Get Out Your Idle Flashlight

SEARCH your cupboard drawers, rummage through that space by the cellar stairway; perhaps you'll find it—in the sewing machine, atop the medicine chest...

Wherever it is, get it out—take it down—have it filled—take it home—PUT IT TO WORK!

Remember how useful your Daylo was when you first bought it? You need it worse now than you did then.

This is Daylo Battery Week. The idea is to put every idle Daylo and flashlight back on the job of making it easier, safer and surer to go into and look into dark or dimly lighted places.

Eveready Tungsten Batteries fit all flashlights. They better every flashlight into which they're put—make it more useful—because they're the most power-full, longest-lasting, peppy batteries made.

Business houses don't scrap a typewriter because it needs a new ribbon. Don't you lose the valuable services of your Daylo just because it needs a battery.

COMING—Another Eveready Contest

\$10,000.00 in Cash Prizes \$5,000.00 First Prize \$1,000.00 Second Prize 102 other Prizes, \$50.00 to \$10.00. Ask your dealer for details.

DAYLO DEALERS will display This Sign in Their Stores and Windows Throughout DAYLO BATTERY WEEK.

THIS WEEK Get out your idle 'flash-light' and load it with a fresh, powerful Eveready Tungsten Battery.
