

MONTANA MINERS GO OUT ON STRIKE

I. W. W. Pickets Attempt to
Halt Cars of Workmen.

FISTS FLY IN CLASHES

Officials Deny Presentation of Any
Formal Demands—Guards
Are to Be Stationed.

Butte, Mont., April 19.—Streets of the city were thronged today with idle miners who walked out this morning in response to the strike call of I. W. W. union No. 800, or were warned away from the mines by I. W. W. pickets.

Miners officials this afternoon announced approximately 70 per cent of the miners were out. I. W. W. leaders claimed 85 per cent were out. Between 12,000 and 14,000 men are employed in the various mines in the Butte district, mine officials estimated.

Pickets this morning attempted to stop all structures carrying miners on the morning shift. Two cars were emptied, but the majority went through to the end of the various lines. There were a few fist fights and rumors of free-for-all brawls were current, but no damage was reported.

Officials Deny Demands.
Mining officials denied that the demands were presented formally by the strikers. The first intimation of the walkout, they declared, was the hand-bill reading "the strike is on," signed by Nick Hadjivoff, secretary of the I. W. W. union.

During the forenoon there was a continuous string of men coming from the hill carrying their working clothes and lunch buckets, believing the mines would be closed down. Company officials declared, however, every effort to continue operations would be made.

Clashes between miners employed on the morning shifts and pickets on Anaconda hill, in which men who refused to obey the strike call were severely beaten by the pickets, were reported. Dinner buckets were snatched from the miners' hands and thrown away by the pickets.

Guards to Be Stationed.
Mayor Stoddard and Sheriff O'Rourke issued a proclamation today calling on the strikers to refrain from following disorder.

The sheriff said deputies would be stationed in the vicinity of the mines each morning and evening.

The strike call was issued last night. The I. W. W. demand release of all "industrial and political prisoners," six-hour day, minimum wage scale of \$7 a day for all miners; abolition of the rustling card; abolition of contract bonus and efficiency systems, two men to work together on all machines and two men to work together in all workings.

The last strike which affected workers in the Butte district was the 69-day walkout of the metal trades, which ended October 20, 1919. On February 7, 1919, a strike call similar to the one issued last night, was issued by the I. W. W. and the mines picketed for 12 days.

GEM FRAUD IS CHARGED

WOMAN ACCUSED OF MISREPRESENTING DIAMOND.

Price of Stone With Flaw Returned
to Buyer, but City Attorney
Decides to Prosecute.

Mrs. Rose Kellus, 411 East Twelfth street, was charged with larceny in a complaint filed in municipal court by Deputy District Attorney Deich. She was alleged to have sold an imperfect diamond ring to Mrs. Ethel Davis, Clifford hotel, through fraudulent methods.

Mrs. Kellus, whose brother is manager of the Keystone jewelry store, was alleged to have inserted an advertisement in a newspaper offering a diamond ring for sale. Mrs. Davis answered the advertisement and was informed by Mrs. Kellus it was alleged, that the diamond had been reset at the Keystone store. At the instance of Mrs. Kellus, Mrs. Davis said she called up this store to learn the value of the diamond and was told by the manager it was a valuable stone. She said Mrs. Kellus represented it to be worth \$250, but sold it to her for \$140.

While the diamond had been thoroughly examined by expert jewelers and found to be faulty, Mrs. Davis lodged her complaint with the district attorney, Mr. Deich said yesterday that Mrs. Kellus had returned the purchase price to Mrs. Davis but that he would not drop the prosecution of the larceny charge.

During the investigation it also developed that a relative of Mrs. Davis had also answered the diamond advertisement and had posted a \$50 deposit in order to get what she was alleged to have told him was a valuable ring. He learned that his sister-in-law, Mrs. Davis, had found the ring and so what was represented and Mr. Deich helped him to get the deposit money refunded.

Menus Without Potatoes Expected
to Be Rule in Roseburg.

ROSEBURG, Or., April 19.—(Special)—Profiteering in potatoes has

called forth a storm of protests from the buying public here, and today housewives are refusing to pay the prices of 8 to 10 cents a pound asked. Dealers are receiving quotations from Portland wholesalers ranging from 8 1/2 to 9 cents, but no orders worth while are going out on that basis. Some of the retailers here allege they will buy no more of the old crop this season, but will wait for the early crop from the south, which is already beginning to make its appearance.

It is believed the public will remain firm in its attitude to refuse to allow the alleged "graft" to be perpetrated. Potatoes monies are expected to be the rule in Roseburg from now until prices drop to somewhere within reason.

WHEN YOUR STOMACH IS BEGGING FOR HELP

Think of Jo-To

Undigested food delayed in the stomach decays, or rather ferments, the same as food left in the open air, gases form and you have a bloated feeling and what you have eaten lies heavily in your stomach; sourness generally follows and a burning sensation (heartburn), are some of the most prominent symptoms. Severe pains in the stomach at times are not lacking; these at times become almost unbearable. This condition soon becomes a steady disease in the fermented, unassimilated food out of life becomes polluted and carries the infection throughout the body. Gastric ulcers are apt to form and frequently an ulcer is the first sign of a deadly cancer.

To enjoy life we must have good health. No one can reasonably hope to get much real pleasure out of life when his bowels and stomach are clogged with a good share of the time, and the poisons that should be expelled are absorbed into the system, producing headache and indigestion. One dose of Jo-to is what you need, and the gas, sourness and full feeling will disappear in—two minutes.

Jo-to strengthens the digestion and gives you a chance to realize the real joy of living. For sale in Portland by the Northern Pacific, Irvington & Perkins hotel pharmacies.—Adv.
