Congress has not passed any law evising the calendar. Some months PORTLAND, May 13.—(To the Editor.)—When President Wilson was gained little headway, to divide the last elected, if I remember, the great year into 12 months of 28 days each ago a movement was begun, but it year into 12 months of 28 days each with new year's day set apart as not gonian the exact date of Shriners belonging to any month. A second imilar day would be designated in

More Truth Than Poetry. By James J. Montague

BLOCKING THE WHEELS OF PROGRESS. The good days are gone," sighed the Mexican chief. "Time was when a man of ambition, Who really had mastered the trade of a thief.
Was certain of wealth and position

But lately one always is running be-If he plunders a prosperous neigh-Or kidnaps a consul, he's certain to find That the proceeds won't pay for the

t peso a day was the regular rate. That one paid to a journeyman bandit. But now they are asking for seven or eight And business conditions won't stand

The market for all kinds of labor in At such a preposterous stage is the commonplace homicides calmiy exact, Experienced murderers' wages.

When farmers had plenty of cattle and sheep. And consuls were worth a big ran-And good high-class help was abun

Our annual profits were handsom franchise to prey in a single good Was likely to prove a bonanza and the chief who could get it would soon be as great As Villa, or even Carranga.

dant and cheap,

But labor has foolishily spilled all the beans. The workman is getting too thrifty; hough taxes exhaust all our visible means He wants us to go fifty-fifty.

he brigandage business is sadly upget Because of this fool agitation, and Mexico's biggest industrial bet is utterly lost to the nation." The Real Incentive.

With rents where they are, we can easily understand why so many men want to live in the White House for the next four years.
