GREATER PROTECTION FOR FORESTS URGED

Lumbermen in Session Outline Policy Measures.

FEDERAL AID IMPERATIVE

Movement Started for State Legislation, Private Co-operation and Congressional Assistance.

State legislation and private co-operation to save the forests from destruction with greater congressional appropriation for fire-fighting and prevention measures...

Local problems of the west, from the standpoint of the timber industry, are being discussed at a gathering of lumbermen representing the six northwestern states...

Policy Measures Adopted. The gathering went on record in support of the following measures as a policy for future activities:

Classification conducted jointly by state government and lumber industry of forest lands and types with a view to determining areas suitable for growing further forest crops...

Measures for state acquisition and management of such outcrop lands as shall be found chiefly suitable for forest growing by the state.

Laws for the taxation of cut-over land which shall provide for an annual tax on the land only and the imposition of an adequate tax on the crop when cut, thereby encouraging reforestation of private holdings.

Support of more liberal federal appropriation for fire prevention in co-operation with the states.

Creation of strong forestry departments in states where such do not already exist.

Action was taken for the organization of state committees in Washington, Idaho and Montana to take with state officials the recommendations adopted...

The national forest policy, which was adopted by the gathering in the shape of 12 "commandments" will be presented by E. T. Allen for congress at the second American Lumber Congress at Chicago, May 15.

This program is being subscribed by my friends and neighbors in my home city of Marion, O.

The well organized campaign in Ohio is necessitating the expenditure of considerably more than \$25,000 in its details. The bill recently proposed by Senator Borah would hardly be sufficient.

Among those who attended the Portland gathering were: Huntington Taylor of Coeur d'Alene, Idaho, representing the Idaho Timber Association and the Western Pine Association; J. J. Donovan of Bellingham, Wash., and George S. Long, Tacoma, Wash., for the Washington Forest Fire Association and the West Coast Lumbermen's Association...

The above were all members of a committee on forest policy appointed at the last October annual meeting of the Western Forestry and Conservation Association.

Publication of this remarkable story has just begun. The May installment delineates the life of young Hoover in Oregon.

WAS TAKEN INTO CUSTODY, pleaded guilty today in police court to violation of the prohibition law, and was fined \$200.

MOONSHINE BRINGS \$200 FINE. BEND, Or., April 16.—(Special.)—While carrying some 100 gallons of moonshine whiskey last night, Louis Peterson of this city walked past Patrolmen Nixon and Swift. He was taken into custody, pleaded guilty today in police court to violation of the prohibition law, and was fined \$200.

FAINTING AND DIZZY SPELLS. The Cause of such Symptoms and Remedy Told in This Letter. Syracuse, N. Y.—"When I commenced the Change of Life I was poorly, had no appetite and had fainting spells. I suffered for two or three years before I began taking Lydia E. Pinkham's Vegetable Compound and Liver Pills which I saw advertised in the papers and in your little books. I took about 12 bottles of your Vegetable Compound and found it a wonderful remedy. I commenced to pick up at once and my suffering was relieved. I have told others about your medicine and know of some who have taken it. I am glad to help others all I can.—Mrs. R. E. Demaree, 437 W. Lafayette Ave., Syracuse, N. Y.

For Bad Breath. Costed Tongue, Biliousness, Sour Stomach, Sick Headache, Bloating, Gas, Constipation, or other result of indigestion, no remedy is more highly recommended than FOLEY CATHARTIC TABLETS. They cause no griping or nausea. Cleanse the bowels, sweeten the stomach and benefit the liver. Never disappoint.

52¢ How would YOU like a raise like this? FIRST NATIONAL BANK Pay to the order of Rev. N.E. Pastor Only Fifty Two Cents Each Church Member

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours. But he is paid on the average just 52 cents more per church member than he was paid 34 years ago. The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all. But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it. But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

We Pay Him Half the Wages of a Mechanic 8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic. And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can make.

INTERCHURCH WORLD MOVEMENT 45 WEST 18th STREET, NEW YORK CITY The publication of this advertisement is made possible through the cooperation of 30 denominations.

Myrtle Point Bill Reported. OREGONIAN NEWS BUREAU, Washington, April 16.—Representative Hawley's bill authorizing the city of Bend, Ore., to purchase 120 acres of the Oregon National Forest for the protection of the municipal water supply was reported favorably from the house public lands committee today.
