## RUBBISH SACRIFICED TO "CLEAN-UP" GODS

Thousands of Children at Work in Campaign.

DISTRICT WAR DECLARED

Pupils Making Most Industrious Showing to Receive Prizes Donated by Merchants.

Hundreds of great bonfires, like sacrificial pyres, sent smoke swirling to the clouds yesterday as the opening of the great clean-up campaign, designed to spruce up Miss Fortland until her face shines like the provential are the control of the contr

erbial new pin. Just a few figures: 5000 school chil-Just a few figures: some senou, figh-dren in the St. Johns, Kenton, High-land Park, Woodlawn and Alberta districts took a day off and mobilized for work; 480 Boy Scouts mustered with 480 rakes, shovels and brooms; by Fred O. Brockman, general chair-man of clean-up operations; all the firemen in the district, Fire Marshai Grenfell and 15 fire inspectors di-rected operations; 50 members of the Grenfell and 15 fire inspectors directed operations; 50 members of the Portland Realty Hoard and Ad Club, to whom fell the honors of the first days' work, took charge of districts. The Boy Scouts and the firemen, with additional child help, made a mass attack on vacant lots. Piles of cans melted like ice under the summer sky. Piles of brush were set aflame. Dead cats, old boxes, riffraff of one nort or another were collected and hurried away to garbage cted and hurried away to garbage

wagons.

The success of the campaign the first day is but the forerunner of five more days success. The school armies of Albina, Overlook and Irvington, under the direction of the Civic league and of Rose City park and Alameda under the direction of the Kiwanis, will assault the accumulations of the years in those sections today.

Sectional "War" Declared.

In each section on its appointed day the children will be assembled at school and told to clean-up. They are then expected to proceed and clean up the family lot, then aiding some of the vacant lot Boy Scout detachments.

Junk will be bought at all the fire

Junk will be bought at all the fire stations Saturday, but Miss Helen Whitney of the American Red Cross shop on Third street, asked that all families who could spare donations for the shop in the course of the clean-up, call the American Red Cross, when a truck would call.

"The sale of a bundle of papers means but little to an individual family, but the gift of a bundle of papers and other odds and ends to the Red Cross shop may mean additional help to a wounded soldier or to his family," said Miss Whitney.

**BALDNESS** Starts with the scaling of the scalp, sometimes slight, called dandruff; sometimes abundant, producing thick, grayish-white scales.

Both men and women become annumity with this trouble, but particularly those between the ages of 20 and 30 years. Unless careful attention and care are

given during the early stage an in-creased fall of hair is noticed—and baldness is the final result. Free Microscopic Examination of the Hair and Scalp Will show the exact cause of your hair and scalp trouble. (Women need not take down their hair)

CHAT NO. 4-1920 The greatest early season crowds in history are coming to THE OAKS these days.

Here's one reason! This year we have decided that no gate admission will be charged between 10 A. M. and 5 P. M. daily except Sundays and holidays.

You used to pay 6 cents carfare and received a transfer to THE OAKS cars. Now the public service commission has ruled against the transfer right to interurban lines and the total carfare from any part of the city to THE OAKS is 12 cents.

It used to cost 11 cents to get into THE, OAKS, which, with carfare, made a total of 17 cents. Now it costs 12 cents for carfare and admission to the park is free if you come before 5 P. M. weekdays. Your actual cash saving is 5 cents. Come early! A "big time" is awaiting you.
