Deposed Mexican Chief Said to Be Fighting Rebels.

CABRERA ESCAPES

Leader of Cabinet Reported Have Reached United States by Permission of Obregon.

WASHINGTON, May 12.—Reports of progress in the political organiza-tion of the new Mexican revolution

Dispatches from Vera Cruz said he was fighting off the revolutionists at a point near San Marcos, about half way between the capital and Vera Cruz, but no report, official or other-wise, came from Mexico City to conwise, came from Mexico City to contradict claims of revolutionary agents in the United States that he had been captured. The last report received by the state department from the embassy at Mexico City was dated May 9 but communication by wireless has been established and instructions sent to the charge d'affairs to communicate fully. The dispatches received with memorial services at the West Convention closed this afternoon with memorial services at the West Union church, said to be the oldest Union church west of the Rocky an Independent route. According to the revolutionists, Cabrera covered his departure from the capital for three days by leaving a written statement for newspapermen who were in the foundations of our American the habit of seeing him daily. He the habit of seeing him daily. He was stopped by the revolutionists at Chihuahua, they said, but permitted to continue to the American frontier and upon instructions of General Obregon, offered money for his expenses.

Hoover and Lowden Forces Said to Be Going to General.

People Believed to Realize That Only Wood Can Beat Johnson and to Be Flocking to Him.

Indications that the Leonard Wood andidacy is rapidly strengthening its forces for the coming contest with Senator Hiram Johnson in the primary elections of next week are now manifest, according to Dow V. Walk-er, manager of the Wood campaign

"Our call for recruits was heard tial.)-"There are 26,000,000 boys and in all parts of the state, and the re-

of our youth, which, if not halted or remedled will result in instability of character and consequently instability of our civilization.

"The foundations of our American civilization are laid in the home where the children in bygone days received religious training or instruction. Today the home religious training has almost vanished and even the churches are giving in our Sunday schools only one-half hour a week, or 26 hours a year, religious training to our children."

and that gives us confidence. We know that Wood has beaten Johnson in every state where the contest was not and that he can do the same thing here. This is hard common sense. It is the heart of our appeal to republicans. The Lowden and the Hoover managers have not any served it. They say they can win here. Both of them have lost time and again in other states where the situation was much like this.
