FACTS WORTH KNOWING. We do not ask you to buy our cars as we take them in. If we did we would have too many enemies. Our great pride is to have satisfied owners, and the only way to have them is to sel them a car that we are not afraid to give a written guarantee, the same as comes on a new car, because every carwe sell is thoroughly gone through, new parts put in if needed, every working part olled and greased. The reason we can do this is because we do most of our own work, and we are satisfied with a reasonable profit.

We are not amateurs in this business we know what we are buying and w know how to make them run and loollke new. We never have a dissatisfie owner.
