

McADOO'S ACTION GIVES GLASS LEAD

Senator's Chance for Nomination Held Good.

BOOM WELL UNDER WAY

Ex-Secretary's Refusal to Enter Race Proves Keen Disappointment to His Friends.

WASHINGTON, June 18.—(By the Associated Press.)—The refusal of William G. McAdoo to allow his name to be presented to the democratic national convention apparently did not come as a very great surprise in inner administration circles. To other democratic leaders in Washington, however, it seemed to be wholly unexpected and to his friends it came as a keen disappointment.

Some party leaders tonight said that Mr. McAdoo's self-elimination left the situation more or less "in limbo." They regarded the former secretary of the treasury as one of the foremost candidates. While Mr. McAdoo had insisted from the first that he was not a candidate and that the delegates should go to San Francisco unimpeded, it is known that a number of them were favorable to his candidacy.

In fact, the McAdoo boom had reached such proportions that the senate committee which investigated the pre-convention campaign expenditures made repeated efforts to discover whether there was a national organization behind it. R. M. Baruch of New York and a number of others were questioned, but they insisted that there was no organization and that no funds on behalf of Mr. McAdoo had been spent.

Glass Boom Is Started.

Dr. Burrus Jenkins of Kansas City, Mo., had planned to bring Mr. McAdoo's name before the convention. He was invited to do so at a meeting of McAdoo supporters here last month which was held in a quiet Shoshonee restaurant. Mr. Jenkins, who is assistant secretary of the treasury, D. C. Roper, former commissioner of internal revenue; Frank H. Wilson, former director of liberty loan publicity, and others.

Coincident with Mr. McAdoo's announcement that he would not permit his name to go before the convention, Mr. Shouse issued a statement saying that an "active fight" would be waged for the nomination of Senator Carter Glass of Virginia, who has been looked upon as the certain choice to head the resolutions committee at San Francisco.

Mr. Shouse declared that the movement for the nomination of Senator Glass "has already reached formidable proportions" and that "a number of the most loyal McAdoo men" had declared that they "would exert themselves to the limit on behalf of Senator Glass."

Glass Wilson Supporter.
Mr. Glass was one of the administration leaders in the house of representatives until he resigned to become secretary of the treasury, when Mr. McAdoo retired. While in the house he fathered the federal reserve and farm loan bills and secured his appointment to the senate by Governor Martin of Virginia, he has supported the president in the treaty fight.

It was Senator Glass who framed the Virginia democratic platform with the league of nations plank which President Wilson recently publicly approved and which is expected to form the basis for the league plank at San Francisco.

The Virginia delegation has been instructed to vote for Senator Glass. The elimination of Mr. McAdoo narrows the field to 11 contestants so far as is now known. Attorney-General Palmer will enter the balloting with the Pennsylvania delegation instructed for him. South Dakota, for at least a part of the delegation from Georgia, in which state he received a plurality of the primary votes.

Two states—

Delegates from Ohio and Kentucky have been instructed for Governor James M. Cox of Ohio, while those from New Jersey have been instructed for Governor Edwards. Other instructed delegations are: Nebraska, for Senator G. M. Hitchcock of that state; Iowa, for Secretary Meredith of the agricultural department; Oklahoma for Senator Robert L. Owen of that state; South Dakota, for James V. Gerard, former ambassador to Germany; North Carolina, for Senator F. M. Simmons, and Oregon, for McAdoo.

J. W. Davis of West Virginia, ambassador to Great Britain, and Homer S. Cummings of Connecticut, chairman of the democratic national committee, whose names are also expected to be presented to the convention, have no delegations instructed for them and with the exception of the states named the delegations are uncommitted.

Representative Flood of Virginia's four delegates-at-large to San Francisco, in a statement said:
"Mr. McAdoo's withdrawal adds greatly to the strength of Senator Glass and the Virginia delegation will push Mr. Glass' chances earnestly and enthusiastically in great hope of success."

which is as near as need be to the resultant of the opposing tendencies of the party.

Mr. Smith is favorable.

Representative Smith of Idaho, who discussed reclamation with Mr. Harding, said after his visit that "Senator Harding spoke enthusiastically of the development of land and he is very much in favor of it."

Senator Harding spent much of the day in conferences with Harry M. Daubert of Columbia, his pre-convention campaign manager, and others, in regard to plans for the campaign.

Definite action on a number of subjects is expected to be taken Monday at a conference which the nominee

will have with a committee appointed at Chicago and composed of Chairman Hays, National Committeeman A. T. Hertz, Kentucky; Jacob L. Hamman, Oklahoma; C. D. Hillis, New York; Ralph E. Williams, Oregon, and former Senator John W. Weeks of Massachusetts.

Herbert Hoover, whose name was voted on to the last at the republican convention, broke ground today with Senator Harding at the senator's invitation.

George Clark of Canton, O., chairman of the Ohio state republican advisory committee, called on Senator Harding today to lay before him plans for the Ohio campaign. Republicans in that state, he declared, were ready to go ahead as soon as the republican nominee had endorsed the plans.

