

### QUEEN CLAIRE WILL RULE ROSE FESTIVAL

Mrs. Cameron Squires Is Chosen by Committee.

### FIESTA PLANS ARE LAID

Censorship on Entries of Floats Will Be More Rigid Than Ever for Decorations.

Tall, stately and fair as a lily, Queen Claire will rule the court and all the great domain, with its thousands of loyal subjects who will be in Portland for the 1920 Rose Festival. For her majesty this year will be Mrs. Cameron Squires (Claire Wilcox), one of Portland's popular young society matrons. Mrs. Squires was chosen yesterday for this honor at the meeting of the executive committee, which was attended by about 50 of the prominent women of the city who are working for the success of the big festival event, and who are in charge of details for the floral parade. The committee met in the home of Mrs. Helen Ladd Corbett.

**Marriage Brilliant Event.**  
Mrs. Squires is the daughter of Mr. Theodore B. Wilcox, a well known patriot and civil work as well as being a social favorite. Her marriage was a brilliant affair some seasons ago. She is, in addition to being at work for the Rose Festival, a member of the committee that will stage a society vaudeville on June 5 for the benefit of the woman's building of the University of Oregon.

Keen interest is being shown in the Rose Festival floral parade. The committee having charge of the private entries, schools, women's clubs and organizations and communities, headed by Mrs. Helen Ladd Corbett, met at Mrs. Corbett's home yesterday and discussed plans. The executive committee included Mrs. Corbett, chairman; Mrs. Thomas M. Bason, vice-chairman; Miss Valentine Prichard, secretary; and Mrs. Lucius Allen Lewis, Mrs. W. E. Ayer, Guy Talbot, Mrs. George Boschke, Mrs. Lawrence R. Wheeler, Mrs. T. B. Wilcox, Mrs. Edgar Fisher, Mrs. Edmund C. Giltner, Mrs. F. J. Quinn, Mrs. M. Hirsch, Mrs. Joseph N. Teal, Miss Phillip, Mrs. Henry L. Corbett, Mrs. C. S. Jackson, Mrs. Bessie Buffon, Mrs. Andrew R. Porter, Mrs. C. C. Colt, Mrs. W. C. Tunk, Mrs. David Honeyman, Mrs. W. D. Wheeler, Mrs. Fred Morris, Mrs. J. D. Franklin and Mrs. J. R. Bowles.

**Another Committee Announced.**  
A committee on the queen and attendants includes Mrs. David Honeyman, chairman; Mrs. Henry L. Corbett and Mrs. Josephine Andrews, Mrs. Squires will be the queen and her attendants will be Miss Virginia Mears, Miss Nadine Caswell, Miss Katherine Alnoworth, Miss Elizabeth Bason, Miss Suzanne Caswell, Miss Elizabeth Boschke, Miss Elizabeth Shepard of Orange, N. J., Miss Rhoda Rumlind, Miss Katherine Hart and Miss Louise Linthicum. There will be two other attendants from out of town. A beautiful float will be the all-important attraction of the parade.

Mrs. Lawrence Wheeler is chairman of the committee on banners. A censor committee of six has been appointed.

**Entries Censorship Strict.**  
The censorship of entries will be more strict than ever. Unless a float is properly decorated and unless all entries can pass they will not be admitted. The committee on schools is headed by Mrs. G. J. Franke. The committee on women's organizations has as its head Mrs. Edmund Giltner. For each district there is a special committee as follows: North Hill, Mrs. William Wheeler and Miss Jean Mackenzie; Irvington, Mrs. William Woodward; Westside, Mrs. Victor Johnson; Mrs. Norris Gregg; Willamette Heights, Mrs. Gilbert Durham; Portland Heights, Mrs. Roy Smith; Twenty-fifth and Lovejoy, Mrs. Julius Louison; King's Hill and Arlington Heights, Mrs. Edward Jorgenson; Laurelhurst, Mrs. A. C. Holmes; East Moreland and Reed College, Mrs. E. B. Torrey; Mount Tabor, Mrs. J. C. Elliott; King, Milwaukie, Mrs. J. D. Kilgreen; Rose City Park, Mrs. Philo Jones; Ladd's Addition, Mrs. Fuchs; Waverley and Garthwick, Mrs. Victor Johnson; Oswego, Mrs. Howard Pettinger; Sellwood, Mrs. C. I. Sersuous; Beaumont, Mrs. F. C. Bumpus; Woodlawn, Mrs. W. W. Williams; others to be named later.

