Mr. Jensen reported the loss of a small quantity of jewelry and clothing. A suitcase filled with other loot was found near the door where the burglars evidently had dropped it in their haste to make a getaway.

Pickens, who sustained a fractured skull when he fell from a second-story window at the family home Sunday, is reported to be improving at St. Vincent's hospital. It was thought the boy could not recover, but attending physicians yesterday held out hope for him. The family home is at 1184 East Irving street. The incident happened when the lad was playing with other children near an open window.

LAST DAY TO REGISTER! At 9 o'clock tonight the registration books at the courthouse, Fifth and Salmon streets, close until after the primary election May 21. All unregistered citizens cannot vote at the polls with the aid of three freeholders.

REGISTRATIONS IN MULTNOMAH county will exceed by more than 10,000 the total prior to the primaries of 1918, but will be less than the total October 5, 1918, just preceding the general election, by all indications, unless the last day outcries preceding days by a heavy margin. There are already—according to Saturday's figures—only 214 less republicans registered than before the general election in 1918, though almost 2000 less democrats.

Just before the 1918 primaries the registration totaled 88,788. It was 97,788 just prior to the general election, of which 65,800 were republicans and 24,988 democrats. Present totals up to Saturday night are 95,915, with 68,286 republicans and 27,629 democrats.

Saturday's registration, announced yesterday, was: Male, Female, Total. Republicans, 41,523 26,558 68,081 Democrats, 13,421 9,208 22,629 Other parties 2,678 1,214 4,892 Grand total 55,915 Inc. over preceding day... 1,291

DRUGGIST SECRETARY TO SPEAK.—Druggists and all others interested in the line of business either directly or indirectly will be welcomed this noon at a luncheon to be given in the parlors of the Alameda County Druggists' association and rated as one of the "best in the trade." He is passing through the city en route to Washington, D. C., to attend the pharmaceutical convention, which meets every ten years. He will deliver a brief address.

"INSPECTOR" WARNING OUT.—By representing themselves as electric light meter inspectors, several men have been endeavoring to gain admittance to homes on Portland Heights and the police believe they are planning numerous burglaries. One or two cases of small thefts were reported during the last few days. The police have urged all householders to compel such persons to show proper credentials before admitting them inside the homes.

WIFE AND BABY MISSING.—When Joseph Dodok returned home from work late Sunday he found his wife and 17-month-old baby missing. He told the police yesterday in asking them to help him in locating them. He could give no reason as to why his wife might have home. Mrs. Dodok is 20 years old, weighs about 130 pounds, has light hair and blue eyes and wears a blue suit at the time of her disappearance.

COURTHOUSE TO HAVE DIRECTORIES.—Two directories, costing \$123 each, will be installed, shortly at the main entrance to the courthouse to direct visitors to the offices or officials they wish to reach, by order of the board of county commissioners. The directories will contain approximately 110 names. In the past the elevator operators have been the only directories at the courthouse, with the exception of the cigar stand attendant.

A committee has been named to secure a successor.

Billings signed the complaint, which charges larceny. The case will be on the police court docket this morning.

MUSIC ARTISTS AT HELIG Flonzaley Quartet to Render Programme of Chamber Music. The Flonzaley quartet, who appear at the Helig tomorrow night under the direction of Steers & Coman, has labored toward establishing chamber music in its proper place ever since the quartet was organized 17 years ago by E. J. de Copet of New York. They have made a rule to refuse outside engagements or any offers, however flattering, that might lure them from their purpose. As a result, the four Flonzaley artists may claim that today no musical organization the world over has surpassed them in achievement along their chosen line.

ADOLFO BETTI, first violin; Alfred Pochon, second violin; Louis Bailly, viola; and Iwan d'Archembeau are the names of these classical troubadours. Their programme for Wednesday night will be as follows: Haydn, in D major, op. 76 No. 5; allegretto-allegro; largo cantabile; mesto; minuetto; finale. TWO GIRLS CAUGHT RANSACKING HOUSE

Desire for Gems and Fine Clothing Led to Burglaries, Police Inspectors Are Told.

The desire for jewels and fine clothes led three girls in short dresses to become burglars, and their short but active career came to a sorrowful termination yesterday when two of them, caught in the act of ransacking the home of Frank Weeks, 1405 East Eighth street north, were arrested by police detectives.

The girls, who admitted a number of burglaries during the past few weeks, were Margaret Davis, 14, 210 Thirteenth street; Gladys Wyatt, 15, 1285 Curtis avenue; and Mildred Scott, 14, 511 Jefferson street. After the girls had been questioned at the police detective bureau, all were turned over to the juvenile court.

LISTEN! You have heard, of course, of our wonderful clothes for Boys—faultlessly tailored from the far-famed, Oregon-made, all-wool cloth known as "OREGON BUCKSKIN." This cloth has passed the "Test of Time" as well as the "Test of Boys." Fifteen years of wear and tear! Fifteen years of service! We are as enthusiastic as ever—so much so, in fact, that we think the name—"OREGON BUCKSKIN"—(which signifies that it wears like buckskin) does not do either the cloth or the clothing justice. It gives no hint of the soft, firm texture, perfect style and workmanship and altogether fine appearance of these suits of which we are so justly proud.

WHAT WE WANT—is a name that suggests all these qualities, a name of preferably one word—not more than two. Now it's up to you! This is your chance to earn real money! This is your chance to create a name! REMEMBER! Oregon-made suits from Oregon-made woolsens, perfect in every detail, are developed right here in our own factory and sold direct to you through our "MAKER-TO-WEARER" plan, thus giving the maximum of style as well as wear, at the minimum of cost.

DIRECTIONS! Visit our factory in the Brownsville Woolen Mill Building, Third and Morrison Sts. See the suits as they are being made. Get a good general idea of these splendid Boys' Suits, then go home and invent a name—a good name for which we are willing to pay cash. Contest Blanks and full particulars furnished at our store. Out-of-town boys may write for blanks. Answers must be in on or before May 15th, 1920. Store and Advertising Managers will act as judges. Address all inquiries to the Advertising Department.
