

BARNABE AND JUNEY WILL FACE ONTARIO

McCredie Announces List for First Game.

WEATHER STILL 'IDOL'

Los Angeles Rook Pitcher Named Tipton Reports; S. Johnson Likely to Go Home Soon.

BY ROSCOE FAWCETT. ONTARIO, Cal., March 12.—(Special.)—Reinforced by a Los Angeles rook pitcher named Tipton, who reported in with a recommendation from Art Krueger, the Portland Beavers enjoyed two snappy practice sessions today.

Immediately following the afternoon workout of "Hilo" and "one old cat" Boss McCredie announced his plan for the initial practice game scheduled for tomorrow against the Ontario aggregation.

The weather has been "idol" as Mac says, for training purposes. This climate is a corker. The boys showed so much pep yesterday that they sprang of pepper tree, fit for salad, were sprouting over the infield when the team showed up for work this morning.

Studebaker is Ontario Twirler. Studebaker, a left hander, will twirl in Ontario against Portland in the inaugural game. The local fans say he is a 1920 model and they expect him to work on eight cylinders throughout the entire nine innings.

Cox and Schaller Strong. Dick Cox and Duke Schaller are hitting the ball like a couple of Cobbs in the batting practice. Schaller is down to 173 pounds, nearly ten pounds less than he weighed last spring.

Madden Wins From Wagner. Portland Boy Claims Foul, but is Not Supported by Judges.

ABERDEEN, Wash., March 12.—(Special.)—Jack Wagner of Portland lost to Lloyd Madden of Seattle here in a six-round bout. Wagner, who took a count of nine in the fourth, claimed a foul, but his claim was not supported by the judges.

Lonie Leonard of Salt Lake and Mickey Brown of New York fought six fast rounds to a draw in the semi-windup. Ray McCasle, Bremerton marine, scored a knockout over Easting McDonald in the second round.

Patsy Cark, Seattle, was given the decision over Soldier Mack of Portland after a close and hard-fought mill.

OAKS KEEN FOR FIRST ROUND. Youngsters on Anxious Seat as Curtain Raiser Nears.

SAN FRANCISCO, March 12.—(Special.)—There was all kinds of thinking being done this afternoon at the clubhouse of the Oakland ball club in Emeryville when Del Howard's 1920 hopes were changing from the baseball uniforms to their civies. Today being the eve of the first practice game for the Oaks, every player showed more ginger than he has since reporting to Del Howard.

Every player was thinking that he should be picked to appear in the first game and some of the youngsters were so anxious to know that they popped right up to Manager Howard and asked if they were going to play.

The announcement from Del Howard that he had decided the Spokane club, managed by Cliff Blankenship would be the Oaks farm, seemed to cause other seats to keep away from the park today.

Pitchers Denny Gearin and Harry Weaver level in town tonight and will don suits. The Oaks will also play two games Sunday. In the morning they meet the Halton-Dillers and in the afternoon the Crystal Laundry nine.

SALT LAKE HAPPY, SAYS BOSS. Ernie Johnson Says Team's Strength Due to Spirit of Men.

BOYES HOT SPRINGS, Cal., March 12.—(Special.)—"I figure that Salt Lake will be stronger this year than last two because everyone of those players I have here has been in the second place boys will be in shape when the gong rings. If a man has a sore muscle after training up here, it is his own fault. I have been in a lot of training camps with big league clubs and little league teams, but never in a better camp than this."

"Last year Levernus held out until three days before the opening of the season, and then had to pitch the opening game. He was in no shape and he hurt his arm, so that he was of little value all season. Levernus is satisfied now; he is training hard and

coast league fans know that he is one of the best southpaws in the league when he is right. "I still have hopes that Marty Krug will report, and I have sent for Eddie Fitzpatrick, former utility man of the Boston Braves. I will get a good infielder from the Chicago White Sox before the season opens and figure to use him on third base. We should have a lot of speed this year. "We will be home Sunday, April 4, and have two days' practice on the home grounds before opening with Portland on the 6th and I think we will give McCredie's bunch a merry time."

CHICAGO TRIMS VERNON, 4-2

Elmer Hill Holds Windy City Men to Two Hits in Six Innings.

LOS ANGELES, Cal., March 12.—(Special.)—Elmer Hill, San Diego right-handed semi-professional pitcher, dealt the great deal toward winning himself a job with the Vernon Tigers here this afternoon when he held the hard-hitting Chicago Cubs to two hits in the six innings he was on the hill.

