CHIEF DISMISSES SIX

Shake-Up Is Part of General Housecleaning of Bureau.

MANY TRANSFERS MADE

Changes Declared Part of an Effort to Get Greater Efficiency Out of Patrolmen

As part of the general housecleaning now going on in the police bureau, Chief of Police Jenkins yessix patrolmen from the service. The chief also issued an order making Various changes in the personnel of the different departments and reliefs. The changes, he announced, were all in the effort to get greater efficiency. J. S. Smith, the police officer whose revolver shot and killed Wayne Cason last Sunday while a party of patrolmen were trying to put Cason in a cell at the police station, was one of the six dismissed by the chief. Smith was the patrolman who first placed Cason under avvest and the authori-Cason under arrest and the authoritles considered that it was his failure to handcuff the prisoner and call the patrol wagon which was partially responsible for the tragedy.

Patrolman Is Suspended. Patrolman O'Hailoran, who admitted striking Cason over the head with his

club during the fracas in the lobby of the police station, has been sus-pended and his case will be taken up before the civil service board. J. A. Holden, another of those dis-missed, was recently up before the police efficiency board in connection

keep to the day relief and will serve as auto mechanician in place of H. M. Nutter, who will be assigned to general police work under Captain Moor of the day relief. P. B. Corder is assigned to drive the patrol auto in place of E. L. Nelson. C. L. Spaugh is assigned to drive the motorcycle side car and also serve as relief driver. Charles

Foster is to take the place of J. E. Long as assistant jailer for the first night relief. L. Abbott is to report to Captain Harms of the flying squad-ron in place of L. E. Culling, who will in turn report to Lieutenant Thatcher of the auto theft bureau. Captain Harms of the flying squad-ron and the second night relief will transfer two patrolmen from his relief to Captain Inskeep of the first night relief to fill vacancies, also one patrolman to St. Johns in place of J. A. Holden, who has been dismissed.

REED AIDES RECOGNIZED

Why the flavor doesn't vary -

It is remarkable that twenty-four kitchens can co-operate so closely that the quality of Tillamook Cheese does not The cheese in every vat is tested before it leaves the kitchens and unless the highest standard is reached. Tillamook is not placed on the rind.

Tillamook is so good in flavor because of its creamy richness. It is high in food value and will reduce the cost of living materially if substituted for meats and eggs on your menus. Five quarts of full cream milk are used in making a pound of Tillamook Cheese. Delicious souffles, egg omelettes, pota-

toes, macaroni and cheese and other every day dishes will be improved by the use of Tillamook Cheese — and melted Tillamook Cheese on toastoh, how good!

The best grocers everywhere sell Tillamook Cheese-by the slice or in 6 and 14 pound sizes.
