UNCLE SAM REALLY CREDITOR OF ROADS

Millions Expended, but at Corporations' Expense.

FEDERAL RULE REVIEWED

Popular Belief Regarding Government War Outlay Refuted by Northern Pacific Officials.

"Despite the wide-spread contrary end a cent on the railroads, for quipment, improvements, betterment, except at the expense of the corporations," asserted W. H. Tyler, vice-president of the Northern Pacific system, in charge of racific system, in charge of opera-tion, in a discussion yesterday of the transition from public to private con-

Headed by J. M. Hannaford, presi ent of the system, a large party of orthern Pacific executives arrived in Portland yesterday morning, and spent the day inspecting the company's interests in this city. The visit is the first tour of inspection since the return of the line from government control.

various cities from which the execu

ection tour is as follows: J. M. Hannaford, president, St. Paul, Minn.; W. T. Tyler, vice-president in charge of operation, St. Paul; J. G. Woodworth, vice-president, in charge of traffic, St. Paul; A. M. Cleland, passenger traffic manager, St. Paul; A D. Charlton, general passenger agent, Portland; F. H. Fogarty, as-sistant general freight agent, Port-land; George T. Reid, assistant to president, Tacoma, Wash.; J. M. resident, Tacoma, Wash.; J. M. Lapelje, general manager, St. Paul; L. C. Blanchard, assistant general manager, Tacoma; I. B. Richards, general superintendent, Tacoma; H. E. Stevens, chief engineer, St. Paul; L. M. Perkins, assistant chief engineer, St. Paul; H. M. Curry, mechanical superintendent, St. Paul; W. J. Bohan,

prekeeper, St. Paul.
"In dealing with the present situation," said President Hannaford, "we find the most difficulty and impatience manifest on the part of lumthat had the most equipment at the cached in the store. close of government control are ex-ercising all ingenuity to hold on to the car shortage becomes less

Serious Condition Faced.

ment was added to the lines. During 1915 construction was normal again. But in 1917 it slackened, owing to the shortage of material and labor, and during the 26 months of governmental control only 100,000 cars' were added to the equipment of the roads.

The chinook division will consist of all entries south of the river. The war department is furnishing an airplane, with Major Smith, an experi-"We are confronting a condition, at a theory. If all the money in world were available, the roads couldn't wave a magic wand and re-place those cars—the deficit of four

The situation for early replenishment is not encouraging, because of the shortage of material still prevailing. The steel strike threw the output behind, and then the coal strike pushed it further to the rear. The roads are three years in arrears in car construction, in replace-ment alone, to say nothing of meeting the demands of growth.

public must recognize that condition, and admit that it is not the fault of the railroads or of the government.

"It is often said that the government took over a lot of worn-out properties, rehabilitated them at public expense at a cost of \$1.700,000,000. lic expense-at a cost of \$1,700,000,000 and then returned them to their

U. S. Preferred Creditor.

"The truth is that not a dollar was so spent by the government on the railroads. Before any work was done

terial, while the increase in wages has been 106 per cent. Contrasted with these advances in operating ex-pense, the increase in rates has been but 25 per cent. To be exact it has been 22.5 per cent.
"The director-general had to choose

between increasing rates or operating at a deficit—the latter to be met ulti-mately by taxation. He chose the second plan, because he felt that the cost of materials would not be per-manent and hesitated to increase rates on that basis.

Public Patience Urged. "With respect to the Northern Pa-cific system we find, on this trip, that the railroad has been well main-

OREGON CITY, Or., April 5.—(Spethat the railroad has been well maintained as to lines and service, but it has not had applied to it the rails, the same that applied before federal control. It will take time to bring the maintaneous back to standard and to regain certain ground lost during the war period of government control. The prober of the search of the police there to have within the product of the roads at this period. They have lost ground through no fault of their own, or of the government, but in the general service of the maintaneous hould be given them for adjustment of their affairs.

President Hannaford said that the proposal to transfer permanently the trains of the Spokane, Portland & Seattle line to Union station, instead of the North Bank, met with his approval and would unapathed; the spontal and

of the North Bank, met with his approval and would undoubtedly be favorably considered should the pro-

HIGH SCHOOLS ADMITTED

NORTHWEST ASSOCIATION TO ACCEPT STANDARDS.

Some Institutions in State Must Conform to Certain Requirements Before Receiving Indorsement.

SALEM, Or., April 5 .- (Special.)-Graduates of any high school in Oregon accredited by the Northwest Association of Secondary and High schools may be admitted without condition to any college or university un der the jurisdiction of the North Cen tral Association of Colleges and Secondary schools, according to E. F. Carleton, assistant state superintend. ent of schools, who returned here to-day from Spokane, where he attended the annual conference of the Inland

Empire Teachers' association.
This association had at Spokane its representative Dr. A. A. Reed the University of Nebraska, who a tended all the sessions of the nort west association, for the purpose determining whether the standards determining whether the standards of the association were sufficient to be recognized by the North Central. Before leaving on his return to Ne-braska Dr. Reed authorized Mr. Carle-ton to report that he could recom-mend affiliation of the two associa-tions and that there was no doubt tions, and that there was no doubt but that the North Central would act favorably upon his recommendation. Schools unqualifiedly accredited by

the association this year are:

the association this year are:

Newberg, The Dalles, La Grande, Grants Pass, Marshfield, Ashland, Corvallis, Eugene, Baker, Bend, McMinnville, Klamath county high school and Jefferson high school, Portland.

Ten other high schools of Oregon were given 30 days in which to complete their work reports. Oregon was especially honored this year by having Hopkin Jenkins, principal of Jefferson high school of Portland, named as president of the Northwest association.

High schools unqualifiedly accredited from the other northwest states follow:

Montans—Sweet Grass county high school, Billings, Butte, Gallatin county high school, Tetou county high school, Jefferson county high school, Beaverhead county high school, Glasgow, Great Falls, Hamilton, Havre, Helena, Missoula county high school, Granite county high school, Roundup, Bradwater county high school, Roundup, Bradwater county high school, Washington—Cheney, Pullman, Whatcom, Pomeroy, Edmonds, Walla Walla, Hoquiam, Stadium (Tacoma), Everett, Broadway (Seattle), Wenatchee and Olympia.
