HARDING DO-IRISH LETTER QUERIED

Senator Cannot Recall Message to Walsh.

SYMPATHY HELD AVOwed

Alleged Communication Also Deprecates Recent "Insincere Demonstration in Senate."

KANSAS CITY, Mo., June 23.—Frank P. Walsh, former chairman of the federal industrial relations commission, tonight made public what he said was a copy of a letter Senator Warren G. Harding, republican presidential nominee, wrote to him, expressing "a very sympathetic feeling for the movement to bring about the independence of Ireland." Senator Harding's letter, as given out by Mr. Walsh, dated March 24 last, reads as follows:

"I have a very strong conviction myself of the very great part played by the Americans of Irish birth and ancestry in the winning of independence and the making of our own great United States. More than that, I have a very genuine feeling for the movement to bring about the independence of Ireland and the establishment of Irish nationality, which is the national aspiration of any liberty-loving people.

"I must confess I did not think well of the national demonstration in the senate recently regarding a reservation in behalf of Ireland in the league of nations treaty. The insincerity of it was made manifest when 16 senators who pressed the Irish reservation refused to vote for the treaty after it was incorporated.

"I had the satisfaction myself of casting a favorable vote after the incorporation of the reservation.

Mr. Walsh also made public a letter to Senator Harding asking the senator to correct the erroneous impression which may have been created by the qualified denial of yourself and secretary that such a letter had been written by you."

Announcement was made at Senator Harding's office in Washington on June 19 that George Gavan Duffy, representative of the "Irish republic" at Paris, France, which read in part: "I thought it might interest you to read a copy of a letter which I received today from Senator Harding of Ohio. I think he has the best chance of any yet mentioned for the presidency. It looks as though the other candidates were stirring up a big fight and that Senator Harding, a conservative of conservatives, who is a resident of a pivotal state, will drop into the nomination."
