about the resignation were printed the same day as the full text of the master's report of Judge Frederic Kenzie was "filling in" as editor, as, Dodge of the supreme judicial court according to the church regulations in the Christian Science Monitor, the editor should be elected yearly Both commented on the report, one in June, but owing to the controversy being signed by the Christian Science within the church and certain legal board of directors and the other by secretary Ogden of the trustees. Edi-when his last official term expired, for McKenzie declined to publish both and he had continued as editor until of them in the Journal and Sentinel, and was backed in his decision by that of Associate Editor Mrs. Hoag and the rest of the editorial force The decision, Mr. McKenzie told Post reporter, was because he believed that no controversial subjects should be allowed in the organs of the church, and that the ideas upon which Mrs. Eddy founded the two publications-namely, as the message hearers from the Mother Church to the members-should be maintained Secretary Ogden of the trustees im-ediately took issue with the editors and demanded that both letters be printed in full. After long considera-tion and conference with his associconference with ate Mr. McKenzie sent the following letter yesterday morning;

you on Wednesday last, at the time when we were discussing the pubcompanying correspondence, you obbe carried through.

"Today I have decided, as editor, that the best way is the only right way. Consequently of the letters forwarded to me I have selected for pubscation only that one addressed to the members of the Mother church and signed by the members of the Christian Science board of directors. The editorial department is a unit in this decision and we have now sent forward our approved proofs. 'Very sincerely yours,

(Signed) "WILLIAM P. MCKENZIE.

"Editor. "David B. Ogden, C. S. B., secretary board of trustees, the Christian Sci-ence Publishing society, Boston, United States America.'

Editor's Order Overridden.

Immediately on receipt of Mr. Mc-Kenzie's letter, Mr. Ogden went to the offices of the Journal and Sentinel his orders the edition went to press and both letters will appear in dried ooth interes and appear in the current issues of the two publications.

Mr. McKenzie immediately wrote his resignation, a formal notice that

secretary for the periodicals, to take effect immediately.

I have hoped against hope that you

I have hoped against hope that you would listen to the counsel of those who love you and our movement, but am now satisfied that it is not longer possible for loyal Christian Scientists to go on under the conditions of perverted authority and total repudiation of the plain intention of the bylaws of the Mother church manual in connection with publishing society afection with publishing society af-

I am sure that the divine love which save us Christian Science will guide oyal Christian Scientists aright in their support of our movement and will "overturn, everturn, everturn, until ne come whose right

Sincerely yours, ELISHA B. SEELEY. The Journal, a monthly publication, ras established in 1885 by Mrs. Eddy as the official organ of the church, by which to reach the field and the church members. In 1898 the Sen-tinel was established to more easily reach the field and church member it being a weekly publication. Both publications, according to the manual and the dictates of the mother church, were to be strictly denominational, and for the purpose of giving the

the staff as associate editor in March Dissensions Held Serious

Mr. McKenzie told a Post reporter controversy that had raged for weeks that the decision of the editorial force between the editorial force of the Journal and the Sentinel and which brought world-wide cancellations of church and private subscriptions to the two periodicals among the church According to a detailed account of dissension all through the church over the attitude of the trustees According to a detailed account of the occurrence published in the Boston Post, with these three resignations, the editorial force openly aligned themselves with the mother publications of the Christian Science

board of directors in the battle which has been before the courts of Massachusetts for decision.

The resignations, tendered to David B. Ogden, C. S. B., secretary of the board of trustees, came directly as a result of his demand that three left directors of the Monitor are said to have been greater, since it is generally understood that the editorial directors of the Monitor wide with the

printed in full in the Journal and States cancellations have literally entinel.

Secretary Seeley, in his letter to the Journal office in numbers that have
