

'PLAY BALL' WILL BEGIN TODAY

Eighteenth Annual Coast Season Opens.

PORTLAND AT SALT LAKE

Ceremonies of Former Years Omitted—League to Combat Gambling Evils.

SAN FRANCISCO, April 5.—The Pacific Coast Baseball league will swing into its 18th annual season tomorrow on four diamonds in California and Utah.

Tomorrow's schedule is: San Francisco vs. Vernon, at San Francisco; Oakland vs. Los Angeles, at Los Angeles; Seattle vs. Sacramento, at Sacramento; Portland vs. Salt Lake, at Salt Lake city.

Weather Favors Games. Fair weather was predicted tonight by the United States weather bureau for the opening games at the three California cities, but low temperature was forecast for Salt Lake city.

The downtown parade of baseball players and other ceremonies that marked the opening days of former years have been dispensed with this year, according to W. H. McCarthy, new president of the league, who will pitch the first ball here to Chief of Police D. A. White.

Gambling to be Eradicated. "The coming season looks like the greatest in the history of the Pacific coast league," said President McCarthy tonight. "My principal aim will be to eliminate gambling and evil. I have the promise of the support and co-operation of the chiefs of police of every city in the circuit to aid me in the crusade."

RAIN DELAYS SEMI-PROS

CLASSIFICATION TO BE MADE AT GAMES SUNDAY.

Former Baby Beavers, Now Peninsula Grays, to Form Team and Join League.

With every ball field in town resembling a duck lake the practice games that had been scheduled between the various semi-pro teams through the efforts of the officers of the Portland Baseball association on Sunday were postponed. It had been the intention of the officers of the association to visit every field Sunday for the purpose of giving the bush teams the double-O so that the committee on classification would have something to work on when it came time to place the teams in the different classes, or divisions.

Due to the inclement weather all the games were postponed and the same schedule of practice games will be carried over to next Sunday. Some of the games are expected to be under conditions that are right, as the teams are anxious to make a favorable showing in the classification committee in order to draw a class AA assignment.

The regular weekly meeting of the Portland Baseball association will be held Thursday night at the usual place in the Multnomah Guard club rooms on the corner of Commercial and the Chamber of Commerce building.

The latest team to decide to enter the proposed league is the Peninsula Grays, known as the former Baby Beavers. The Peninsula Grays will hold their first meeting of the season Wednesday afternoon at Carter's hall, at which time a manager will be elected. A practice game is being arranged for Saturday afternoon with the Portland Iron Works nine on the Columbia Park field at 1 o'clock. The Grays will have a representative present at the meeting of the Portland Baseball association Thursday night. If the team is able to line up some of the best players pastured under the name of the Baby Beavers they will have a fast aggregation of toppers, as the Baby Beavers reigned supreme in semi-pro circles for several seasons.

Ed Thompson, one of the best pitchers ever developed in interscholastic circles in recent years, is going to east his last season with the Grays again this season. In 1918 Thompson pitched the Franklin high school nine to the championship of the interscholastic league in so doing hung up a record for other scholastic slabsmen to shoot at for some time. The former mascot pitcher, while working on the mound for the Quakers, hung up a record of 111 strikeouts in eight games. Last season he pitched great ball for the Cedehans.

MEEHAN BEATS ROBERTS

Californian is Aggressor in New Jersey Heavy Bout.

NEWARK, N. J., April 5.—Willie Meehan, of California, outboxed Al Roberts of New York in an eight-round bout here tonight. Meehan, who weighed 195 pounds, 20 pounds more than his opponent, was the aggressor throughout.

Clay Turner of Madison, Wis., substitute for Al Weisner of Newark, defeated Ole Anderson of Seattle in an eight-round contest. Turner weighed 172 and Anderson 185.

Gene Tunney of New York, light heavyweight champion of the American expeditionary force, knocked out C. O. Sullivan of New York in the first round. Tunney weighed 175 pounds and Sullivan 170.

Moran Beats Cowler in London.

LONDON, April 5.—Frank Moran of Pittsburg tonight beat Tom Cowler of Cumberland in a 15-round fight. Moran won on points. Cowler took his place of Arthur Tunney, light-heavyweight, who had met with an accident.

Lawler Wins by K. O.

