VIEWING WITH ALARM.
The convention at Portland heard from Senator Poindexter a ringing exhortation to beware of the dangers of internationalism or of a "governmental union with Europe" and an equally eloquent plea to "Americanize the American government."

OLD TIES WITH BOSTON RENEWED.
By starting a steamship line between Portland and Boston this port revived direct commercial connection which began with the discovery of the Columbia river and was continued through the early fur-trading and pioneer days.

MR. CRANE'S MISSION TO CHINA.
President Wilson's appointment of Charles R. Crane as ambassador to China gives rise to speculation as to his policy in the Orient, for the reason that Mr. Crane's record in that connection points in a very definite direction.

THE LOSS OF NEW JERSEY WOULD BE A HARD BLOW FOR LEONARD WOOD, JUST AS IT IS A HARD BLOW FOR HIRAM JOHNSON. IT DOES NOT ALTER THE SIGNIFICANCE OF THE RESULT THAT WOOD HAS BEATEN JOHNSON BY A PALTRY FEW HUNDRED VOTES.

WANTON WASTE.
Waste of any food product in a time like the present is not rendered less criminal by the fact that there is a temporary super-abundance of the product.

THE PROOF OF FATAL FAULT.
The lesson taught recently at Central library, at least for the hundreds who paused to admire the collection of magnificent bird plumes then on exhibit, was a simple one—and, like many simple truths, it was sharpened by cruelty.

STARS AND STARMAKERS.
Marion Barney, who is appearing with Margaret Anglin in "The Woman of Bronze" at the Helix is a former Baker landing woman.

THOSE WHO COME AND GO.
"I still get letters from 'em," said Dan Cloud, editor of the Multnomah, friends yesterday in the lobby of the Multnomah hotel, en route home from a business trip to Riddle.

PRESENT ARMY SYSTEM ROOLS.
Plan for Adoption of French System to Encourage Enlistments.

IT'S AN ILL WIND.

against Japanese policy in China. tokens that the orient is to become the center of American diplomatic activity. The contentment given to American participation in the bank-ers' consortium for China implies a reversal of the policy adverse to dollar diplomacy. Thomas R. Lamont, who has gone to the orient to see the situation, is reported to have encountered no insurmountable obstacles in Japan. Mr. Crane's mission, closely following that report, suggests that a settlement of oriental affairs is to be sought. For land, in common with the rest of the Pacific coast, is so deeply interested in Chinese and Japanese trade that it will keep close watch on developments in that quarter.

THE LOSS OF NEW JERSEY WOULD BE A HARD BLOW FOR LEONARD WOOD, JUST AS IT IS A HARD BLOW FOR HIRAM JOHNSON. IT DOES NOT ALTER THE SIGNIFICANCE OF THE RESULT THAT WOOD HAS BEATEN JOHNSON BY A PALTRY FEW HUNDRED VOTES. HUGHES LOST CALIFORNIA BY A FEW THOUSAND IN 1912, BUT IT ELECTED WILSON PRESIDENT.

WOOD LOST IN OHIO, BUT BY A NARROW MARGIN. IT MAY BE SAID THAT HE, TOO, THE IMPORTANT FACT IS THAT HE LOST, AND THAT HE LOST BY ONLY A FEW THOUSAND VOTES.

HERE AND THERE, IN MANY STATES, WOOD GETS VOTES. HE HAS HAD HIS REVERSES, BUT HE REMAINS THE LEADING CANDIDATE. IT IS NOW LIKELY THAT HE WILL BE ELECTED.

WHETHER THE LEADING CANDIDATE WILL BE NOMINATED IS YET TO BE SEEN.

OLD TIES WITH BOSTON RENEWED. BY STARTING A STEAMSHIP LINE BETWEEN PORTLAND AND BOSTON THIS PORT REVIVED DIRECT COMMERCIAL CONNECTION WHICH BEGAN WITH THE DISCOVERY OF THE COLUMBIA RIVER AND WAS CONTINUED THROUGH THE EARLY FUR-TRADING AND PIONEER DAYS.

COMMERCIAL TIES BY WATER HAVE LONG BEEN A HEALTHY FACTOR IN THE RENEWED UNDER CONDITIONS WHICH WOULD BE A GREAT VARIETY OF PRODUCTS FROM PORTLAND.

IN A COMMERCIAL SENSE OREGON AND NEW ENGLAND ARE THE COMPLEMENTS OF EACH OTHER. NEW ENGLAND IS NEGLECTABLE AS A GRAIN-GROWING COUNTRY, BUT OREGON CAN SUPPLY GRAIN AND FLOUR IN ABUNDANCE.

THE REPUBLICANS OF WASHINGTON ARE NOT IN ACCORD WITH THE ATTITUDE OF THE SENATOR ON THE LEAGUE, AND DO NOT BELIEVE EITHER IN THE REALITY OR THE NECESSITY OF THE LEAGUE.

THE SENATOR POINDEXTER IS A MAN OF FORCE AND PARTIS, AND HE HAS PURSUED HIS COURSE IN CONGRESS ON THE LEAGUE WITH A PERSISTENCE WORTHY OF A BETTER CAUSE.

BUT HIS CANDIDACY AS PRESIDENT APPOINTED TO CHINA GIVES RISE TO SPECULATION AS TO HIS POLICY IN THE ORIENT, FOR THE REASON THAT MR. CRANE'S RECORD IN THAT CONNECTION POINTS IN A VERY DEFINITE DIRECTION.

Use of the microscop, however, would make it possible to determine in each instance the precise effect of light and to ascertain when the right amount of light has been reached, without resorting to the series of season-long experiments that would be necessary to determine the effect of light on the microscop.

from the base. Until 1824 this fragment stood in the village square. The base settled back in the gravel and ooze of the ocean, and as time went on served ignoble purposes—once as a stepping stone to a blacksmith shop, when the land had been beaten back the sea, and again as a portion of highway. It is now so worn that the top portion no longer fits, and the remainder of the complete rock is impossible.
