Alldredg, 25: "The Great Unknown," by the great unknown, who will not be revealed until after the opening of the show. The show is described as being a masterpiece of dramatic writing, and promises to be a great success.

MEN'S COATS FOR SALE

Puccini, 20: "The Great Unknown," by the great unknown, who will not be revealed until after the opening of the show. The show is described as being a masterpiece of dramatic writing, and promises to be a great success.

CAR AND DRIVER ARE ONE

Great is the responsiveness of the Dual Valve Six Pierce-Arrow. So much less effort is needed to tell it what to do—so much less time elapses before it does it—it seems as if car and driver were one. The car responds more quickly; it steers with a lighter touch; its gears are shifted with less effort. All the controls between driver and car are made closer, easier and quicker.