ST. LOUIS, April 5.—Jack Lawler of Omaha knocked out Young Chaney (Chris Burkhardt) of New Orleans in the third round of an eight-round bout here tonight. They fought at 130 pounds.

Shanghai dispatches in December, 1917, reported that the former Austrian steamer Silesia had been assigned to Hoover's command when it carried Czechs from Vladivostok to Trieste and Italy claimed the ship by virtue of having belonged to a former Austrian line which was taken over with the occupation of Trieste and ousted the crew.

China has declined a proposal to arbitrate respecting the status of the Silesia and the two other ships, except upon restoration of the detained steamer.

Hoover Far in Lead Among Democrats, According to Poll of Sun and New York Herald.

PROVIDENCE, R. I., April 5.—Condemnation of the "marked socialism of President Wilson" and warning against the "trend toward nationalization of industries" suggested by his partiality to the Soviet plan, were voiced today at the republican state convention by Representative Simon Fess of Ohio.

Socialism Is Condemned. "The republican believes that the progress of a nation depends upon the freedom of initiative in the exercise of talent in invention and discovery," the speaker said. "He condemns the marked socialism of President Wilson, who under the stress of war has extended government activities to cover all productive agencies and who has called to Washington the strangest polyglot of socialists ever invited into positions of responsibility."

The state and district conventions held at the same time elected an unprecedented delegation of ten members to the national convention without opposition. Governor Beesckman headed the four delegates at-large.

Platform Planks Constructed. The platform declared for ratification of the peace treaty with "such reservations as will favor America," favored a large merchant marine, restriction of government expenditures, an adequate standing army, with a citizens' reserve, and equal suffrage.

Discussing the cost of living, the platform "increased production, stimulation of enterprise, checking private extravagance and waste and reduction in public expenditures are a national necessity."

ROAD CONTRACTS PLAGED

WASHINGTON JOBS INVOLVING \$379,251 AWARDED.

Bids on Several Sections, Material Higher Than Estimates, Rejected by Board.

OLYMPIA, Wash., April 5.—(Special.)—Three concrete paving contracts totaling \$379,251 were awarded by the state highway commission today. Bids on two grading jobs were rejected. The contracts awarded included:

Paving two miles of the Pacific highway from the Lewis county line to Grand Mound, to T. M. Morgan of Portland. The estimate on the work was \$64,570.

For grading, draining and paving with concrete three miles of the Pacific highway in Snohomish county from Maryville north. The contract was let to the Independent Asphalt company of Seattle for \$137,582. The estimate was \$101,956.

For paving 5.7 miles of the Inland Empire highway in Yakima county from Donald to Yuma. The contract was awarded to E. M. Yarka of Yakima for \$223,271, the estimate being \$218,660.

Bids rejected were for clearing and grading four miles of the Olympic highway in Grays Harbor county from Montezano to Brady. The estimate for the job was \$41,987 and the lowest bid was \$54,636.

For clearing and surfacing 1.5 miles of state road No. 5 from Randle west in Lewis county the lowest bid was \$24,452 and the estimate \$33,769. All bids on this work were rejected.

Admiral Wilson Declares That Worthless Force Is Given to Fletcher at Brest.

WASHINGTON, April 5.—Vice-Admiral Sims, commander of American destroyers' forces in European waters during the first year of this country's participation in the war was severely criticized today by Admiral Henry F. Wilson, commander of the Atlantic fleet, in testimony before the naval committee of the House of Representatives. Wilson declared that the destroyers "worked only one way" and "wasted mileage" in a long trip back to Queenstown for refueling. If originally based at Brest, he declared, these destroyers could have worked "both

QUEEN BLAMES HUNS FOR SOVIET MARRIAGE

Girl Is Ambitious, Declares Marie of Roumania.

PRINCE SEES 'FOLLY' NOW

Charles Accepts Mission to Japan; Statement Made to Set World Aright.

BUCHAREST, Roumania, April 5.—(By the Associated Press.)—It was German agents who maneuvered and brought about the marriage of my son Charles," said the queen of Roumania recently in speaking of her marriage to King Ferdinand, which took place in September, 1918, between Crown Prince Charles of Roumania and Zysla Lamelino, a young woman who is said previously to have had little social rank or wealth.

