upon the duties of his office last March when applicants for the position started to make themselves known. Among these applicants, it is said, was D. C. Lewis, member of the lower house of the last legislature, and defeated in last Friday's primary election for state senator from Multnomah county. Since then there have been other candidates for the office, one of which reached the executive not more than a week ago.

Lewis Appointment Unlikely.
It is a foregone conclusion according to Governor Olcott's friends, that Mr. Lewis will not receive the appointment, and that it will go to some man who, in the executive's opinion, has the necessary qualifications and would be loyal to the present administration.

Governor Olcott was out of the city today and it could not be learned definitely whether Mr. Schulderman will be asked to resign or will be allowed to serve out his term. In either event, he will not be an occupant of the corporation department after next January according to the governor's friends.

CORVALLIS REAL ESTATE MAN NEGOTIATES FOR PLANE.

Vendor of Benton County Dirt Says Scheme Is Feasible, After Talking Trip Into Cloudland.

Selling a ten-acre potato patch or a 200-acre prune orchard or a choice bit of grain acreage from a soaring airplane is a new wrinkle in the art of real estate salesmanship, but to Walter Evans, a real estate dealer of Corvallis, it looks better than a 30 per cent deposit on the sale of the universe.

This vendor of Benton county dirt is now negotiating for the purchase of a plane which he proposes to use almost exclusively in the sale of Benton county land. Several voyages into cloudland which he took last week when two planes operated by the Oregon-Washington-Idaho Airplane company were at Corvallis convinced him that the selling of real estate by airplane is feasible.

G. F. Emery returned yesterday from Corvallis and brought news of the contemplated purchase of a plane by the Corvallis dealer.

As a result of an air junkie made by pilots and officials of a local airplane company to Eugene and Corvallis great interest in aviation was aroused throughout the valley. Mr. Emery reported on his return to Portland.

P. L. NEIL IS APPOINTED

Idaho Man Named on Cabinet of Governor Davis.

BOISE, Idaho, May 25.—(Special.)—P. L. Neil, former postoffice inspector, has been appointed by Governor Davis to membership in his cabinet as successor to the late J. K. White and will hereafter hold the portfolio of state commissioner of public welfare. He took up his new duties today.

There will be no changes in the department, as it is now operated by the force that managed its affairs under Mr. White," said Commissioner Neil. "I will pick up the work where Mr. White laid it down and proceed to carry it on as he would have done."

Bill Aimed at Foreigner Importing Narcotics.

OREGONIAN NEWS BUREAU, Washington, May 25.—In accordance with the suggestion made by the recent federal grand jury at Seattle, of which E. Shorrock was foreman, Representative Miller of Washington today introduced a bill providing that any alien convicted in the federal court of bringing opium or other narcotics into the country shall on the expiration of his prison sentence be deported.

The postoffice department has renewed for ten years its lease on quarters occupied by station A of the Spokane postoffice at 1816 North Monroe street, owned by the H. J. Mattes Lumber company.

American President Wanted.

MANILA, P. I., May 25.—Only an American will be considered for permanent president of the University of the Philippines, which position now is vacant, according to an announcement here today. Alexandro

for Johnson, will leave for Chicago Sunday night. Sanfield MacDonald, the Johnson manager, hasn't decided on a date for departure. He says that there is a desire on the part of a number of delegates and others who want to attend the convention to get a special car and make the trip together. So far as known, all of the delegates elected intend making the journey and have no intention of passing up the opportunity to some alternate. Under the Oregon law no provision is made for alternates, but if the four candidates for delegate-at-large who ran next to the winners, and the two highest next to the delegates for the districts, wish to go to Chicago, Committeeman Williams will have them recognized and seated as alternates. An alternate has all the privileges of a delegate except voting.

On the incomplete vote the men who can serve as alternates-at-large are Rand, Harrison, Boyd and Butler, with Booth and Adams in the first district; Cooper and Curl in the second and Kellaher and Dunne for the third district.

Dwight V. Walker, who managed the Wood campaign in Oregon and who, as an instructed delegate, will vote

for Johnson, will leave for Chicago Sunday night. Sanfield MacDonald, the Johnson manager, hasn't decided on a date for departure.
