interfere with the annual track meet.

T. E. Spiers was appointed to draft a set of rules governing games, and to outline a policy to be followed by umpires with regard to the conduct of players on the field and their responsibility toward officials and principals.

Schools will be divided into sections and section leaders appointed as soon as all entries are in the hands of the committee, which should not be later than Friday, February 27.

**Anglers Meet Friday.**

The regular monthly meeting of the Multnomah Anglers' club will be held Friday evening on the top floor of the Oregon building. Two of the measures proposed by the Clackamas county fishermen will be brought up for discussion. One is the opening of the Willamette river to net fishing and the other is the proposed fishing license for each separate county.

# LIVELY GAMES PROMISED

**FRANKLIN AND COLUMBIA TO MEET THIS AFTERNOON.**

**Lincoln and Washington Clash Friday and Hill and Commerce Hoopers Meet Tomorrow.**

The Franklin high school and the Columbia university basketball teams are scheduled to meet this afternoon in the interscholastic league on the Y. M. C. A. floor. This will be the third game of the season for the Quaker crew, the other games scheduled being postponed on account of illness among the players. The followers of the scholastic hoop game have not had an opportunity to get much of a line on the wearers of the maroon F as both of the games which they have participated in were against weaker teams and proved to be easy victories for the Quakers.

Franklin has a chance to finish well up in the running for the championship providing they can get over the Columbia five this afternoon. The prep school tossers were not working well last week and received a drubbing at the hands of the Jefferson hoopers, but if Coach Dewey can get his charges traveling this afternoon they should be able to give the Quakers a hard fight. Leon Fabre will referee the game which will start at 3 o'clock.

Commerce and Hill should furnish an interesting contest tomorrow afternoon. Both teams have not fared very well in the hoop game this season Commerce having lost every game played while Hill won its first game and then dropped four in a row. The cadets appear to be the favorites in the game tomorrow although the absence of several regular players in the Hill lineup may give the bookkeepers a chance to slip one over.

What promises to be one of the best games of the season and one that will have a direct bearing on the championship of the league is the annual tilt scheduled for Friday afternoon between Lincoln and Washington. Lincoln has been beaten once this year while the Washington team has gone this far with a clean slate. In order to keep in the running the Colonials will have to win from the Railsplitters.

## SCHUMAN IS TO STAY HERE

**Scrapper Not to Leave Manager Nor Northwest.**

TACOMA, Wash., Feb. 24.—(Special.)—Heinie Schuman intends to remain in the Pacific northwest and will not break with his manager, Eddie Marino. The statement was made several days ago that Schuman intended seeking new fields of endeavor after fighting Jimmy Marshall at Milwaukie, Or., tonight. It was said that he would go to Denver to battle some of the best boys in the intermountain section, but Marino would not be taken along.

All of these rumors were denied by Marino. Schuman has been an excellent money-getter ever since Marino broke him into the fight game, when both were members of the marine corps at Mare Island. Marino got Schuman his first start in San Francisco smokers.

## "BIG BILL" JAMES' WIFE SUES

**Divorce Asked by Mate of Famous Boston Pitcher.**

OROVILLE, Cal., Feb. 24.—(Special.)—Big Bill James, otherwise William L. James, the baseball player whose spectacular pitching for Boston in a world series contest a few years ago is still remembered by every sport enthusiast, has been sued for divorce by his wife, Marguerite James, in the superior court here.

Pending trial of the case James was ordered to pay his wife $100 per month for her support, but the amount was later reduced to $50. The couple have been separated for several months.

# FAST STANFORD FIVE WINS FROM OREGON

## Score Is 17 to 15 in Game Played at Eugene.

## GAME IS WITHOUT CROWD

**Durno Lands All Lemon-Yellow Points — Visitor's Team Changes 4 Men.**

**Pacific Coast Conference Standings.**

| Washington State | 4 | 5 | .444 |
| Washington | 3 | 5 | .375 |

UNIVERSITY OF OREGON, Eugene, Feb. 24.—(Special.)—Stanford scored a decisive victory over the Oregon five here tonight when it ran up a 47-15 score over the lemon-yellow hoopers. All of Oregon's points were annexed by Eddie Durno, who converted 11 out of 13 fouls and threw two field baskets.

Stanford finished the game with an almost entirely different team from that used at the start, four substitutes being used.

Jacobberger was put out of the game late in the second half.

The game was played behind closed doors, the influenza ban being exercised at the university. Only officials and substitutes saw the game from the inside.

