

AD CLUB CARAVAN GREETED AT EUGENE

Vanguard Preceded by Cars of Local Motorists.

SHOW GIVEN BY VISITORS

Informal Reception Tendered by Citizens During Evening at Chamber of Commerce.

EUGENE, Or., May 18.—(Special.)—Members of the Northwest Ad club "On to Stockton" caravan and the "ship by truck" excursion filled all hotels and rooming houses in Eugene to overflowing tonight and many slept in their cars. Downtown business streets and for blocks leading in all directions from the center of the business section were crowded with visiting touring cars and trucks.

Caravan Welcomed at Line.

The vanguard of the caravan arrived in the city at 8:30 o'clock headed by a dozen or 15 cars belonging in Eugene which had proceeded to the Benton county line at Monro to welcome the caravan to Lane county.

The caravan was strung out for a number of miles before it reached Eugene and some cars and trucks were an hour late in arriving. Some of them took wrong roads but their mistake was discovered. None of the cars in the caravan met with any serious mishaps on the way up from Portland today. Leaving that city at 8:30 o'clock this morning they came over the coast side highway through Salem and thence to Albany, where lunch was served the members in the new automobile park. More than an hour was spent there.

Better Time Made.

The going was good all the way from Corvallis to Eugene and better time was made here than on two cities than on the highway between the caravan states, although a detour around paving operations between Eugene and Junction City.

The visitors were met at an informal reception by the citizens of Eugene at the chamber of commerce in the evening. The members of the soldier contingent from Camp Lewis were given free meals and rooms by the citizens of Eugene tonight.

An entertainment was staged by the visiting tourists on the court-house lawn during the evening. It consisted of motion pictures, dancing, good roads, vaudeville numbers and short speeches.

It is expected that the caravan will get away for the south between 8:30 and 9 o'clock tomorrow morning. Roseburg being the next place for lunch and the night will be spent at Grants Pass.

ALBANY WELCOMES CARAVAN

Governor Olcott to Accompany Party to State Line.

ALBANY, Or., May 18.—(Special.)—The Portland Ad club caravan received a big welcome in Albany today when its members stopped here for lunch and spent some time in Bryant park as the guests of the Albany Chamber of Commerce. The visitors, in appreciation of the reception, gave the Albany chamber a silver loving cup.

Cars Equipped for Long Journey.

OREGON CITY, Or., May 18.—(Special.)—The Ad Men's convention caravan, bound from Seattle to Stockton, Cal., passed through Oregon City this morning. All cars were equipped for a long journey and were accompanied by baggage trucks and also by a repair truck. The caravan went sailing through Oregon City without a stop until they reached the Hawley mills. Here they were held up by a rope stretched across the road by the Salvation Army campaigners. The hold-up men demanded a toll from each car to go toward the quota of Clackamas county and \$58.92 was realized. Willard F. Hawley, Jr., was the first victim of the hold-up and he gave \$17 to the good cause.

Caravan Passes Through Salem.

SALEM, Or., May 18.—(Special.)—The ad club caravan, including about 50 automobiles, arrived here at noon today en route to Stockton, Cal., where the members of the party will attend the Pacific Coast Advertising Men's association convention, May 23 to 25.

Start Made for Stockton.

The Pacific northwest caravan to the annual convention of the Pacific Coast Association of Advertising Men made the start from Fifth and Oak streets yesterday morning at 8:45 o'clock for Stockton. There were 29 cars and trucks in the "Climax" division and 22 cars in the "Siwash" division. Phil Jennings of the Portland

The ointment should be applied just before retiring, rubbing in well at the roots of the hair, but care should be taken not to injure the scalp by a too brisk massaging. In the morning the hair should be washed, using warm water and as little soap as is necessary to clean the scalp. This procedure should be followed every other night for three or four treatments. The ointment may be applied to the scalp twice a week just to keep it moist and stimulate a natural hair growth. At all drug stores, 25 and 50 cents.—Adv.

Most men overestimate the lasting effect of the dramatic news story.

They are sure that you are impressed more permanently by the front page big-type news story than you could possibly be by the "eventually, why not now," advertisements.

You may recall a few years ago "Scotty From Death Valley," with spectacular first-page stories in all newspapers—special trains with oceans of champagne and tons of Greek fire.

A red meteor of news for a week and then oblivion. But you do not remember what "Scotty" was advertising.

In the meantime, regular advertising plods steadily along, saying, "There's a Reason," "His Master's Voice," "It Floats" and you smile in knowing friendship.

Reiteration is irresistible, and advertising ripens with age like wine.

Run-over heels can be prevented

What mars the beauty of ladies' feet more than ankles which turn in or out, and heels that wear down unevenly? Besides, weak ankles do more than spoil the appearance of one's feet; they indicate arch trouble.

By unbalancing the body, they frequently cause trouble and pain in the feet, legs, hip and spine.

Run-over heels are due to the lowering of the longitudinal arches and a misalignment of the heel bone. This can be corrected and complete relief obtained both from pain and the run-over heels by wearing Wizard Lightfoot Adjustable Arch Builders and Heel Levelers.

Beneath these all-leather Arch Builders and Heel Levelers are overlapping pockets, so located that inserts of any desired thickness can be placed in exactly the right spot to support the dislocated bones in normal position. Adjustments are simply made by shifting inserts or changing their thickness.

Being all leather, Wizard Lightfoot Adjustable Arch Builders and Heel Levelers are light, flexible and are worn without one being conscious of them.

Wizard Lightfoot Arch Builders and Heel Levelers are sold by leading dealers everywhere. Usually where they are sold there is an expert who has made a study of fitting them.

If there is no such dealer near you, write the Wizard Lightfoot Appliance Company, 1627 Locust Street, St. Louis, Mo., or 926 Marbridge Bldg., New York City. Ask for "Orthopraxy of the Foot"—a simple treatise on foot troubles. No-charge.