William Wrigley's gum-chewers took the initial pre-season game with the final score of Chicago 4, Vernon 2.

The Windy City team registered all four of their tallies when they bunched five hits off Wheeler Dally in the third. The world's champion Tigers did nothing until the eighth, when four clustered bingles gave them their brace of points.

After taking over the mound duty Hill was in danger only once and breezed through safely on that occasion. Claude Hendrix, Lincoln Bailey and "Speed" Martin, ex-Oak, did the leaving for the northlanders. Both clubs appear to be in very good shape. Cory Dolan, famous big league coach, and comedian, kept the 1500 fans laughing.

The score was: R. H. E. Chicago (National)..... 4 10 0 Vernon (Pacific Coast)..... 2 10 1 Batteries—Martin, Bailey and Daley; Dell Hill and Devormer.

ANGELS MEET CUBS MONDAY

Bill Bertica and Nick Dumovich to Face Chicago Team.

ELSINORE, Cal., March 12.—(Special.)—Wade Killefer and his ambulant Los Angeles baseball club are now looking forward to their Sunday game with the Pinnac Club of Los Angeles. Sunday's torrid conflict will mark the first appearance of the "girls" in Elsinore this year. They leave for their home town on Monday morning and on that afternoon play the Chicago Cubs at Washington park.

Bill Bertica and Nick Dumovich, the 18-year-old southpaw recruit, took in the best stage and Bertica is due to start against Fred Mitchell's aggregation on Monday, with Dumovich winding the crank up on Saturday in Elsinore. Fred Haney, the Los Angeles high school infielder who was carried all of last year, will report to the club upon its arrival in Los Angeles. The little infielder had recently recovered from a severe attack of appendicitis.

SEALS TAKE SHORT WORKOUT. Games Arranged for Saturday and Sunday With Industrials.

STOCKTON, Cal., March 12.—(Special.)—Because of ice games arranged for Saturday and Sunday, Charles Graham gave his Seals a short workout at the park this afternoon. On Saturday, with Casey Smith pitching, the team plays the Holt Manufacturing company. On Sunday the biggest game of the training season is set between the San Francisco club and the Sperry Flour.

Bill Steen will oppose Jim Scott. Jimmy Caveney appears in the first in practice this afternoon and showed up remarkably well. Catcher Jim Dooley likewise impressed the onlookers with his ability.

MADDERN WINS FROM WAGNER. Portland Boy Claims Foul, but is Not Supported by Judges.

ABERDEEN, Wash., March 12.—(Special.)—Jack Wagner of Portland lost to Lloyd Madden of Seattle here in a six-round bout. Wagner, who took a count of nine in the fourth, claimed a foul, but his claim was not supported by the judges.

KANSAS CITY HEAVY REACHES ROSE CITY

Hugh Walker Ready to Meet Willie Meehan.

FRANKIE JONES ALSO HERE

Record of Big Boxer Shows He Has Twice Beaten Captain Bob Roper for Army Championship.

BY RICHARD R. SHARP. Hugh Walker and Frankie Jones of Kansas City and San Francisco, respectively, planted their pedal at Fremont on Rose City and yesterday, and after ducking rain drops for the forenoon, donned their ring togs later in the day and went through a spirited workout.

Hugh Walker is the fast coming young Kansas City heavyweight, who will meet Willie Meehan of San Francisco in the main event of ten rounds, while Frankie Jones will tangle with Scotty Williams, the Chicago colored welterweight in the semi-windup of eight cantos at Milwaukee Wednesday.

Walker and Jones are none the worse for their little "car ride and not a time finishing their training licks for next Wednesday night's bout at the Milwaukee arena. Willie Meehan, arrived Thursday and worked out yesterday afternoon going through his paces at Ad Garlock's gymnasium. Meehan boxed like a champion and after witnessing him in action for a few rounds in the gymnasium one can see how when in the best of shape he won two four-round decisions over Jack Dempsey, heavyweight champion of the world. To say that Pat Willie dazzles the boys would be putting it mildly.

Scraps Hook Bars Witnesses. However, he will not be meeting any setup when he bumps into this Young Walker from K. C. Hughie's manager, Jay Thomas, toted a scrap book around that would do justice to a champion. Many clippings and articles bear witness to the fact that Walker's record is not based on "hot spots" and that he has met many of the best heavies in the country.

