LOCAL RAILWAY MAN GETS HIGHER RANK

A. D. Charlton Promoted to General Passenger Agent.

WIDE JURISDICTION GIVEN

Northern Pacific Official Identified Many Years With Portland, to Have Headquarters Here.

Announcement has just been made from St. Paul of the promotion of A. D. Charlton to the position of general passenger agent of the Northern Pacific railroad, with headquar-ters at Portland and having jurisdiction over passenger business of the lines west of Paradise, Mont. Per-sonnel of the greater part of the new digment under the direction of J. G. Woodworth, vice-president in charge of traffic, has been previously published. J. B. Baird is freight traffic manager; A. M. Cleland, passenger traffic manager; Henry Blakeley, general freight agent; A. Tingling, general freight agent with headquar-ters at Seattle, and P. H. Fogarty, as-sistant general freight agent with headquarters at Portland. C. R. Lon-ergan, assistant general freight and passenger agent at Spokane, is named assistant to the vice-president, i at St. Paul.

Freight Rooms Being Added. General offices of the traffic deing building, where the passenger department has been since the establishment of the consolidated ticket office. Rooms will be added to pro-vide space for the freight department. A. D. Charlton is the dean of the pessenger traffic officials of the com-pany and of Portland. He has been with the Northern Pacific since the establishment of the office here 36 years ago, and has had an active part standing where important sections of the city have since been built. He has conducted a goodly number of presidents over the western lines of the system and remained diligently at his post through many uding two receiverships and the pelod of federal control. When the gov-Pacific coast passenger traffic mmittee was formed he was made airman. Under the direction of the offices at Portland, Seattle, Tacoma, her home city, for about 10 days, dur-Bremerton and Spokane were estab-lished and have been handled in a ment that she will be a democratic

Control Covers Large Territory. In his official capacity with the Company the territory under Mr. Charlton's control has included Cali-G. N. Smith. Mcrchant. Served ornia and Alaska, in addition to the Pacific northwest states touched by the lines of the company. The appointment as general passenger agen is a recognition of Portland as th Pacific coast terminal of the system pulte as much as it is a tribute to the ability of the official whose efficient service has been so long continuously devoted to the interests of the rail

RATE CHANGES DEMANDED

TRAFFIC LEAGUE SEEKS NEW FREIGHT TARIFF PLANS.

Regional Charges, Interchange REPUBLICANS TO GATHER Between Rail and Water Lines Among Recommendations.

ST. LOUIS, March 18.—Regional rallroad freight rates, joint water and rail rates and interchange of traffic between rail and water lines were demanded today at the spring convention of the national industrial traffic league, in session here. A resolution was adopted calling on

the interstate commerce commission to consider the railroads of the country as in three divisions, the southern.

Of the 296 delegates to attend the

road property all investments not must pay their own expenses on the used in the actual operation of the trip. roads be excluded.

Continuation of the present consolidation of express companies or any consolidation that tends to lessen competition, was opposed in a report

the Great Northern rallway arrived and departed from the North Bank station. Festerday service was resumed from the union station and will be continued from that terminal. The change was made Tuesday in accordance with an order for resumption of operation as it existed before tion of operation as it existed before the beginning of federal control, but was returned to the union station for the convenience of the public. The chasse returned to the union station for transfer of passengers and baggage between the two stations was an annoyance and where connecting trains. will be continued from that terminal. Will meet tonight at 8 o'clock in the armory. There is still room for a cardance with an order for resumption of operation as it existed before the beginning of federal control, but was returned to the union station for the convenience of the public. The transfer of passengers and baggage between the two stations was an among and where connecting trains were slightly belated coming in on other lines compelled a layover that were slightly belated coming in on and work on cases of stolen automo-other lines compelled a layover that biles beginning April 1, according to could be averted where the change announcement made yesterday by could be made from one train to the other on the same platform. G. W. Meldrum, assistant general passenger agent of the Great Northern, was a Portland visitor yesterday, looking Dartmouth I after the change of service. The union station timecard was not

Merchants of Salt Lake City May

Enter Portland Territory. Salt Lake City will make the first bid for extension of trade into the competitive territory of Portland, according to reports from Nampa and Boisc. It is said the business men of the Utah metropolis and Ogden are See Mr. Sema. Portland garage, 5th and Taylor. Mar. 600.

cursion train that will make stops at all the principal trade centers in Idaho and may come as fareas some of the eastern Oregon towns. This excur-sion is to take place in April, accord-

ing to the information brought to Portland by Idaho men this week. Plans for the trin of the Portland Chamber of Commerce into Idaho are before the excursion committee. Def-inite decision as to when it will be made is expected soon. Some business men had hoped to have it early in April in order to prevent an indefinite delay. The merchants of the trade centers to be visited are anxious to meet Portland business men in their own home towns, several of them having called at the chamber

CHARGES INVOLVE SHED

With Two Warrants. G. N. Smith, merchant, was served

with two warrants yesterday after-noon charging him with rebuilding a shed without a permit and with us-ing combustible material in his building contrary to the city ordinance. He was released on his own recognizance and will be given a hearing in the municipal court today. Smith is said to have rebuilt a shed 5 feet by 60 feet at 125 North Third

street without obtaining a permit for such construction work. He is also said to have covered the roof of the shed with other than non-combustible material.

Charges against Smith were pre-ferred by G. L. Thornton of the city building department.

The resolution recommended that in estimating the rate of income on rail-

sion Monday, when the railroad offi-cials are heard on rate changes.

WORK ON DIKE RESUMED At Wilson's Auction House 10 A. M.

Kelso Districts Reclaiming Land Along River Banks.

KELSO, Wash., March 18 .- (Spe The executive committee, in its report, favored joint water and rail rates and asked the government to compel the railways to interchange traffic with water lines the same as among themselves. The report, however, declared for free competition of beat operators without interference of federal or state bodies in the regulation of their rates.

KELSO. Wash. March 18.—(Special.)—The large dredge of diking district No. 1, which has been undergoing repairs at the Wilson shipyard at Astoria, was brought up the Columbia yesterday and is building a short piece of dike for district No. 10, west of Kelso. In a few days it will be taken to district No. 5, near Woodland, where it will resume diking operations. It will continue on that job till the project is completed.