The lineup:

## CALIFORNIA TAMES COUGARS

**Washington State Goes Down by Score of 27 to 22.**

WASHINGTON STATE COLLEGE, Pullman, Feb. 24.— (Special.) — The University of California quintet defeated the Cougars tonight, 27 to 22, in the most grilling contest witnessed on the court of Bohler gymnasium in many seasons. The Bears, playing an aggressive game which bordered on football, took the lead late in the first period and retained the winning margin until the game was over, although Bohler's players came within a basket of tieing the count three minutes before the final pistol shot, but Eggleston, Bear forward, dropped the leather through the hoop from the center of the court, giving the blue and gold a lead that could not be overcome.

The victory went to the Bears, not because of superior team play nor ability to corral baskets, but because the superior weight and size gradually wore down the fighting Cougars. It was a repetition of the recent Cougar defeats at Berkeley, lost by a narrow margin, where the battle was rough and ready, California being a little more rough.

Eggleston's basket shooting and all-around floor work was the feature of the visitors' play, although Captain Anderson of the Bears rivaled his teammate in clever playing, garnering three field baskets. Bobbie Moss and Chick Rockey featured for the Cougars, Rockey with the exception of a lone basket made by McIvor being the only local player to score from the field.

The teams play again tomorrow night.

Summary:

| California (27). | | W. S. C. (22). |
|---|---|---|
| Symes | F | Moss |
| Eggleston | F | Rockey |
| Anderson | C | King, Cisna |
| Green | G | Copeland (capt.) |
| Majors | G | McIvor |

Substitutes—California, Larkey for Majors; W. S. C., Cisna for King, Nash for Moss.

Fouls converted—Moss, 10 in 13; Symes, 5 in 11.

Goals from field—California, Eggleston, 6; Anderson 3; Majors, 1; Green 1. Washington State college, Rockey, 5; McIver, 1.

Referee—Hinderman, Spokane.

# FIGHT IN U. S. CERTAIN

**DESCAMPS SAYS BOUT GOES TO "JACK'S" PROMOTER.**

**Carpentier's Manager Gives Signature All Comers Providing That of Dempsey Is Secured.**

PARIS, Feb. 24.—That a fight between Georges Carpentier and Jack Dempsey for the heavyweight championship of the world will go to whatever promoter who succeeds in signing Dempsey to a contract is the gist of an interview with M. Descamps, Carpentier's manager, which will be published tomorrow morning by Sporting, a weekly publication.

"I am not forgetting that Cochrane holds Carpentier practically bound until the end of the year, but inasmuch as he has not succeeded in securing Dempsey's signature and when he realizes that this will be impossible, he is too good a sport to stand in our way of putting the fight through, because should Dempsey sign with either Rickard or Fox the contract Cochrane has with us becomes null."

Vienne, the Paris promoter, has virtually given up hope of holding a bout between Carpentier and Dempsey in France and Sporting says it is the opinion of Descamps and all sporting men in Paris that if the fight takes place it will be in the United States.

"I have given my signature to C. B. Cochran of London, Theodore Vienne of Paris, William Fox of New York and Tex Rickard, as I shall give it to anyone who shall bring me sufficient guarantees, always, however, with the provision that Dempsey's signature be obtained," said M. Descamps.

"Mr. Cochran is a personal friend of mine. That is why I gave him the preference after Carpentier's match with Beckett, but up to this date he has been unable to secure Dempsey's signature. Meanwhile I have received a telegram from Jack Kearns, manager of Dempsey, saying that Dempsey has not signed with anyone. He also advised me strongly to deal with Tex Rickard and asked me to go to the United States, where he said Kearns and Rickard were awaiting me. Carpentier and I will leave March 13."

LOS ANGELES, Feb. 24.—Jack Kearns, manager of Jack Dempsey, world's heavyweight champion, said tonight when informed of the interview with M. Descamps, Georges Carpentier's manager, to be published in Paris tomorrow, "that it was all news to him."

"It is a mistake that I telegraphed to M. Descamps or communicated with him in any way," said Kearns. "Therefore I could not have given him the advice he credits to me.

"I am glad he has signed with all the promoters he says he has. That ought to make it easy to make a match. But there will be nothing doing from us until he and Carpentier get to New York. Then we'll see who really has Carpentier. We don't care to run into litigation by signing up until we know who has the Frenchman.

"One thing is certain—the fight will be in the United States, and not in France or England. We won't go to Europe; that's final."

**Robinson Outfights Gans.**

SAN FRANCISCO, Feb. 24.—Willie Robinson defeated Young Gans in a four-round bout here tonight. The men are lightweights. Roy Renner won the decision over Johnnie Cline.

