PRISONER LEAVES BROTHER IN BOX AND WALKS OUT.

Edme Follie by Presence in Court of Officers Familiar With Appearance of Accused.

W. D. Lyons held on a charge of passing a check without having sufficient funds in the bank to cover it, left his brother, M. D. Lyons, in the prisoner's box in his place yesterday morning and started to walk out.

The attempted jail break was frustrated by Officers Ferry and Abbott of the auto theft bureau, who originally arrested Lyons. He was returned to the jail and his brother, M. D. Lyons, was arrested on a charge of aiding and abetting a prisoner to escape.

The two brothers look very much alike and the attempted escape took place when the courtroom was full of spectators, with cases in active progress.

The case of Lyons had just been put over for hearing until Thursday and the order was to take him back to jail from the prisoner's box, where prisoners are held adjoining the courtroom, awaiting trial. Lyons' brother had been permitted to enter the box and converse with the prisoner for a few moments. When the order came for Lyons to go back to jail he nonchalantly walked out of the box into the courtroom and started away, while his brother awaited the elevator which was to take him to jail instead.

BOY'S HAND BLOWN OFF

Injury Caused by Explosions of Dynamite Cap.

EUGENE, Or., April 20.—(Special.)—The explosion of a dynamite cap tore off the left hand of William Hege, 11-year-old son of Mr. and Mrs. Manville Hege, living between Eugene and Springfield, Sunday.

The boy had picked up the cap near by and while playing with it, caused it to explode. Attending physicians state that the boy's other injuries may prove fatal. He was badly lacerated on the chest and other parts of the body. He is at the Springfield hospital where he was taken soon after the accident.

SHRINE FLOATS VIEWED

COMMITTEE LAUDS WORK OF GEORGE I. HUTCHINS.

Mayor Declares Productions Surpass Former Efforts; Public Surprise Planned.

When Mayor Baker took the general committee of the Shrine to "the den" yesterday afternoon to show them the floats which will appear in the Shrine week parades every member talked in superlatives of productions which George I. Hutchins is putting out.

"Without reservation," commented Mr. Hutchins, "this will be the greatest work I have ever done in the construction of floats in this city. Pasadena or San Francisco and though it is costing us fully \$20,000 to put on this feature of the big show alone, its value to Portland and Oregon in advertising is beyond estimate."

"We are not telling everything," said Mayor Baker, who is chairman of the committee on parades. "In fact, we are telling nothing for the sport of it all will be the surprises which are in store for our visitors as well as ourselves. I cannot comment too favorably on the great work which Mr. Hutchins already has done and what I know he is going to do to put through so ably this parade feature."

SHERIFF MAKES RECORD

TAXES SENT TO TREASURER WITHIN 15 DAYS.

Portland Railway, Light & Power Co. Is Delinquent and Owes County About \$200,000.

Sheriff Hurlburt affixed his signature to the largest check he has ever written yesterday. It was payable to John M. Lewis, county treasurer, for \$2,000,350, being the last five days of collections in the tax department prior to delinquency of first installments on April 6. That he was ready for a turnover to the treasurer within 15 days constitutes a speed record in the tax department.

As far as the mail has been opened and checked, approximately \$5,000,000 or 47 per cent of the total tax roll of \$12,007,022, has been paid.

The largest single taxpayer to fall in meeting the first installment appears to be the Portland Railway, Light & Power company, which owes

the county approximately \$200,000.

The \$2,000,350 turned over yesterday, will be distributed as follows: City of Portland, \$1,217,550; school district No. 1, \$153,300; state, \$455,000; county, \$372,300; Port of Portland, \$127,000; and roads, \$99,200.

TRUSTEE LOSER IN SUIT

Jury Decides for Thompson Estate in Multnomah Hotel Case.

Efforts of H. F. Bushong, trustee in bankruptcy for the Multnomah Hotel company, to recover \$188,000 from the R. R. Thompson estate went for naught yesterday when the federal court jury returned a verdict for the defendant estate.

The suit involved the value of the furnishings of the Multnomah hotel at the time it was operated by the now defunct Multnomah Hotel company. When the company went into bankruptcy in January, 1915, the Thompson estate foreclosed mortgages which it held and sold the furnishings.

The trustee, in his complaint, alleged this sale was made without the authority of the referee in bankruptcy and for that reason was illegal. The trial started 12 days ago be-

fore Judge Wolverton. The jury deliberated but a short time before re-

turning its verdict against the hotel company.
