Kuppenheimer Good Clothes

OUR SPLENDID BIG STYLE show opens today. While it lasts every man, young man and their women folk, should make it a point to see it, and learn first hand what thorough clothing service means.

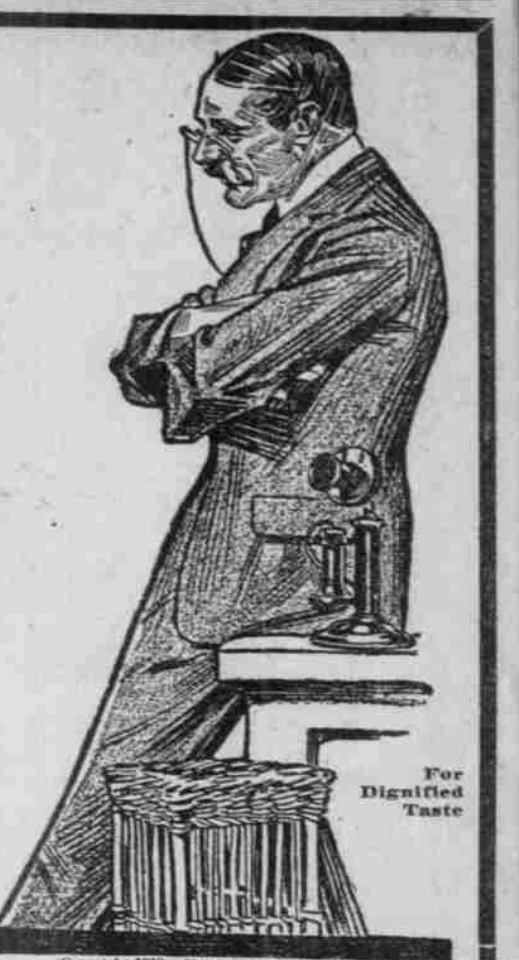

In inviting you to see this great display we desire you to view it not as a mere showing of men's clothes, but rather as a grouping of garments which have behind them the dependability of all-wool fabrics, the style and line of thorough workmanship and the artistry that only master craftsmen can produce.

We have more than 200 feet of windows. They are given over to the largest display of men's clothing in the city of Portland. Within the store are hundreds of other garments, our own Lion Quality Suits and those from the famous house of Kuppenheimer.

We particularly call your attention to such models as the Biltmore, Drexel, Hixon, Fenway, Hadley, in the season's shades of blues, greens, grays, browns, overplaid and iridescent shades.

Kuppenheimer Suits, \$50 to \$100; Lion Quality Suits, \$30 to \$45.

Be sure and ask for a copy of our beautifully illustrated Kuppenheimer Spring Style Book. It is free.
