Here on Tour of Inspection.

Carl R. Gray, president of the Union Pacific system, arrived unexpectedly in Portland yesterday afternoon on a tour of inspection. He is accompa-nied by C. H. Batchelder of Omaha. This is Mr. Gray's second visit to Portland since his elevation to the presidency of the line. He made his initial tour of inspection in January. The coming of the Union Pacific president was heralded by the advent of his private car, which drew into Union station vesterday noon with the

Salt Lake express. President Gray however, left the car at Hood River electing to come to Portland via auto and the Columbia river highway, get-ting here early last night.