# IDAHO TRIMS BEARCATS

**SCORE 31 TO 29 AFTER 15 MINUTES OF OVERTIME.**

**Game Ends Tied at 25 and Things Seesaw for Three Five-Minute Periods.**

WILLAMETTE UNIVERSITY, Salem, Or., Feb. 24.—(Special.)—Three five-minute overtime periods were required before the University of Idaho quintet nosed out the Bearcats tonight, 31-29, in the greatest game played here this season.

The count stood 25-25 at the end of the second half. Brilliant guarding prevented either team from scoring in the first extra period, but Perrine and, Wapato each converted a basket and evened things again in the second five minutes. The last overtime session saw both teams fighting furiously, but Idaho slipped in two counters while Willamette converted but one basket.

The game was marked by nice teamwork throughout, and Willamette's play was featured by the guarding of Rarey and by Wapato's and Dimick's sensational shooting. The former secured seven field goals, although Perrine of Idaho edged him out of high scoring place with two more baskets. Jackson's injured ankle did not bar him tonight, as he played the whole time in fine style.

Either five could have cinched the contest on fouls, but Idaho shot only three out of nine, while Willamette's record was one out of six. Coach Mathews used eight men in an effort to find a winning combination. Idaho made two substitutions.

Salem high school won from the Willamette freshmen, 21-16, in a preliminary game.

The lineup:

| Willamette (29). | | Idaho (31). |
|---|---|---|
| Wapato (14) | F | (5) Fox |
| McKittrick (3) | F | (6) Carder |
| Jackson (2) | C | (18) Perrine |
| Rarey | G | Crozier |
| Dimick (8) | G | Lindley |
| Gillette | S | Evans |
| Ketch | S | Campbell |
| Doney (2) | S | |

Referee, Harry Fischer, Portland.

# SCHUMAN DEFEATS JIMMY MARSHALL

## Technical Knockout Won After Second Round.

## BAIRD OUTFIGHTS BARONE

**Scotty Williams Defeats Marty Foley—Card Is Good With Exception of Last Round.**

**Boxing Results.**

Harry Schuman defeated Jimmy Marshall, two rounds.

Earl Baird defeated Tommy Barone, 10 rounds.

Scotty Williams defeated Marty Foley, two rounds.

Weldon Wing defeated John Fontana, five rounds.

Frankie Webb and George Burns boxed draw, four rounds.

* * *

Before a crowd of approximately 1500 boxing fans Harry Schuman, the hard-hitting Tacoma lightweight, won a technical knockout over Jimmy Marshall of San Francisco at the Milwaukie stadium last night. Referee Ed Martin stopped the fracas at the end of the second round and awarded the bout to Schuman.

In the other 10-round main event Earl Baird of Seattle won a 10-round decision from Tommy Barone of St. Paul by raining a fusillade of blows on his stocky opponent in the final round.

**Card Good Except Final Bout.**

With the exception of the final bout between Schuman and Marshall, the card was satisfying. Marshall made such a poor showing against the blonde matzoth eater from the north that it put a crimp in the card. Schuman weighed in at 127 pounds at 5 o'clock, but looked like a welter alongside the California battler.

He started in on Marshall and in about 30 seconds the San Franciscan might just as well have been outside the three-mile limit. And he might have landed there on the busy end of the ex-marine's straight rights and lefts if "Denver Ed" Martin hadn't taken pity on him and stopped the bout at the end of the second round.

Marshall is said to have boxed two draws with Allie Nack, the clever San Francisco lightweight. If Schuman ever meets Nack, they'd better go up before the match and take Allie's ante-mortem statement.

**Baird Earns Decision.**

The Baird-Barone bout finished in a blaze of glory and Baird clearly earned the decision. Barone is a replica of Joe Gorman in appearance and relied chiefly on infighting tactics. With the fight almost a standoff, Barone opened up in the ninth as if to show the fans something, but Baird beat him to every punch.

Barone was pretty badly used up in the 10th, and a couple of more rounds like it would have qualified him for the shower baths.

The three preliminary bouts furnished plenty of action. Scotty Williams, the Chicago negro middleweight, took Marty Foley's measure in less than two rounds. Williams crouches in his shell like a snapping turtle, but when he emerges he packs a healthy wallop.

**Tacoman Sent Sprawling.**

Foley appeared to be holding his own fairly well, when, bing! Williams feinted with his left and brought over a right cross that sent the Tacoman sprawling on the canvas for the count of 10.

Johnny Fontana, the soldier boxer, proved a game customer, but Weldon Wing took his measure without a great deal of difficulty. With Fontana looking as if he had been flirting with a hand grenade, Referee Ed Martin stopped the bout at the end of the fifth round. The boys weighed 128 pounds.

Frankie Webb and George Burns, lightweights, boxed a four-round draw. Burns proved a mark for a straight left, but he made a good finish and earned a draw.
