

SEVENTH GRADE FOR 400 GRADUATES

Washington, Jefferson and Franklin Classes Attend.

"BE LOYAL," IS COMMAND

Dr. W. T. McElveen, Dr. Edward H. Pence and Dr. John H. Boyd Deliver Addresses.

Nearly 400 graduates of Portland high schools heard special sermons addressed to them yesterday.

Three of the most popular pastors in Portland were the speakers to the students who are about to embrace collegiate or business careers.

One hundred and twenty-eight Washington high graduates heard Dr. W. T. McElveen speak at the congregational church this morning on "Getting Ready."

Dr. Edward H. Pence addressed more than 190 Jefferson high students at Westminster Presbyterian, speaking on "When Future Becomes Present."

Dr. John H. Boyd addressed students in the evening at the students of Franklin at the First Presbyterian church on "The School Song Are Sung."

The Washington high students at the First Congregational were quite irrefragable, and they concluded the service by singing their school songs, probably for the last time together.

The sermons were of course, baccalaureate addresses. In the Washington high group were 81 girls and 47 boys. Seven of the group had supported the "Thomas" issue at school, and Dr. McElveen extended to them his congratulations.

Seventy-nine of the Washington students were college boys, five of the boys enlisted in the army and passed two or more years in the service. They were in the ranks of the 101st, 102nd, 103rd, 104th, 105th, 106th, 107th, 108th, 109th, 110th, 111th, 112th, 113th, 114th, 115th, 116th, 117th, 118th, 119th, 120th, 121st, 122nd, 123rd, 124th, 125th, 126th, 127th, 128th, 129th, 130th, 131st, 132nd, 133rd, 134th, 135th, 136th, 137th, 138th, 139th, 140th, 141st, 142nd, 143rd, 144th, 145th, 146th, 147th, 148th, 149th, 150th, 151st, 152nd, 153rd, 154th, 155th, 156th, 157th, 158th, 159th, 160th, 161st, 162nd, 163rd, 164th, 165th, 166th, 167th, 168th, 169th, 170th, 171st, 172nd, 173rd, 174th, 175th, 176th, 177th, 178th, 179th, 180th, 181st, 182nd, 183rd, 184th, 185th, 186th, 187th, 188th, 189th, 190th, 191st, 192nd, 193rd, 194th, 195th, 196th, 197th, 198th, 199th, 200th, 201st, 202nd, 203rd, 204th, 205th, 206th, 207th, 208th, 209th, 210th, 211th, 212th, 213th, 214th, 215th, 216th, 217th, 218th, 219th, 220th, 221st, 222nd, 223rd, 224th, 225th, 226th, 227th, 228th, 229th, 230th, 231st, 232nd, 233rd, 234th, 235th, 236th, 237th, 238th, 239th, 240th, 241st, 242nd, 243rd, 244th, 245th, 246th, 247th, 248th, 249th, 250th, 251st, 252nd, 253rd, 254th, 255th, 256th, 257th, 258th, 259th, 260th, 261st, 262nd, 263rd, 264th, 265th, 266th, 267th, 268th, 269th, 270th, 271st, 272nd, 273rd, 274th, 275th, 276th, 277th, 278th, 279th, 280th, 281st, 282nd, 283rd, 284th, 285th, 286th, 287th, 288th, 289th, 290th, 291st, 292nd, 293rd, 294th, 295th, 296th, 297th, 298th, 299th, 300th, 301st, 302nd, 303rd, 304th, 305th, 306th, 307th, 308th, 309th, 310th, 311th, 312th, 313th, 314th, 315th, 316th, 317th, 318th, 319th, 320th, 321st, 322nd, 323rd, 324th, 325th, 326th, 327th, 328th, 329th, 330th, 331st, 332nd, 333rd, 334th, 335th, 336th, 337th, 338th, 339th, 340th, 341st, 342nd, 343rd, 344th, 345th, 346th, 347th, 348th, 349th, 350th, 351st, 352nd, 353rd, 354th, 355th, 356th, 357th, 358th, 359th, 360th, 361st, 362nd, 363rd, 364th, 365th, 366th, 367th, 368th, 369th, 370th, 371st, 372nd, 373rd, 374th, 375th, 376th, 377th, 378th, 379th, 380th, 381st, 382nd, 383rd, 384th, 385th, 386th, 387th, 388th, 389th, 390th, 391st, 392nd, 393rd, 394th, 395th, 396th, 397th, 398th, 399th, 400th.

WASHINGTON CONVENTION AT ABERDEEN CLOSURES.

Yakima, Whose Delegates Opposed Master Bouck, Defeated for Next Gating.

ABERDEEN, Wash., June 6.—(Special.)—The 1921 convention of the Washington state grange will be held in Colville, it was decided Saturday at the closing session of this year's convention. Colville boosters for a time had close rivals in the delegation from Yakima, but developments at the convention, it is rumored, led to the withdrawal of the Yakima invitation.

The Yakima delegates organized the opposition to William Bouck, state grange master, which provided the most spectacular developments of the convention. Bouck, who has been the standard for repeal of the criminal syndicalism act and the sedition laws.

A resolution demanding release of "political prisoners" was passed after debate and the Bouck supporters put through a motion asking that American Legion post of this city to participate in a newspaper debate on the subject of syndicalism. Conservative members have accused the state master of sharp politics in gaining through a motion asking that American Legion post of this city to participate in a newspaper debate on the subject of syndicalism.

A proposal to merge management of all the co-operative grange warehouses through a national committee from a co-operative buying agency was sent back to a special committee and the co-operative committee.

