Decoration Day Special

Toyo Japanese Panamas \$2

We would say that the price is "ridiculously" low were it not that the saving is so shrewd, albeit the price is small, that keen men will want to take advantage of it right away. You know the Toyo. You know that it patterns almost exactly after the genuine South American Panama. You know how it WEARS. But you've never known it to be so low priced. So you'll know it's a good time to get one for Decoration Day and all summer days.

Straw Hat Headquarters

Looks like a forest of them in our Men's Hat Store—a step inside the Morrison-street entrance. Best assortments you'd want to see. Lots of variety. A broad price range—al moderate. Snappy service. Everything.

Self conforming flexible straws that readily adjust themselves to the shape of the head at \$3 up. All styles. New champagne color looks good to most men who want to pay this low price. All sizes.

Other straws in uncommon variety from Knox and other leading makers. Prices show wide latitude. Genuine South American Panamas may be had as low as \$5.

—Meier & Frank's: The Store for Men, Main Floor.

Last Chance for Decoration Day

Sale of Young Men's Suits \$27.50

The price alone will tell you that this suit sale is an extraordinary occasion, for you know that our kind of suits—suits that are MEIER & FRANK standard in fabric, fit, tailoring and style—suits that we can stand behind—such suits as these would be quite unusual at twenty-seven dollars and fifty cents. But we will say further that these are easily worth from \$10 to \$20 more than \$27.50. And yet they're fully up to our standard. "Nuff sed."

N. B.—Strictly young men's. But those men who do not find their model in this group will have no trouble in getting their model in any one of several other fine groups most advantageously priced.
