RECKLESS MOTORIST

And now, autoists, get ready for one more grief, almost as bad as the two-gallon gasoline limit.

Have you heard about your driving license yet?

What! Didn't know about it? Well, here goes!

At the special session of the legislature there was passed a measure providing that every driver must carry a special driving license, without which driving is forbidden. Said light for the providing that every driver must carry a special driving license, without which driving is forbidden. Said light for the providing to the providing that every driver must carry a special driving license, without which driving is forbidden. Said light for the providing to the providing that every driver must carry a special driving license, without which driving is forbidden. Said light for the providing to the providing that every driver must carry a special driving license, without which driving is forbidden. Said light for the providing to the providing that every driver must carry a special driving license, without which driving is forbidden. Said light for the providing that every driver must carry a special driving license touring the United States and Canada to investigate department store methods in this country. The party arrived last night and will spend all of today here. They are accompanied by ten eastern merchants. Who are touring the United States and Canada to investigate department store methods in this country. Each one of these organizations is spend all of today here. They are accompanied by ten eastern merchants. The party is to leave this evening for the north.

A special committee, headed by Hardway A C Miller and W. R. Wing Well, here goes!

At the special session of the legislature there was passed a measure
providing that every driver must carry
a special driving license, without
which driving is forbidden. Said license is in the form of a card declaring that the driver is mentally and
physically fit to drive a garand is a hysically fit to drive a car and is experienced for the job. Every motor owner will receive the necessary

The bill was introduced by Senator Orton at the request of the Portland Orton at the request of the Portland branch of the national safety commission. It was designed to curb traffic accidents and reckless driving, but what worries police officials is that what worries police officials is that contains and workers will, in their one-day's cleanup effort tomorrow, but the contains and the contains and workers will, in their one-day's cleanup effort tomorrow, and the contains and the contains and the contains and workers will be contained to the contains and the cont what worries police officials is that the measure makes no provision for the number of convictions that shall result in a license suspension. The whole thing is up to the secretary of whole thing is up to the secretary of the campaign in the state outside of Portland will begin this week at Eugene. Corvallis, Marshfield, North

sorenson Sorenson, as one automobile authority expressed it, and by the use of influential friends retain his driv-

ing license.

The law provides for no examina-tion. The driver must file a state-ment that he has driven for five days.

as Minister July 4. Rev. A. J. Joslyn of Canby, Or., will

Rev. A. J. Joslyn of Canby, Or., will complete and commemorate his half century in the ministry of the Methodist Episcopal church by an all-day July Fourth service at the Rock Creek Methodist church near Needy, Or., or in the grove nearby.

Rev. Mr. Joslyn preached his first sermon on the old camp ground near Needy July 4, 1870, which will be fittingly observed by an oration in the morning by the Rev. E. E. Gilbert, D. D., superintendent of the Salem district. Mr. Joslyn will occupy the afternoon hour in a semi-reminiscent address.

address.

INSTANTLY KILLED

Choker Setter at Astoria Logging

Camp Struck by Log. ASTORIA. Or., June 13.—(Special.)
—John G. Berg, a choker setter employed at the Larkin Green Logging company's camp near Blind slough, was instantly killed about 10 o'clock this morning. A log that was being hauled out struck a snag which hit Berg, cutting his body in two.
The deceased was a native of Sweden, 30 years old. No relatives live in this country.

PIONEERS NAME OFFICERS

Cyrus Walker, Oldest Member, Talks Interestingly at Reunion. EUGENE, Or., June 13.—(Special.)— William M. Pitney of Junction City was elected president of the Lane

County Pioneers' association at the annual reunion here yesterday. Other officers are C. E. Russell, vice-president, and W. L. Bristow, secretary. An old-fashioned pioneer basket dinner was served at noon, Cyrus W. Walker of Albany, who claims the distinction of being the oldest living white person born west of the Rocky mountains, was the main speakers. The secretary reported a list of members who have passed away since the first annual reunion as follows:

State Driving License Soon
to Be Required.

TEETH ARE IN MEASURE

TEETH ARE IN MEASURE

At Discretion of Secretary of State

Permit May Be Suspended
or Taken Up.