Activities of the state farm bureau received qualified endorsement from the convention. It is rumored that the executive committee resigned in protest at the Aberdeen convention. The executive committee resigned in protest at the Aberdeen convention.

But Dr. Boyd, as was his habit of yore, clothed many ideas originally and gave many a pill of sage advice with a sugar-coating of novelty.

Tombstone Named by Boy Obeying Lucky Hunch.

Oregon Resident Located Rich Camp When Army Guide.

GOLD HILL, Or., June 6.—(Special.)—The several recent newspaper and magazine stories going the rounds of the origin of the great stone named town of Tombstone, Arizona, which appellation was adopted from the famous mine, which was named by the discoverer, Schieffelin, a Gold Hill boy, a millionaire, has a varied version among the several writers.

According to Judge C. B. Watson of Gold Hill, a lifelong friend and adviser of the discoverer, Schieffelin related to the judge in after years, the naming of this rich mine came about in the following manner:

It was in the late '70s when General James H. Ingram, chief of the United States army, was on a tour of the southwest that Schieffelin found some very promising prospects at the "Bombstone" mine, but on account of the Indian warfare and shortage of supplies in this isolated country, he covered his new find and retired to Nevada.

The next spring, burst and with only his most trusted outfit, Schieffelin returned to the mine for the purpose of getting a grubstake, he engaged himself as guide to a detachment of United States cavalry, which was seeking an unknown route into the Indian country and beyond the new find.

Reaching the diversion point on the trip, and on leaving the troopers, pointing to his way and the distant hills, and addressing the commanding officer, he said, "Out there I expect to find my fortune." The officer replied, saying, "Well, you'll find your tombstone—Ho! Geronimo will get you."

The Gold Hill youth got his inspiration from the uncovering of the famous Gold Hill pocket, which he had seen several hundred dollars in hidden wealth. He left his home country, knowing that he would find his fortune in the hills, and he made good. The old homestead where the lucky prospector was born, is six miles below Gold Hill on the Rogue.

WOMEN'S HOME RUSHED

University Fund for Structure Now Nearing Completion.

EUGENE, June 6.—(Special.)—With only \$10,000 yet to be raised to complete the \$100,000 needed to insure the completion of the women's building on the campus, work has been received on the campus from Mrs. George Gerlinger of Portland, member of the board of regents, in charge of the three-year campaign waged for funds, that there is a prospect of filling the fund by commencement, June 21.

Public work on the building is progressing. Shortage of brick and other material has delayed operations, but the trouble appears to have passed, and the university authorities expect the building to be ready for use at the opening of the fall term this year. The building, 100 feet in area, and three stories high, is to accommodate the women's department of physical education, a large gymnasium, baths and swimming pool, and to serve as a center for women's activities on the campus.

With the abandonment of the present women's gymnasium, erected in 1881, a certain amount of classroom space will be released for other uses. The new building, adjacent to Hendricks hall, the women's hall residence, on the southeast. The women's athletic field is to be within easy reach of this building.

Julius Caesar wrote a cipher system which was not decoded for 1400 years. It was seventy years ago Pennsylvania the United States in wheat production.

CHURCHES OBSERVE 'OREGON SUNDAY'

Need of Industrial Growth Told in Pulpits.

CHAMBER BACK OF MOVE

Campaign Being Waged in State to Have Citizens Develop Loyal Allegiance.

Co-operative efforts in the intensive development of Oregon, formed the theme of sermons and sermonettes in the majority of Portland churches yesterday. The day was known as "Oregon Sunday," and members of the ministerial association, representing the larger number of orthodox churches of the city, pledged themselves to mention in their sermons the need for state industrial expansion.

The movement observed in Portland churches yesterday originated with the state chamber of commerce which is waging a special campaign for loyalty as applied to state development. Many of the pastors based their sermons on the physical resources which the state offered and the need for co-operation among all citizens of the state to bring about good which will aid directly and indirectly everyone living in Oregon.

"There is a collective soul in life," said Rev. Robert Murray Pratt, pastor of the Pilgrim Congregational church, at the morning service, adopting as his sermon topic "Great Expectations."

"The state possesses a soul, made up of the aggregate of its constituency. The individual may feel deeply, think intensely, speak emphatically and act determinedly, but for real power of expression the individual can never equal the state in its concerted, cumulative effort."

"There is a great psychological truth, that we receive in proportion to our expectations. The men of business who expect business get what they expect in proportion to their faith."

"We shall do well to entertain great expectations regarding our great state, in a strong desire that splendid resources shall be used and recognized, that Oregon shall shine brightly in the constellation of Columbia. It is a matter of justifiable pride and of the same time neglecting the opportunities that present themselves, and which seized would fit them for the greater things."

Dr. Nugent's subject was "The Importance of Preliminary Battles" and from this statement, Dr. Nugent declared that the Lord that delivered me out of the paw of the lion, and out of the paw of the bear, he will deliver me out of the hand of this chastity," as his text.

He stated that if David had fled from the bear and left the lamb to his fate, he never would have been able to have met the lion, but having killed the bear he was ready for the lion; and these preliminary battles prepared him later for the giant.

Dr. Nugent had the commencement season in mind when he said: "What a man did when he met the giant was determined those other days when he met the bear and the lion. What we do today is determined by what we did yesterday. And what we shall do tomorrow is determined by what we do today. If we are not now winning skirmishes we can never expect to achieve any great victory for God or man. The preliminary battles are all-important."

CHILDREN'S SERMON GIVEN