Walker has reams of paper with printing all over it which says that he beat Captain Bob Roper twice for the championship of the United States army. Walker served through the war in the navy and the St. Patrick's day melee ought to be a "gob" or a battle as Meehan also was a sailor laddy.

Another army champ, who was highly touted, received a beating from the fighting "son of the sea." It was Jack Burke of Chicago. Walker gave him a lacing twice.

"Gunboat" Smith, who has been bowling them all over in California lost in 12 rounds to Walker.

All Look Alike to Walker. One thing that ought to stamp the Kansas City boy as a real mixer right off the reel is the fact that he does not know whom he was going to fight until he arrived here. He was merely coming out here to meet a heavy weight and didn't care whether it was Joe Gum or Jack Dempsey. They all look alike to Walker.

Portland fans have not seen Frankie Jones in action since he wallowed the daylight out of Jimmy Darcy at the ice palace several years ago. Jones is another boxer who does not bar anyone and takes them on up to his eyes in "Scotty" Williams. Frankie will be taking on a tough, rugged boxer, but he feels equal to the occasion.

If he is successful in his match with Williams Jones will return to California and then return here to live, with his wife and baby.

According to reports from Vancouver, B. C., Eddie Shannon was likely to get the decision of the judges over "Pugy" Morton in their bout Wednesday night. The verdict did not meet with popular favor and a crowd would have been much better received.

"Tilly" Herman, who was to have met Alex Trambitas in the main event of last night's card in San Francisco, was unable to go through with the match owing to an attack of the flu. Joe Miller took on Alex in his place.

Fred Winsor is figuring on taking his bantamweight protegee, Bud Ridley, east in the near future, but before he makes the step would like to show his much improved youngster in Portland or Milwaukee.

Sammy Gordon and Ridley would be a worth-while attraction. Sammy had as great success as Bud in the short time that he was in California and would like nothing better than a crack at Fred Winsor's champion.

Other bouts on the bill will be Tommy Barone vs. Bert Forbes, six rounds; Muff Bronson vs. Frenchie Vaise, six rounds, and Carl Martin vs. Jack Barry, six rounds.

MORE GIRLS' FIVE VICTORS. MORO, Or., March 12.—(Special.)—The Moro high school girls' basketball team defeated The Dalles high school girls here Saturday evening by a score of 22 to 12. The Moro girls have not been defeated in a basketball game this season.

The entire programme of American participation will be outlined. COAST UMPIRES CALLED. Conference to Be Held in San Francisco on April 2.

SAN FRANCISCO, March 12.—(Special.)—All Coast league umpires will assemble in San Francisco not later than April 2 under orders from President McCarty for a conference and exchange of views on the interpretation of the new rules.

President McCarty will give as many of the umpires as possible work in the series between the Cubs and San Francisco and Oakland. He is particularly anxious, however, to have the men meet together and have a common starting place when it comes to giving tangled decisions, especially on the new points.

GUARD DEFEATS NEWBERG

SCORE 12 TO 11 IN GAME IN QUAKER TOWN. Close Checking of Portland Team Saves Day—Losers Coming All Through Battle.

The Multnomah Guard basketball team made its second invasion of Newberg last night and returned victorious over the fast American Legion five of that city by a score of 12 to 11. It was one of the hardest and one of the best games that the local team has engaged in this season and was even more closely contested than the first game between the two teams, which was won by Newberg by the narrow margin of one point.

It was the close checking of the guard players and the great defensive playing of "Spud" Darling that brought the local team out on top. In the first half the guardsmen, by some fast combination playing, piled up a 9-to-3 lead over the legion five, but in the second period Newberg five with the help of Elliott and Nelson, who replaced Baird and

Miller, were able to gather a total of eight points while the guards were held to one field basket and one converted foul.

In the last few minutes of play things began to look dubious for the Portland team when the score stood 10 to 9 in their favor, but Walter Earnley came through with another basket, which made the guard supporters feel a little more easy. Nelson, the last man to go in for the Newberg team, got two pretty baskets from the center of the floor, while Elliott, the other substitute, converted two free throws.

All of the guardsmen broke into the scoring column, with Goodie taking high point honors with two field baskets.

The lineup: Newberg (11) Lewis (1)..... Crawford (1)..... Baird (2)..... Cole (2)..... Goodie (4)..... Elliott (2)..... Nelson (2)..... Portland (12).....
