NIGHT SCHOOLS HANK HIGH—Jerome Green, educational supervisor for the Knights of Columbus ex-service men's night schools in the Pacific coast states, left yesterday morning after a two-day inspection visit in Portland. Mr. Green was well satisfied with the Portland class, which has enrolled more than 500 world war veterans. His official report will be given at a convention to be held in Chicago commencing July 2. This convention is for principals and supervisors of Knights of Columbus night schools in the Pacific coast states. Mr. Green is now conducting a similar investigation in Tacoma and Seattle. He will return to Portland Saturday.

RESORT TO OPEN TOMORROW—That Cloud Cap Inn, the famous old resort, will open tomorrow for the 1920 season was made known yesterday when Homer A. Rogers, manager of Mount Hood Lodge and Cloud Cap Inn, came to town. Mr. Rogers said the roads to the inn were in better shape this year than ever before and that the heavy snow of last winter had practically melted away from the lower regions, thus permitting opening of the inn a week earlier than usual. Many parties are scheduled for this year. Mr. Rogers said, and patrons will be glad to know that George Miller, the old reliable guide, has signed up again for this season. Driving While Drunk Campaign—Albert Wing, who was arrested at Fifteenth and Burnside streets Tuesday night by Sergeant Cason on a charge of driving an automobile while drunk, will have a hearing in the municipal court Saturday. Wing was arrested when he was driving on Washington street in spite of a stop sign given by Patrolman Long. Sergeant Cason said that when Wing tried to back he did not know which way to crank his wheels. William Seider, who was in the machine with Wing at the time, was charged by Judge Rosman yesterday on a charge of being drunk.

PORTLAND WOODMEN CHURCH—J. O. Wilson, clerk of camp No. 77 of the Woodmen of the World, was elected a member of the board of head managers of the Pacific coast division, Woodmen of the World, at their convention which is being held in Yosemite, Cal. Mr. Wilson was elected by W. C. Hawley, representative in congress, who has held this position for the last 15 or 20 years. The jurisdiction has control over the nine Pacific coast and Rocky mountain states. Mr. Wilson was present at the convention, being sent by his camp, which is one of the largest on the coast.

THIRTY HELD FROM INVESTIGATION—City inspectors are making an investigation of Earl Townsend, John Donlen and Harry Lyons, arrested by inspectors Mason, Collins, Mitchell and Coleman. The trio are suspected of having been implicated in the burglary of the estate of Benjamin Nelson & Nelson at 1007 Thirty-first street north, last Sunday and taking about \$200 worth of clothing and other articles, it was announced yesterday. At the time of his arrest, Townsend had a quantity of morphine in his possession for which he told the inspectors he paid \$10.

BOLTERMAKER IS JAILED—Tom McKenna, boltermaker, who was arrested at the G. M. Standifer shipyard, had a way of his own of taking care of the room shortage. After celebrating the Shiner convention all night he entered a Japanese rooming house at 248 Second street early yesterday morning, chased the proprietor out into the street and proceeded to go to bed in the hall. It is charged, Motorcycle Patrolmen St. John and Linn. He will explain to the municipal judge today.

DANIEL SEWELL IMPROVING—Daniel Sewell, member of the band of Lelan Temple, San Francisco, who was seriously ill at St. Vincent's hospital from a sunstroke suffered en route to Portland, was reported last night to be improving. The delegation of which Sewell was a member encountered some torrid weather before leaving California and he was seriously affected. MOORE TELLS NEW STORY

EFFORT MADE TO EXONERATE PAL OF MURDERER.

Police Believe Second Confession of Prisoner Frame-Up to Save Brake.

JEFFERSON CLAIMS LEAD

County Held First to Raise Chamber of Commerce Quota.

Jefferson county claims championship in the Oregon state chamber of commerce budget campaign, having raised its quota within 24 hours. Noting this fact and declaring that the state outside of Portland does not expect this city to fall to do its share in the campaign, the Oregon Oregon City Sunday, has made a second confession in which he assumes full responsibility for the murder of the driver, and exonerates his pal, Brake, it was said yesterday.

Moore had previously said in his confession, following his arrest, that it was Brake who struck the actual blow which killed the driver, although he admitted complicity in the plan of murdering the man for his machine, and said he helped throw the body from the Oregon City bridge into the river.

Deputy District Attorney Bernard admitted yesterday that, acting for District Attorney Hedges of Oregon City, who will prosecute the two men, he took the statement from Moore in which the man attempted to exonerate Brake. Details of the confession were not given out, on the ground that publishing them might jeopardize the state's case and give Brake a chance to frame a defense.

It was announced, however, that a new confession will be submitted to the Clackamas county grand jury when that body takes up the murder case. Deputy District Attorney Bernard said he was inclined to doubt the second confession of Moore, and suspected that some of the prisoners in the jail may have influenced him to attempt to save his pal by berating him as a stool pigeon.

It is believed that the prisoners, many of whom at the county jail are old and experienced crooks, have been scoring Moore for "peaching," thereby driving him into taking all blame for the crime.

Deputy District Attorney Hedges and Herbert J. Anderson, treasurer, Marie Sidelius Zandt, soprano of Chicago, will be the soloist at both concerts. Monday the singers will hold their business sessions, at the close of which the Columbia male chorus of Portland, Charles Swenson conductor, will be host to the visitors at a banquet at the Benson hotel.

Members of the 200-strong male chorus, who are to appear in concert at the public auditorium Saturday and Sunday nights, are arriving in this city from points in Oregon, Washington and California.

With them are many others who have come here to enjoy the rare feast of vocal music. The concerts are arranged as the feature of the seventh biennial singing festival and convention of the United Swedish Singers of the Pacific coast, and the big chorus will be made up of members from nine choruses from different cities. The director is Axel Philstrom of San Francisco.

In connection with the coming festival, it is interesting to note that the Pacific coast organization was completed in Portland in 1905 during the Lewis and Clarke exposition. Since then festivals have been held in San Francisco, Seattle and Tacoma. The festival of two years ago was to have been held in Marshfield, but the war came on and a great many of the members went into the service.

The executive committee in charge of arrangements for the festival here is composed of Albert Broddie, pres.
