PLAYGROUND ORDINANCE IS UP—Ordinances authorizing the purchase or condemnation of five playground sites will be placed before the city council this morning. One ordinance providing for the purchase of a tract of land in North Portland was withdrawn by City Commissioner Pier, because members of the city council have not yet viewed the property.

SUIT FILED TO RECOVER LAND—Because they claim they were cheated on the exhibit of property in Oregon for what they supposed was farm land in Alberta, Canada, Lesley A. Smith and wife have filed suit to recover their former place in Essex park through rescinding the deeds. The Canadian title was owned by Rudolph and Otilie Pachkofsky. The plaintiffs claim that only 20 out of 100 acres in the place were plow land and that the rest was either hills and ravines or swamp.

ALLEGED RECKLESS DRIVING TO BE INVESTIGATED—G. Tsabangou of Hillsdale, who is said to have knocked down Mrs. G. L. Carey of Eugene, Or., in the place where plow land will be given a hearing in the municipal court today on a charge of reckless driving. He was released on his own recognizance yesterday by Judge Roseman. Mrs. Carey received bad bruises but was not seriously hurt.

JURY IN DAMAGE SUIT OBTAINED—Practically all of yesterday was consumed in Judge Stapleton's court in securing a jury for the case of Alfred Davidson against the Portland Gas & Coke company. The plaintiff seeks \$15,000 damages for injuries received when he was employed by the company to remove a mechanical conveyor on a high wall. He stepped on a piece of timber, mistaking it for part of the scaffolding and it gave way under him.

HARRY TROY AGAIN ARRESTED—Harry Troy, a negro, who is under indictment here for having narcotics in his possession, was arrested yesterday at Seattle on the same charge, according to telegraphic advice received by the United States attorney. Troy has been at liberty under bonds since his indictment by the last grand jury. He pleaded guilty to a similar charge in the federal court several months ago and escaped with a fine.

ABRAHAM VOIGT DEPORTED—Abraham Vogt, who entered this country illegally from Canada, has been deported by E. P. Bohman, chief of the local immigration service, who returned yesterday from Canada. Vogt's wife and four children were returned with him. The family located at The Dalles after entering the United States.

FATHER APPOINTED ADMINISTRATOR—Mat Clark was yesterday appointed administrator of the estate of his son, Russell, and an order was issued by Judge Taswell for sale of the property in order to satisfy creditors and pay funeral expenses. Appraisers appointed were Joseph O'Gorman, W. R. Harris and Joseph Burke.

PHARMACISTS TO RECEIVE \$175.—Members of the local branch of American registered pharmacists will receive \$175 monthly according to a statement sent to the men by officials, representing the employers. In the event that they do not receive this amount, they are requested to ask for an increase. The clerks voted to ask a minimum of \$125 per month, at their last meeting. Ross Plummer of the Druggists' association in a statement yesterday said: "In few lines of business are employer and employe in such close touch as in the drug game. I look to see a satisfactory settlement of this question."

JUDICIAL ADDRESS ITALIANS—Judge McCourt gave a talk, frequently interrupted by applause, on "The Loyalty of Italian-Americans," at the Italian-American day celebration, held Monday evening at Swiss hall. Mayor Baker introduced Judge McCourt and in his brief introductory address dwelt on the friendship that has existed between Italy and the United States for a century and more. Peter Pereno, editor of "The Federation," a local Italian publication, dwelt on the true Italian character of the Italian who enlisted during the war. After vocal and instrumental numbers, dancing was enjoyed.

SOYBEAN TRAFFIC ARRESTED—William Lahey, proprietor of a soft drink establishment at 381 East Burnside street, was arrested yesterday afternoon on a charge of violating the prohibition law by Lieutenant Robson and Patrolmen Sutter and Harms. The arrest was made after the policeman had taken samples of the "grape" and cider sold by Lahey and had it analyzed. He reported that the said, registered a high percentage of alcohol. Lahey gave \$200 bail and will appear in court today.

NEW LUNCH TRAIL CLEARED.—Led by Frank Kiser, a number of the men from the Trails club journeyed to Larch mountain last Saturday night and passed Sunday on the new Ridge trail between Angel's Rest and the summit, clearing more than half a mile of underbrush. A rain damped the crowd, due to a shortage of tents. A path will be cleared in two or three more trips to the top of the mountain. It will have access to several miles of hitherto impassable country.

When Buying a Piano
Good Quality Is Real Economy
Most people buy a Piano once in a lifetime. They start out to buy where they can "do the best" (as they think), not where they can "get the best" (as they should). The attribute "best" to many usually means the lowest price. Now pianos, like everything else in this world, are priced according to their intrinsic worth. They cannot be made to sell (and endure) at the prices which some unscrupulous dealers offer them. The "cheap prices" are for "cheap pianos"—beware of them, because the instruments soon give out, sound tinny, become unplayable—and you have to buy another new Piano.

Why not buy a good piano in the first place? It will be real economy to consider quality as well as price. A good dealer carries several grades of Pianos when measured by price. You may not be able to afford the most expensive but you will be able to buy according to your purse—and the buying will be made easy by convenient term payments—and what you buy will have Quality—will give service—will cause you no regrets.
