WE would be unfair to the splendid qual-ity furnished us by the Chandler fac-tory if we allowed a "used Chandler' car to be sold throughout salesrooms— "as is."

FOR SALE-AUTOMOBILES.

With us there is no such thing as a used Chandier. True, we take in Chandiers on trades, but we turn them out as rebuilt cars. No customer buying from us has any choice to the amount of repaid needed. We overhaul them thoroughly and stand solidly behind them with a cuarantee, the same as the factory guarantee on a new car. Chandier used cars today are priced throughout this paper by other dealers on a particle of the competitive cars now selling from \$500 to \$1000 higher.

If two or three years' service will bring these higher priced cars down to Chandler level, what will develop in the next few years of service? 'Chandler quality' is your insurance against buying 'as is' troubles. Look our line over. Take advantage of our long-time terms and buy with the feeling that your repair bills for some time have been taken care of through the thoroughness of our overhauling and rebuilding.
