FRENCH MEDAL AWARDED

Mrs. W. J. Burns Receives Token of Gratitude for War Work.

Accompanied by a citation expressing the gratitude of the French republic and signed by the minister of foreign affairs, a medal of a beautiful design, attached to a white ribbon and stamped with red, white and blue, was received by C. Henri Labbe, local consul, to be presented to Mrs. W. J. Burns, well-known society matron, as a token of appreciation of the work which she did during the war in making surgical dressings.

Mr. Labbe presented the medal to Mrs. Burns on the eve of her departure for Europe, where, if possible, she will visit the land of the people for whom she did so much during the great conflict. About 90 per cent of the dressings made in the Spaulding building under her supervision went direct to the French stations.

We wish to express our sincere gratitude to our many friends and neighbors for their many kindnesses and sympathy during our recent bereavement.
