CHURCH MEETING CALLED

PRELIMINARY TO WORLD MOVEMENT OPENS TODAY.

Plans for Financial Campaign to Be Perfected and Quotas for This State Announced.

The campaign training conference of the interchurch world movement will open this morning in the First Congregational church at Park and Madison streets, to perfect plans for the simultaneous financial campaign which will be held under the direction of the interchurch world movement in Oregon, April 25 to May 2.

Frank C. Jackson, Oregon campaign director, received word last night that Otto Mayer of the national survey department of the interchurch world movement, with headquarters in New York, will be in Portland to speak on the county survey work, taking the place of Dr. W. A. Averill, who had been scheduled to fill the engagement here.

Frank G. Moran of Seattle, regional director of the simultaneous financial campaign, will discuss the campaign in the northwest states, and Frank C. Jenkins will explain organization plans and methods for the Oregon campaign.

Delegates to the conference will include the interchurch campaign directors from each county in Oregon and county directors for each of the 19 Protestant denominations of Oregon represented in the interchurch world movement having congregations in the various counties.

Quotas to be raised in Oregon during the coming campaign will be made public at the conference.

CHEAP LIGHT PROBABLE

Chinook Citizens Plan to Obtain Supply at Low Cost.

CHINOOK, Wash., March 16.—(Special.)—That Chinook will solve the problem of minimum cost of electric lights is assured if the plans of the local commercial club fructify. A committee composed of R. C. Plumb, L. C. Fenn and Chris Hansen have evolved a method of utilizing the water from the head of the Chinook river which is to be brought down to the new fish hatchery in a pipe line.

It is proposed to organize a stock company locally and petition the fisheries department to increase the size of their proposed pipe line from a six-inch to a ten-inch pipe, the added expense to be borne by the company. The company would then install a turbine. It is also proposed to build a reservoir on the river which would enable the company to maintain service during the dry summer months.

FRANK DAVIS ARRESTED

Former State Prohibition Officer Again in Trouble.

BAKER, Or., March 16.—(Special.) Frank Davis, former member of the Baker police department and recently discharged as state prohibition officer after being involved in a liquor party in Lakeview, was arrested here late Monday night by Chief of Police Palmer and is being held in the city jail on a warrant from the United States marshal in Portland. Davis is said to have been posing as a state officer since his discharge from that position.

Last Friday the Baker authorities received a message from the federal authorities in Portland ordering the immediate arrest of Davis because he had failed to appear as witness in the Donnelly liquor case being tried in the federal court in Portland March 11. Chief Palmer found him loafing near the railway station. He will be turned over to the federal authorities.

DEMANDS CLOSE MILLS

Kalama Plants Reject Request of Shingle Weavers for Rise.

KALAMA, Wash., March 16.—(Special.)—The Columbia shingle mill and the Barr shingle mill of this city are closed down indefinitely, following a demand of the shingle weavers' union for an advance of 2 cents per thousand over the existing scale.

Two members of the union who had attended a meeting in Williams' hall started a rumor last week that the mill owners and business men of this city had bought a large number of guns and ammunition to be used in case of strike, as they had seen the same in the hall, but the union contradicts this, as it is known that the guns were purchased two years ago by the Home Guard.

WALLA WALLA CITY SUED

Water Bond Issue Legality Is Questioned in Complaint.

WALLA WALLA, Wash., March 16.—(Special.)—Complaint was filed in the superior court today to enjoin the city from issuing and selling half a million dollars in bonds to improve the city water supply. John W. Langdon, president of the commercial club and also a member of the city water commission, and W. H. Case, property owner, are the plaintiffs.

The case will be carried to the supreme court, it is announced. The suit is to determine the exact status of the bonds. The bids for the bonds were opened last week and were below par so they could not be accepted under the state laws.

Howell, Albany; Dr. R. M. Roberts, Corvallis; Dr. H. L. Studley, Dr. A. O. Waller and Dr. John Simonds, Eugene; Dr. Mary Marshall, Albany, and Dr. S. L. DeLapp, Roseburg.

NEWBERG POST TO BUILD

Legion Plans Permanent Home to Cost $30,000; Public to Help.

NEWBERG, Or., March 16.—(Special.)—The Lester C. Reese post of the Newberg American Legion recently held a public meeting at the legion hall, the public being invited to assist in the furtherance of plans for a $30,000 memorial hall in honor of the men in the service during the world war.

The post has a membership of 115 men and its purpose is to raise $15,000 for the memorial structure and it is asking the public to match the amount in subscription to the stock of the concern. The building contemplates an auditorium with a seating capacity of 1500, which will also serve for a dance floor, gymnasium and public functions of all sorts, a swimming tank, bowling alleys, offices, committee rooms, game and reading rooms. A tentative building site has been selected close to the business section.

Washburn Trial Begins.

CHEHALIS, Wash., March 16.—(Special.)—The state case against J. G. Washburn is on trial in the Lewis county superior court here. Washburn is charged with a statutory crime. A jury awarded H. H. Payzant $455 damages in his suit against the Meskill Lumber company.

Senate Official Appointed.

CHEHALIS, Wash., March 16.—(Special.)—Herbert H. Sieler of Chehalis will be assistant secretary of the senate at the legislative session next week. Mr. Sieler is in the abstract business here. Last session of the legislature he held the same position.

Umatilla River Torrent.

UMATILLA, Or., March 16.—(Special.)—The Umatilla river, which has been practically dry for a month, represents a rushing torrent at present, due to the heavy rains during the past few days. Many flumes and fences have been washed away during the last 24 hours.