Senator Harding, in his daily talk with newspaper men, referred briefly to his conference with Mr. Hoover.

"We discussed the political situation extensively and I think with a great degree of satisfaction," he said. Senator Harding has begun the preliminary work on his speech of acceptance to be made at the republican senator today where Senator McNary, republican of Oregon, who was asked for information regarding reclamation and irrigation subjects.

STOCK IN BREWERY CHARGED
Ownership of Block by Harding Alleged by Hinshaw.

CHICAGO, June 18.—Senator Warren G. Harding, republican presidential nominee, formerly owned stock in a brewery, according to a statement issued by Virginia Hinshaw at prohibition national headquarters here today.

According to Hinshaw, Harding admitted at a dinner given by Thomas B. Felder at the New Willard hotel in Washington two years and a half ago "that he had owned brewery stock in Ohio."

The dinner, Hinshaw said, was given in honor of Nat Harris, the "dry" governor of Georgia.

The statement adds that Harding later voted for the federal prohibition amendment and voted for the Volstead act over the president's veto.

"It was difficult to tell from Mr. Harding's speeches just where he stood or in which direction his sympathies lay," Hinshaw added.

REVOLT PLANS DETAILED

Mohammedan Uprising Against British Rule Would Have Aid of Bolsheviki Forces.

WASHINGTON, June 18.—(By the Associated Press.)—Details of the much-heralded uprisings in the Mohammedan world against British rule and in favor of the Turkish nationalists and bolsheviki were received yesterday in official advices.

The reports confirm advices as to Moscow and Munich conferences received some time ago by the state department. Enver Pasha, Djemal Pasha and Talaat Pasha, Turkish nationalist leaders, were reported to have conferred with spartacists and bolsheviki at Munich, while representatives from India, Egypt, Afghanistan, Persia, Azerbaijan and Georgia met Turkish nationalists and Lenin, the bolshevik leader, at Moscow. Plans for uprisings in the Mohammedan world coincident with a bolshevik thrust at Persia and India are said to have been laid at these meetings. A force of 150,000 troops commanded by General Kurovpatkin was promised the Mohammedan world by Lenin at Moscow, it has been reported.

Following the two conferences, a training school was established at Moscow for representatives of the Turkish nationalists, according to the official dispatches received today.

From this school, after a rigorous course of instruction in the plans and objects of the conspiracy, groups of from 10 to 20 and 50 of the "Young Turks," it is said, were sent to propaganda headquarters in Persia, Afghanistan, India, Egypt, Georgia, Azerbaijan and Bulgaria. It is said the intrigue and make ready for the march southwestward of the bolshevik army, and probably with headquarters at Cairo, the Egyptian army, southwestward toward Egypt. Enver Pasha, chief of the Turkish nationalist conspirators, it was reported today, "arrived in Berlin for a second visit last week, acting as the chief liaison officer between the bolshevik German revolutionists and 'Young Turks.' Djemal Pasha was reported in Moscow, and Talaat Pasha for the present is making Switzerland his headquarters.

According to the official reports the Turkish nationalist and bolshevik propaganda has been particularly effective among the fanatical Egyptian tribesmen, the Zenussi, in the Libyan desert. The situation there is reported critical.

VAN OF CONVENTION AT SAN FRANCISCO

First Democrats From East Arrive in Special Train.

APPOINTMENTS ARE MADE
Sub-Committee on Arrangements Holds First Formal Meeting.

McAdoo Centers Interest.
SAN FRANCISCO, June 18.—The first special train bound to the democratic national convention from an eastern point arrived from Chicago today bearing James B. Preston and William Donaldson, superintendents of the senate and house press galleries, respectively, and 80 working newspaper men.

The first formal meeting of the sub-committee on arrangements was held today, Homer S. Cummings, chairman of the democratic national committee, presiding.

After the meeting of the sub-committee of arrangements the following appointments were announced, subject to the approval of the national committee, which is to meet on June 25:
Cummings, temporary chairman.

Temporary chairman, Homer S. Cummings, Connecticut; secretary, Edward G. Hoffman, Indiana; executive secretary, W. R. Hollister, Missouri; chief reading secretary, Representative Thomas F. Smith, New York, former secretary of Tammany hall; chief tally clerk, A. R. Canfield, Michigan; parliamentary, Clarence Cannon, Missouri, former parliamentary of the United States house of representatives; honorary sergeant-at-arms, John R. Martin, Missouri, sergeant-at-arms, J. J. Sinnott, Virginia; official reporter, Harry Couch, Indiana.

The committee announced there were still a number of assistant secretaries and assistant reading clerks to be named and that these would likely be women.

Announcement by William G. McAdoo that he could not permit his name to be put before the democratic convention divided interest here with the arrival of leaders of the governor cox faction and the suffrage declaration of Mrs. Abbey Scott Baker, political chairman of the national woman's party.

Ratification to Be Asked.
"Our party will demand that the democrats give us the 26th state," Mrs. Baker said. "In other words, they use all their influence to add the one ratification by a state legislature of the national suffrage amendment to the constitution necessary to make our party a national law. We have 35 states already. A resolution in the platform will help us have control of the suffrage which will be in the democratic party to those lower down is what will count most of all."

