URTON NOT GRATIFIED

Thite House Incorporated" Said Be Controlling Influence in Disposing of Patronage.

t should have the privilege either ecepting or declining before their dropped into the senate er. Mr. Burton, since he failed to be the republican presidential mation in 1916, has been traveland writing, living at intervals etly in New York, where he is sident of a bank that requires but nall part of his attention.

Patronage Arouses Discontent. crats call "The White House, not purchase new suits other than porated." The concern mentioned overalls as long as the present prices prevail. lose corporation, the same der knows what it is going to do the patronage at its disposal the jobs actually have been dis-

coording to these democrats, "The ille House, incorporated." is com-Edith Bolling Wilson, Joseph P. ulty, secretary to the president, Admiral Carey Grayson, White e physician. Most any democrat Washington these days will tell that one or another of these four ons has been responsible appointment made in the last net member who will claim credit cted in late months for important stive places, discuss quite freely suspicions as to what is back of Much of the gossip going the ut the first of the year are, to that some criminal action be in-in with, characterized as "queer" stituted against the men.

The gossipers are ready to discuss Prosecution of the attendants, if

ne job on Stuart because of his dis-nguished Virginia ancestry, both are. Wilson and the White House left.

The appointment of former Repre-niative Joshua W. Alexander of abourt as secretary of commerce, as the story is told, was made from the congressional directory after former. Senator Jim Ham Lewis of Illinois had declined. Mr. Wilson, as democratic gossipers tell it, upon getting a negative answer from former Senator Lewis, sent for the congressional services.

Offer Finally Accepted.

Mr Alexander was advised by telephine that the president wished to appoint him to the secretaryship of the department, and after regalning his speech, hummed and hesitated, have unon he was sent for and went the secretary ship it over.

In a some insured the cent.

Three large sawmills are in operation and boats loaded with products of mills are making regular trips to California ports. In addition a shingle mill, a lath factory are working two shifts of men to meet or in two shifts of men to meet or in the center of the center. whereupon he was sent for and went to the White House to talk it over. He was in much doubt, because the sition was of short duration, while be had a life job in congress. He was given a half hour to decide and re-solved in favor of the honor of being a cabinet member, notwithstanding the financial sacrifice required. Washington indulged in a guessing contest for several weeks over the

contest for several weeks over the appointment of John Barton Payne as secretary of the interior, until, final-ly, a few days ago, a very prominent lemocrat who is yet on good terms with the White House explained that t was another of the selections made by the junior members of the White House firm on the score of Payne

being a native Virginian.

The influence of these so-called-junior members of the firm was made more apparent recently when, upon the appointment of another Virginian to high office, a correspondent of Vir-

than any other state.

The story of numerous appointments personally made by Secretary Tumulty is an old one and need not ments personally made by Secretary Tumulty is an old one and need not be reiterated. The success with which his social companions have attained to prominence in public lire tells the whole tale, here in Washington at ole tale, here in Washington at

As unhappy democrats who unsuc cessfully sought to have their friends appointed are wont to tell it, the pres-ent method of making appointments

belted in the back, to cost \$6." The rule for the junior prom at Columbia OREGON'S next week, it was announced tonight, is "strictly overalls for girls and MOVEMENT GAINS IN SEATTLE

SEATTLE, Wash, April 16.—(Special)—If the announced intentions of superior court judges, several hundred employes of the county and city offices and as many more in railroad offices here today are fulfilled the high cost of clothing is due for a right cross to the jaw and the full count on the mat. All have signed up in various "blue jean" clubs to foreswear conventional clothing until the price falls and to wear blue denim or

khaki in the meantime.

The movement was started in the railroad offices and spread to the county-city buildings at noon. This afternoon it was distributed in various offices of the federal building, and United States Attorney Saunders tonight said he probably would accede to requests to act as president pro tem for a federal employes, over-

CLUB ORGANIZED AT SALEM

Postoffice Employes Agree to Wear Nothing but Overalls.

SALEM, Or., April 16.—Employes of the Salem postoffice, with the exception of the city carriers, today organized an overalls citt. The carriers are awaiting word from Washington as to whether they will be allowed to discust their uniforms for according tis present bewilderment appears
be due to a lack of knowledge of
that has been going on for sevall months in the way of political
pointments by what disgrunted
mocrats call "The White House,
represent "The concean markings."

PROSECUTION IS PENDING

ACTION ON PROTEST OVER EX-CONVICT IS CONSIDERED.

Marion District Attorney Takes State Hospital Attendants' Case Under Advisement.

SALEM, Or., April 16.—(Special.)— Prosecution of 22 attendants who re-cently abandoned their positions at the state hospital because Dr. R. Lee Steiner, superintendent, refused to dis-charge from the employ of the institution "Happy" Gordon, a paroled con suspicions as to what is back of it suspicions as to what is back of it. Much of the gossip going the ds. and which has its origin allousether among democrats, is altogether among democrats, is usely interesting. All of the unread appointments made since the Prison Rescue society, asking the control of the rest of the society asking the control of the society asking the control

ry one of them.

he first of these to attract attion was the nomination of former stion was the nomination of former trong Henry C. Stuart of Virginia sovernor Henry C. Stuart of Virginia to a vacancy on the interstate commerce commission. A dozen senators who had recommended men of one experience and distinguished service in connection with railroad service in connection with railroad the appointment than was former Governor Stuart himself. The former governor could not understand it, and when he recovered his breath or comply declined, although his nom-

promptly declined, although his nomination already was before the senate.

The explanation which is given now, after many weeks, is that either Mrs. Wilson or Dr. Grayson was responsible for this attempt to hang the did not care to press the prosecution of the men as requested. None of the women attendants have the soon of the view of view of the view of view of the view of v

Property Values Increase as High as 800 Per Cent.

ROSEBURG, Or., April 16. — (Special.) — According to F. L. Calkins, Seasor Lewis, sent for the congressional directory and ran the names of members of the house of representatives until he came to Alexander, who had been chairman of the house committee on merchant marine and fisheries, which has to do with legislation on some branches of the house of with legislation of the department of committee.

My Alexander was advised by telephale that the president wished to specify the house of representatives until he came to Alexander was advised by telephale that the president wished to specify the house of representatives until he came to Alexander was advised by telephale that the president wished to the composite the composite that the president wished to specify the house of representatives until he came to Alexander to Alexander with a material growth, and in the composite that the president marine and fitting on a most material growth, and in the copinion of the assessor if the ratio of growth is maintained for another five years the town may outstrip Roseburg in point of population. Property that has herectofore been assessed very low has taken a jump in fixing the value. The assessor found that valuations had increased in some instances as high as seven or good district—Alexander. Western Oregon district—Fred G. Buchtel, Portland; Edward M. Cousins, Portland; Bourd (Circuit Judge.