The queen requested the correspondent to give her explanation of the marriage, owing, as she said, to there having been many untrue reports of the action of herself and King Ferdinand, who, she declared, had been pictured as tearing asunder a loving couple.

"I am convinced it was not a case of true love except on the side of the prince," she said. "I have never seen the girl except at public balls. She is not pretty, but she succeeded in capturing the affections of Charles, who is intelligent and ambitious. She saw her chance to obtain a great advantage and she took it."

"However, it is against the public policy of the country to have a member of the royal family intermarry locally and thus become mixed in party intrigues. It was against this that the country sought a foreign king and he promised to forego his personal wishes for the benefit of the country. Nevertheless the marriage took place at Odessa, aided by Germans, and the queen is angry at the king, both under the laws of Roumania and of old Russia, as no banns were published.

"Later Charles joined his regiment, which he was compelled to do under military discipline, and went to Budapest with our queen. Among the patriotic Roumanians, he saw his duty and realized how foolish he had been to lose his country for a girl. Lately he has accepted a mission to Japan, where he will stay six months. Should the girl marry another person she would be disgraced in the eyes of her people."

Queen Marie aspires to be considered the mother of the country and she has royal prerogative. Despite her five years in the throne during the most troubled time in the world's history, she preserves her youthful smile.

JOHNSON ATTACKS TREATY

Hoover Is Called "Candidate Running on All Tickets."

NEWARK, N. J., April 5.—Senator Hiram W. Johnson of California opened his New Jersey campaign for the republican nomination for the senate, with an address here tonight in which he renewed his attack on supporters of the peace treaty. Lots of Charles are having a mission to Japan, on the treaty," he said. "They are now saying 'let us accept the reservation' because they have come to this conclusion is that they don't want the people to pass on this infamous document, but in one way or another the American people are going to pass on it this year."

Senator Johnson referred to Herbert Hoover as a candidate who is running on all tickets.

Washington Commissioner Introduced as Possible Governor.

CHEHALIS, Wash., April 5.—(Special.)—When George R. Walker introduced State Land Commissioner Clark W. Savidge of Olympia as a possible future governor of the state, he said that he was going to run on all tickets.

WHEAT GROWERS CALLED

Washington-Idaho Conference to Discuss Price Guarantee.

SPOKANE, Wash., April 5.—Wheat growers of eastern Washington and northern Idaho will meet here today to discuss continuation of the government price guarantee. It was announced today by A. D. Cross, secretary of the Spokane county farmers' union.

He said he was sending invitations to 150 local farmers' unions in that territory asking that they send representatives. A delegation may be named, he said, to the conference of wheat growers on the wheat guarantee at Kansas City, April 22.

TWO MILLS BEING BUILT

Match Company Purchases \$300,000 Worth of Timber.

SPOKANE, Wash., April 5.—The Diamond Match company of Spokane has purchased approximately \$500,000 worth of timber land in Pend Oreille county, Wash., and will build two mills to cut the timber.

One of these mills will be built about six miles north of Ruby, Wash., and the other about 10 miles north of Ruby. The estimated cost of the two mills is \$1,000,000 and the flumes and other outlay connected with the equipment will make an additional investment of at least \$100,000.

ASHLAND CLUB INDORSSES MILLAGE.

CHINOOK STARTS FLOODS

STREAMS IN WALLA WALLA VALLEY RANK FULL.

Warmer Weather Rapidly Melts Snow in Mountains—Cold Spell Has Caused Some Loss.

WALLA WALLA, Wash., April 5.—(Special.)—A chinook hit the Walla Walla valley late last night, sending the mercury upward and rapidly removing the snow from the mountains, ending the unseasonal cold spell which has worried farmers and gardeners. Mountain streams throughout the valley are running bank-full, and along the Yellowhawk some damage was done by water backing up and overflowing from the mountains. The lambing season has started and the lack of grass or trees with result in the loss of many lambs, owners say. Estimates are for 50 to 75 per cent of the lambs to survive. The break in the weather will relieve the situation somewhat, however, but many sheepmen claim it came too late.

LOGGERS NEED MAGAZINES

APPEAL MADE TO FILL DOWNTOWN COLLECTION BOXES.

Contributions Slow Now Declares Captain Anderson—Good Literature Is Wanted.