Mrs. Baker, who is one of the women who directed the picketing of the White House, charged the republican convention with having denied the suffrage issue. In Vermont and Connecticut there were republican majorities in the legislature, which would ratify the amendment on instructions from the party leaders, she said.

Mrs. Antoinette Funk of Washington, D. C., one of the personal friends of McAdoo, who has been working in the state, said that his announcement was something that had been feared for a long time.

"We who are friends of Mr. McAdoo and most anxious to bring about his nomination have known for months that he would be apt to make a statement of this nature," she said.

"As a matter of fact, he prepared a similar statement before this and his friends induced him to hold it up. 'He has never given anyone permission to place him in nomination and, although some of us have taken steps to that end, it has been with the understanding it would be necessary to get his acceptance.'

"However, I have heard him say many times that if the people through their delegates called upon him to take the nomination it would be his patriotic duty to accept."

McAdoo Backers Alter Plans.
Announcement that Bernard Baruch and Thomas L. Chadbourne, who were to maintain headquarters here to promote the candidacy of William G. McAdoo, had cancelled their hotel reservations and would not come to the convention, was made by party leaders. Daniel C. Roper, former commissioner of internal revenue, was said to be on his way to San Francisco.

E. H. Moore, national committeeman from Ohio and manager of the campaign for Governor James M. Cox of that state, arrived today with Norman E. Mack, national committeeman from New York.

Announcement of Wayne B. Wheeler, general counsel of the Anti-Saloon league, that the prohibition forces are going to ask the convention to present a solid front against Governor "Cox does not frighten" Mr. Moore said. "Wheeler, who is a republican, tried to beat Governor Cox in 1914 and failed to do so."

Delegation Yet Undecided.
"Up to the time I left the east the New York delegation had not decided whom it was going to support, but

The New York delegation favors modification of the Volstead act so that each state may decide whether it wants wines and beer, Mack said.

"The poor as well as the rich are entitled to their beer and wine," he said. "They should be permitted to settle the question for themselves."

Some sort of a plank on the Irish question also was favored by the delegation, he said.

LABOR PARTY DISTINCT

IDENTITY NOT TO BE LOST IN THIRD PARTY MOVE.

Convention in Chicago July 10 Is Expected to Be Attended by About 4000 Delegates.

NEW YORK, June 18.—The American labor party, it was announced for headquarters in this city last night, will remain a distinct labor party and will not sacrifice its identity in a third party movement.

The convention to be held in Chicago on July 10, it was stated, will be attended by almost 4000 delegates representing more than 2,000,000 organized workers.

"We are rooted in the trade union movement, which is growing in might throughout the world," said William Kohn, Greater New York chairman, "and will be, perhaps, the greatest economic and political influence of the future. We shall hold fast to our mission, which is to serve as the political instrument of the manual workers and the awakened brain workers."

Kohn explained this attitude did not mean the party would not work with "political groups which have common ground with us." It is likely, he said, that liberal, labor and farmer groups may nominate the same candidate.

Despite the reported hostility of Samuel Gompers, Kohn said, the labor party would have the support of the state federation of labor in Illinois, Pennsylvania, Indiana and Michigan in the forthcoming election.

PACIFIC DISTRICT FIRST

More Than \$900 Is Raised in Endowment Campaign.

OREGON AGRICULTURAL COLLEGE, Corvallis, June 17.—(Special.)—The Pacific district is the first in the country to pass its \$700 mark in the national campaign to raise a fund to endow a chair of home economics in the American College for Women at Constantinople. Its quota has been increased to \$1000, of which \$909.34 has been raised. The American Home Economics association is conducting the drive for \$6000 to support women workers in the college for three years.

Seven states are included in the

Pacific district, Oregon, Washington, California, Idaho, Arizona, Utah and Nevada. Miss Ava B. Milam, dean of the school of home economics at the Oregon Agricultural college, is chairman.

Contributions by states are as follows: Oregon, \$255.97; Washington, \$228.60; California, \$123.07; Utah, \$116.95; Idaho, \$55; Arizona, \$39.75, making a total of \$589.34. California has made a pledge of \$50 to be paid next fall.

Tourists Robbed on Road.
MISSOULA, Mont., June 18.—Walter Volnard, a tourist traveling east from the coast, reported to the sheriff's office here that he and his party had been held up Wednesday night near Dixon, northwest of Missoula, where they had camped, and had been relieved of \$235. There were seven

Johnson's Fight Against the League at Chicago

One of the outstanding incidents of the Republican Convention at Chicago was Hiram Johnson's victory in forcing the adoption of the League of Nations plank in the platform. According to the N. Y. Times, "the net result is that the Republican party has met the issue squarely and has made the League of Nations a paramount issue of the Presidential campaign. It is a clean-cut fight from now on between President Wilson's principles of the settlement of National disputes through a society of nations and the principle accepted by the Republican convention that the United States should hold itself aloof from participation in the affairs of the world."
