HUGHES FUNERAL TODAY

SERVICES FOR LATE BISHOP ARE IN FIRST CHURCH. People Asked to Avoid Rush by Viewing Remains While Lying in State This Morning.

Funeral services for Matt & Hughes, late resident bishop of Oregon, Methodist Episcopal church, who died last Sunday in Cleveland, O., will be held at 1:30 o'clock this afternoon in the First church, Twelfth and Taylor streets. Dr. William Wallace Young, superintendent of Portland district, chairman of the committee on arrangements, last night issued a statement to the effect that as many as possible of those wishing to view the body should do so between 10:30 A. M. and 1:30 P. M., as it lies in state. Otherwise the crowd will be so large that all will not be able to get into the building.

The Masons and Methodist clergy will be in charge of the funeral, all branches being represented. Final services at the Portland crematorium, 1215 P. M., will be held at the residence of the late bishop, 1215 P. M. The body will be in charge of Bishop C. C. Mitchell of St. Paul and Dr. E. C. Hickman, pastor of Wilbur church, Portland.

A memorial service for Bishop Hughes will be held tomorrow in Pasadena, where he was the pastor of First church when he was elevated to the episcopacy in 1916. Adna W. Leonard, bishop of California, will have charge, assisted by Bishop Herbert Welch, Los Angeles pastor, and laymen will participate.

Hundreds of letters and telegrams from all sections of the country have poured into the family of Bishop Hughes here. One from the congregation of Pasadena church, signed by Marie N. Smith, and another from the Scottish Rite Masons of Pasadena, signed by W. W. Ogier, secretary, are typical of these.

The following is from the Pasadena church: "Our Easter morning congregation learns with inexpressible sorrow of your sudden bereavement. We pray that the God of all comfort may sustain you, your children and his mother in this trying hour. You have the heartfelt sympathy of this great congregation, to each of whom Bishop Hughes was very dear."

The Pasadena Masons wired as follows: "The Ancient and Accepted Scottish Rite Masons of Pasadena, being assembled at the temple for Easter services, learned with great sorrow of the death of your honored and beloved husband and father, and unanimously passed resolutions expressing to you our sincere sympathy in this time of great grief. We trust and pray that the blow, though heavy and sudden, may find you so entrenched in the faith of our fathers, the faith of Brother Matt Hughes, as you will be sustained and comforted. All Masons join in expressions of esteem and love for Brother Matt Hughes, and we so delighted to call him. His wise and helpful words will always abide with us as an inspiration to larger and better living. Expressions of sorrow, esteem and sympathy are heard on every hand. These expressions are both hearty and sincere. May the Lord of Hosts be with you."

YESTERDAY before the Portland Realty Board at its regular weekly luncheon, Professor Morton was introduced by Webster L. Kincaid, who was chairman of the day.

Failure to pass the measure, said Dean Morton, will mean that the attendance at the university will have to be cut down from nearly 2000 to 1200. The cost of higher education per student is less in this state than in any state in the union, he declared, according to the report of the United States department of education. The tax measure, if passed, will enable the expansion and development of the higher institutions along necessary lines.
