

EUGENE BONDING CARRIES

City to Have Municipal Aviation Field to Cost \$22,000.

EUGENE, Or., May 22.—(Special.)—Four of the bonding measures out of the five on the ballot at the special city election Friday carried by good majorities, the one failing to carry being the proposition to issue \$10,000 bonds to match a similar sum to be raised by the county for a soldiers' memorial building in the county park.

By reason of a favorable vote on the \$22,000 aviation park bonds Eugene will have the first municipal aviation landing field in the state.

The vote on this measure was 2108 for and 1272 against. The other measures carrying were: Bond issue of \$25,000 for the purchase of fire fighting equipment, bond issue of \$15,000 for the erection of a concrete bridge over the mill race at Eighth avenue East, and bond issue of \$10,000 for improvement of city parks and municipal automobile camping ground.

\$500 REWARD OFFERED

H. W. Buckingham, Coburg Rancher, Sought by Authorities.

EUGENE, Or., May 22.—(Special.)—A reward of \$500 is offered for the

arrest or information leading to the arrest of H. W. Buckingham, Coburg hill rancher, who disappeared a few days ago after he was alleged to have obtained several thousand dollars by mortgaging cattle that he did not own.

Buckingham was at first arrested on the charge of the theft of sheep. This led to the investigation of his flocks and herds, revealing that he had a far less number of cattle than he claimed to have. Soon afterward he disappeared.

Buckingham is said to have obtained over \$12,000 through these mortgages.
