Wonderful Tricotine Suits

MOST OF THEM ARE WORTH \$95
NONE WORTH LESS THAN \$75

ALL
\$59.50

We want every woman in Portland to be sure to read this news.

It is probably the last lot of these suits we shall get.

They have the fine technique of custom tailoring and they are developed in heavy extra-quality navy blue tricotine.

All have the narrow shoulders, tight sleeves and youthful skirts which give character to a plain suit.

These suits at \$59.50 are so unusual that they would make it worth while to come a hundred miles to get them.

Silk lined? Yes, every one of them!

Men!

Marching Victoriously On

The West's Greatest
Shirt Sale

Men have come, bought in dozen lots—and come back for more. This is the sort of sale that makes a hit with a man. Big, generous, spectacular—alive! It started last Thursday with 19,920 shirts. We've kept a small army of attendants busy filling up the gaps caused by heavy assaults of eager buyers. Wonderful how we're managing to keep assortments up. There's something more than words back of this shirt sale!

Particularly good news for silk shirt buyers—Saturday we received

600 Wonderful New Silk Shirts
to Go in the Sale at \$9.85

The silk shirt group was the "piece de resistance" of the sale from the beginning and now, strongly reinforced, it holds out as potent values as ever. Real full-bodied silks are these that give men a new conception of silk shirt service. Broadcloths, La Jerz, Crepes de Chine, Pussywillows, etc., in a tasteful lot of patterns and colorings.

Still a good selection in these other groups:

At \$6.95 regular \$8.50 and \$10 grades. Shirts of exceptionally good quality silk pongee, China silks, Crepes de Chine, silk mixtures, woven striped flannels, etc. A whole shirt sale in itself! **\$6.95**

At \$3.95 our special \$4.85 grade, as well as shirts of regular \$5, \$6 and higher grades. Imported pongee silks and woven madras, satin-striped tub silks, silk-finished poplins, Russian cords, etc. **\$3.95**

At \$2.65 regular \$3.25, \$3.50 and better grades. Shirts of serviceable corded, woven and plain madras, mercerized twills and oxford cloths. Lots of good-looking patterns. **\$2.65**