The secretary reported a list of members who have passed away since the first annual reunion as follows: D. C. Baughman, Cottage Grove; Mrs. Jane Veatch, Cottage Grove; Dr. N. L. Lee, Junction City; T. G. Hendricks, Eugene; Jane Scott, Creswell; A. J. Moore, Junction City; Warren H. Luckey, Eugene; Mrs. Nancy Griffith, Dexter: David R. Lakin, Eugene; James Willoughby, Harrisburg; Mrs. Sarah E. Wynn, Cottage Grove; Jesse B. Lewis, Cottage Grove; Samuel Curtis, Trent; William N. Bogart, Coburg; J. J. Gulliford, Eugene; Jemima Robinett, Creswell; Silas Russell, Lowell; Mrs. Shortridge, Cottage Grove; Mrs. Blair, Eugene: George Milligan, John Cantrell, E. E. Turpin, George Midgley, Eugene; Mrs. Carrie Stewart, Creswell and Perry O'Neal, Creswell.

The fund to date has reached \$27,279.50, which leaves a balance of \$32,720.50 to be subscribed before the goal will have been achieved. It

Poultry Demonstrations Planned. ALBANY, Or., June 13 .- (Special.) -The Linn county farm bureau has is experienced and is physically and mentally sound. There is another provision that gives the maimed and those with deficient members a special permit at the option of the seceach vicinity may conveniently at-tend at least one of the demonstra-tions. according to officers of the company, and several thousand of the refriger-ators have been shipped to points

to F. H. Barstow, local manager. Engineers have been making a survey of the district around the city in search of a suitable location of 100 or more acres. While the plant will be used primarily for commercial messages to San Francisco, it will be capable of sending and receiving messages from points throughout the United States and even in foreign

COUNCIL TO REORGANIZE

New Life Being Given Agricultural Group at Eugene.

EUGENE, Or., June 13 .- (Special.) The Lane county agricultural coun-cil is being reorganized and will soon be down to work again after activitles had ceased for more than two years. On account of the war, the farmers were so busy with other ac-tivities that the council was temporarily disbanded.

At a meeting in the office of Ira P. Whitney, county agent, Wednes-day afternoon, the executive committeemen of the old council, the Pomona grange and the grange shipping asso-

ganizations throughout the county.

A committee consisting of F. B. Harlow, A. C. Miller and W. R. Wing was named yesterday to formulate a programme for the coming year for adoption by the council when it is fully organized.

persinced for the Job. Every motor owner will receive the necessary blanks this week.

That's easy, you say But, beware, ye reckless!

There are teeth in this measure. At the discretion of the secretary of state the driving license may be suspended or even taken up altogether. No license, no driving!

License is Required.

Everyone who drives must have a license by July 1. The cost is '25 ents.

On the basis there will be 100,000 care in Orgon this year—the total is close to 99,000 now—and on the assumption an average of two persons. More speculation. That should result in \$50,000 for the state highway fund.

Physically fit to drive a car and is experience of the incomplete of the morphism of the party will be taken to Lipman, Wolfe & Co's store for breakfast and the remainder of the morphing will be spent in visiting local department stores. At noon the visit chamber of commerce. The campaign of the Orgon State will be required.

Everyone who drives must have a license by July 1. The cost is '25 ents.

On the basis there will be 100,000 care in Orgon this year—the total is close to 90,000 now—and on the assumption an average of two persons. More speculation. That should result in \$50,000 for the state highway for the intensive development of Orgon.

More speculation. That should result in \$50,000 for the state highway for the intensive development of Orgon.

More speculation which will be extra help in the secretary of state's office and hinter field deputies at \$150 per month each, which with printing, postage and incidentials, will probably run up the expense to \$20,000 a year, thus—a problematical—\$30,000 a year, thus—a problematical—\$30,000 a year, thus—a problematical—\$30,000 a year for the highway fund.

Traffic Curb Sought.

An important conference will be a confirmed will be excentage of the correct and Chamber on a confirmed will be required. The formal problem is a confirmed will be extra help in the secretary of state's office and hinestical deputies at \$150 per month each, which with printing, post as having several branch warehouse and purchasing agencies.