### BRIDGE WARNINGS POSTED

Notice Designed to Guard Against Repetition of Copalis Disaster.

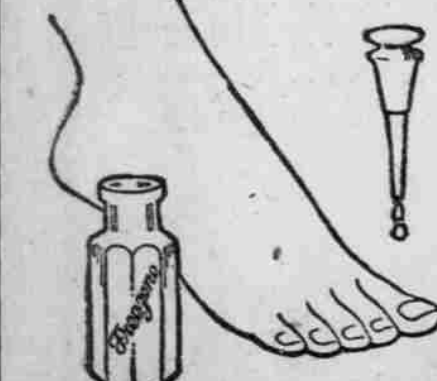

ABERDEEN, Wash., May 25.—(Special.)—Load limit signs are being made by the county engineer for every bridge in Grays Harbor county. These signs will tell the maximum load which can be taken with safety over each bridge, and are intended to prevent a repetition of the accident at Copalis bridge a few weeks ago, when the bridge collapsed under the weight of a truck-load of lumber. Some of the new signs already have been placed.

Signs giving directions and distances will also be prepared soon and will be placed at road intersections.

### Lift off Corns!

Doesn't hurt a bit and Freezezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet. A tiny bottle of Freezezone costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting; then abuse it until you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No-humburg!—Adv.

### CEILING OF LAND OPPOSED

STATE ENGINEER GIVES OPINION ON PROPOSED MEASURE.

If Land Is Given to Government Difficulty in Continuing Projects Is Foreseen.

SALZEM, Or., May 25.—(Special.)—That it is contrary to the best interests of the state to increase further the untaxed area of Oregon by ceding to the federal government lands embraced in Malheur lake to be known as the Roosevelt bird refuge, was voiced in a letter prepared here today by Percy Cupper, state engineer, and addressed to Haar and Cunningham, consulting engineers of Portland.

Ceding of these lands to the government will go before the voters of the state at the November election and was initiated through petitions filed with the secretary of state by the Roosevelt Bird Refuge association of Oregon. In my opinion, the passage of this bill would place in the hands of the federal government the absolute control of all unappropriated waters tributary to Malheur lake," said Mr. Cupper in his letter. "The principal streams involved are the Blitzen and Silvies rivers, from which a considerable area has been irrigated and along which additional irrigation development is contemplated. Eighty thousand acres of land along Silvies river recently have been included in an irrigation district and it is proposed to construct one or more large reservoirs on this stream for the storage of water for irrigation purposes. "Certain rights have been initiated on both the Blitzen and Silvies rivers, which may take precedence over the conveyance of these lands and water to the federal government. Should the people enact this measure, some plan would doubtless be evolved to question the validity of these filings and thereby exclude any development which would interfere in any way with the bird reserve."

### ESCAPADE ENDS IN JAIL

Clothing Salesman Arrested at Apartment of Two Girls.

George Shinkens, clothing salesman, was fined \$100 and sentenced to ten days in jail yesterday in municipal court on a charge of drunk and disorderly conduct following an escapade which resulted in his arrest early yesterday morning at 69 north Twentieth street. A quantity of moonshine and two pretty girls, Misses Grace and May Jones, are said to have formed two of the attractions at the party at the girls' apartment. During the excitement, Shinkens locked one of the girls out in the hall with the result that she had to climb back through the transom, according to the police. The police were finally called.

