The usual policy of automobile desi-ers—and our customary policy—in disposing of used cars, is to put them into good mechanical condition, paint them up, and sell them at a profit. This generally speaking is good business policy, because it is hard for some people to viscalize the possibilities of improvement in ANY article.

But we're up against it now—and must submit to

BUICK BI Never before has there existed, in our experience, such a situation as exists at the present time. Never before have you had the oppor-tunity to pick up a used car at such an advantage in every way. We simply cannot get around to doing the necessary mechanical work on the used cars on hand, although we have tried and tried for weeks. Last January we planned to get started on the work of overhauling and put-ting into perfect shape all our used cars. The rush of work ahead in our shops postponed it from day to day, until
