Everyone was so well pleased with this special last week that we have de-cided to continue the special offer until Saturday night, MAECH 27.

People seem to know that when they get a used car here that they get the maximum value—that we have gone the limit—that nothing anywhere else can beat it—and that when we offer anything "extra special," such as above quoted, that it is just like finding it.

Another thing: Everyone also know Another thing: Everyone also that the motoring season is approaching very rapidly—that the demand for used cars of the high standard set by us will increase accordingly and that the price will likewise go up and up as the demand gots keener.

No matter what kind of a car yo want-if it is used and dependable, you' find it here at our big East Side Use Car Department.
