PORTLAND FOUR LEADS

Entries to Be Accepted Today at First Tee in Men's Amateur State Championship.

BY ROSCOE PAWCETT. Brilliant golf on the part of Dr. O. F. Willing and Forest Watson featured the opening day of the 1920 Oregon state golf championships yesterday at the Waverley Country club.

The Portland Golf club led with the lowest aggregate gross score of 645 strokes. Waverley Country finishing close behind with 648. These two teams will meet in the finals for the trophy next Sunday afternoon at match play in two four-ball matches.

Willing plays Par Golf. The card turned in by Dr. Willing and Forest Watson were unusually good. Despite the rain and the slow turf Willing negotiated the 36 holes in 75-71-146 and Watson in 72-77-149. Par at Waverley is 71. Heinrich Schmidt, former western champion, struck his first hole in one on the final 18 holes. Rudy Wilhelm and Russell Smith also had holes in one.

It has been proved that the Beavers are to be found lacking as a home club, but will they get back on Boss Walter McCredie's statement that on the road they are "champions" when they engage Oakland in a seven-game series in the south beginning this afternoon.

Beavers Boost Bees. Vernon trimmed Del Howard's crew five games out of seven last week, while Portland dropped five out of six to Salt Lake. The Bees, going into a tie for first place with San Francisco as the result of their drive on the Vaughn street lot, while at the same time Los Angeles was taking the Seals into camp in Los Angeles, garnering five out of the seven games played in the Cafeteria city.

Portland can't beat Oakland this week it will look bad. McCredie's pitchers have been registering a record of 10 wins and 10 losses and are about due to win some games again. Two new faces will make their appearance in Portland uniforms this week in Bert Glasier, pitcher, and Fred Ley, a young outfielder.

Frank Jones, who drew his pay from the Portland club up until the other day when he left for Merced, Cal., presumably on a visit, but in reality to meet Ernie Farron, made it plain to pitch for the Chochilla club of the San Joaquin league, has evidently listened to the call of the bushes as he worked in the box for Chochilla yesterday, losing his game 1 to 3 to the locals.

Earl Sheely of Salt Lake still leads the Pacific coast league hitters, according to the averages, including batting average, fielding and error. First sacker is hitting at a .371 pace and fattened materially in the series against Portland last week.

You not only get complete tobacco satisfaction from a little of the Real Tobacco Chew—But it costs you less.

The rich tobacco taste lasts so much longer than the old kind—you don't have to have a fresh chew nearly as often.

Any man who uses the Real Tobacco Chew will tell you that.