Grace Jones also was arrested for drunkenness. She was released by the judge. She is a waitress 24 years old. Shinkens is 44 years old.

### JUDGE RELEASES WOMAN

Deputy Attorney Thinks Victim "Crooks" Is "Boob."

Oscar Turner, negro, who is charged with larceny in connection with the disappearance of a wallet containing \$150 and a watch belonging to John Peterson, lumber piler of Mill City, will be given a hearing in the municipal court today. Judge Rossman yesterday released Mrs. Minnie Clifton and Mrs. Laura Sisco who helped Peterson at 505 Pettygrove street last Friday at the time the money and watch are said to have disappeared. Turner is said to have taken Peterson to the address. In asking that the women be released yesterday Deputy District Attorney Deich expressed the belief that Peterson was as much a "boob" as they were "crooks."

### Law Professor Nominated for Constable.

Sam Bass Warner of University of Oregon appears on Democratic Ticket.

UNIVERSITY OF OREGON, Eugene, May 25.—(Special.)—When Sam Bass Warner, professor of law in the University of Oregon, gets down to the bag end of the election returns in his morning paper, he's due for one of the surprises of his career.

Professor Warner was not an active candidate for the office of constable. In fact, by no word or act did he allow anybody to get the idea that he might be prevailed upon to make the race. And yet—Sam Bass Warner apparently has been nominated for constable on the democratic ticket. Here, according to some of Professor Warner's many friends among the law students, is a clear case of the office—or, rather, the nomination—seeking the man. It did not require a large number of votes to land that particular nomination, and law students are suspected of having led a movement to give their professor a start in public life. The official count is expected to prove Warner the winner. Just to show that this was not a partisan matter, some of Mr. Warner's friends voted for him on the republican ticket also. He did not, however, succeed in securing that nomination, which probably gives him a chance to wriggle out of serving. Mr. Warner is a graduate of Harvard and of the Harvard law school, leaving no doubt, the students say, of his qualifications.

Frank Wilcox received their high school diplomas. Both young men are planning to enter the University of Oregon next fall.

### Do your shoes wear through like this?

If so, you probably have a callous on the sole of your foot directly above the worn spot on the sole of your shoe. This spot wears through because one or more of the bones in the ball of your foot is out of normal position and lower than those on either side of it. The abnormal pressure on this spot, besides making the shoe wear out quickly, may cause Morton's toe or other pain at that point. Frequently a callous forms on the foot. In time the callous becomes very sensitive. The distortion may cause pain in the toes, ankle, calf, knee, thigh, hip, back, and sometimes in the back of the neck. You can avoid this by wearing Wizard Lightfoot Adjustable Arch Builders and Callous Relievers in your shoes. Beneath these all-leather Arch Builders and Callous Relievers are overlapping pockets, so located that inserts of any desired thickness can be placed in exactly the right spot to support the dislocated bones in normal position. Adjustments are simply made by shifting inserts or changing their thickness. Being all leather, Wizard Lightfoot Adjustable Arch Builders and Callous Relievers are light, flexible and are worn in the shoe without one being conscious of them. Wizard Lightfoot Arch Builders and Callous Relievers are sold by leading dealers everywhere. Usually where they are sold there is an expert who has made a study of fitting them. If there is no such dealer near you, write the Wizard Lightfoot Appliance Company, 1627 Locust Street, St. Louis, Mo., or 925 Marbridge Bldg., New York City. Ask for "Orthopraxy of the Foot"—a simple treatise on foot troubles. No charge.

### Look at Your Shoes

Are They Worn at the SOLES? TOES? HEELS?

If so, the trouble originates with either the fitting of the "shoe" as to style or size or the direct result of some form of foot trouble, or both.

If your shoes look like above illustrations, come in and have our Foot Specialist examine your shoes and feet; he will tell you what causes your troubles and a way for relief with Wizard Foot Appliances—and