This year the 50 bush boxes on street corners downtown, placed there by the Anderson system to collect books and magazines for the lumber camps, are being filled slowly and Captain John Anderson has renewed his appeal for more interest in the movement. The contributions are taken to a store at 328 Burnside street, where they are sorted and prepared for shipment. Many logging camps are depending on the regular arrival of these boxes for their reading material. Last year 535 shipments were sent to 122 logging camps.

Captain Anderson's idea is to use good literature to combat bolshevism. In order to keep in closer touch with the loggers and others in isolated places, Captain Anderson last year had the books and magazines sent slowly and Captain John Anderson has renewed his appeal for more interest in the movement. The contributions are taken to a store at 328 Burnside street, where they are sorted and prepared for shipment. Many logging camps are depending on the regular arrival of these boxes for their reading material. Last year 535 shipments were sent to 122 logging camps.

The Anderson system is in its fourth year of existence and has worked unaided and without the financial backing of any organization.

CARS GETTING SCARCER

Curtalement of Industry Threatened Unless Situation Relieved.

SPOKANE, Wash., April 5.—That the freight car shortage in the Pacific northwest has reached the point where the industries of these states will be seriously curtailed unless relief is forthcoming, is the statement made today by L. S. Case, manager of the Weyerhaeuser Sales company, agent for 11 large lumber mills, six of which are in the Inland Empire.

"The lumber industry is very seriously affected and the industries are beginning to feel it more and more," declared Mr. Case. "Some relief must be done to relieve this situation or business in this part of the country will be hit very hard. Less than 50 per cent of the cars are available."

Don't Blame "Spring Fever"

For That "Down-and-Out" Feeling

Your Blood Needs a Thorough Cleaning Just Now.

As Spring approaches the impurities that have been accumulating in the system throughout the winter begin to clog up the circulation, causing a general weakness and debilitated condition that is generally known as "Spring fever."

The first symptoms are usually a loss of appetite, followed by a gradual lessening of energy, the system becomes weaker day by day, until you feel yourself on the verge of a breakdown. Children just at this season are peevish and irritable, and become puny and lifeless.

This whole condition is but the result of impurities in the blood that have been accumulating and make themselves felt more distinctly with the change of seasons. They show that nature needs assistance in giving the system a general housecleaning.

Everybody just now needs a few bottles of S. S. S., the great vegetable blood remedy, to cleanse it of impurities. It costs only 50c a bottle, but it gives them new strength and puts their system in condition so they can more easily resist the malarial germs so prevalent in summer. S. S. S. is without an equal as a general tonic and system builder. It improves the appetite and gives new strength and vitality to both old and young.

A Well-known Man

Dr. Pierce of Buffalo, N. Y., the celebrated physician, known throughout the entire civilized universe because of his many years of successful medical practice, once said:

"At this time of year most people suffer from what we term 'spring fever' because of a stagnant condition of the blood, because of the toxins (poisons) stored up within the body during the long winter. We eat too much meat, with little or no green vegetables."

Blissless people, thin, anemic people, those with pale cheeks and lips, who have a poor appetite and feel that tired, worn or feverish condition in the springtime of the year, should try the refreshing tonic powers of a good alternative and blood purifier. Such a tonic as druggists have sold for fifty years, is Doctor Pierce's Golden Medical Discovery. It is a standard remedy that can be obtained in tablet or liquid form. Made without alcohol from wild roots and barks. If your druggist does not have the tablets send 10 cents for trial package to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

Ask your neighbors, they have tried it!

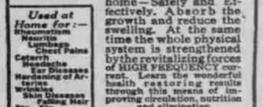

BEAVERTON, OREGON.—"I was taken very sick with a bad case of liver trouble and indigestion, and had a severe case of catarrh, of long standing. I doctored and doctored, but was no better than when I began. I almost gave up but happened to think of my mother's being cured of a bad case of skin trouble with Dr. Pierce's Golden Medical Discovery, so I wrote to Dr. Pierce, and at his advice I took the 'Golden Medical Discovery' and the 'Pleasant Pellets,' also used Dr. Sage's Catarrh Remedy, and was cured. I have a son and a daughter that were also cured of the worst chronic coughs by taking the 'Discovery.' My family cannot praise this medicine too highly."—MRS. CAROLINE BOLES, Box 363.
