Western Republicans Watch Non-Partisan Contest.

CHIEFS FRET AT VICTORY

Will Be Staged in September. Conditions Are Similar.

SEATTLE, Wash., June 23.—(Special.)—The Minnesota primaries are being closely watched by Washington republicans for a similar contest is anticipated in this state in the coming gubernatorial contest in September.

Party leaders feared the moral ef-fect of a Non-partisan league victory in Minnesota upon voters in this state and reports that were brought back by republican organizers who at-tended the national convention and inquired into Minnesota's conditions

vere not reassuring. In that the Non-partisan league and In that the Non-partisan league and its affiliated organizations have planned to make a fight for control of the republican primaries in Washington, conditions here and in Minnesota are similar. However, there are several notable particulars in which Washington republicans believe they have a distinct advantage over party leaders in the mid-western state. leaders in the mid-western state.

G. O. P. Stronger in West. The non-partisan organization in Minnesota is much older, better organized and more generally supported than in Washington. Minnesota republicans were not as well organized publicans were not as well organized as the party in Washington, but on the other hand the Minnesotans have the advantage of an elimination agreement which, while not wholly effective, was a big step in advance of anything thus far worked out for the republicans in Washington.

In this state the same political eleleague, triple alliance, railway mens' welfare league, the "committee of 45" and such other organizations as plan united political action, formerly affiliated under the direct legislation

The latter organization included both the farmers' grange and farmers' union, the different labor groups and an independent association and it for several years made indorsements and sent out circulars condemning political candidates. Most of the attention was given to the republican candidates and most of the activity vas in republican primaries.

150 Clubs in State. In this state, republicans point out the fact that there now is a com-mittee man in every precinct in the state, that each county organization has been brought up to date and is actively working, and that whereas there were only two or three republican clubs in the state a year ago. now there are approximately 159 tha hold frequent meetings for party

AUTO OWNERS HELP!

> Auto Owners! May I make a despairing last appeal? We have shown over 40,000 Shriners the Columbia Highway. Approximately 35,000 yet remain to see this wonder drive. Will you report this morning at 9 o'clock and do your part?

If you have already done it, do it again. If you cannot possibly report this morning, report Friday and Saturday. If there is a surplus of cars at any time, come againlater in the day-or the next day.

Do Your Bit To Make Portland's Good Name Safer

These Shriners are thanking Portland for what we have

But we promised to show all the highway. They want to see that promise redeemed. Maybe you have driven out once or twice, but-like a good fellow now-let's have your car again.

It's not Powers asking now-it's the city of Portland-the city and the state we all love. Of course, you'll come. We want thousands of machines this morning; all day Friday

and all day Saturday. You say you'll come? Fine, old man! We knew you would. IRA F. POWERS,

PERHAPS there are a few mothers who do not know the virtues of Fletcher's Castoria. Perhaps there are a few who know that there are imitations on the market, and knowing this demand Fletcher's. It is to ALL motherhood then that we call attention to the numerous imitations and counterfeits that may be set before them.

It is to all motherhood everywhere that we ring out the warning to beware of the "Just-as-good". For over thirty years Fletcher's Castoria has been an aid in the upbuilding of our population; an aid in the saving of babies.

And yet there are those who would ask you to try something new. Try Try that. Even try the same remedy for the tiny, scarcely breathing, babe that you in all your robust womanhood would use for yourself. Shame on them.

Reliable Information

All American women know of the great success of Lydia E. Pinkham's Vegetable Compound in restoring to health women who suffered from ailments peculiar to their sex, yet there are some who are skeptical and do not realize that all that is claimed for it is absolutely true-if they did, our laboratory would not be half large enough to supply the demand, though today it is the largest in the country used for the manufacture of one particular medicine. The Facts contained in the following two letters should prove of benefit to many women:

Buffalo, N. Y.—"I suffered with organic inflammation and displacement. When lifting I had such pain and bearing down that I was not able to stand up, and it hurt me to walk or go up or down stairs. I was going to a doctor without any results and he said the safest thing would be to have an operation. I met a lady who told me she had three operations and was not well until she took Lydia E. Pinkham's Vegetable Compound.

Ifelt relief after taking two bottles of Vegetable Compound and I kept on with it until I was cured. I always use Lydia E. Pinkham's Liver Pills and they are fine. Everything used to turn sour on my stomach and the Liver Pills relieved that."—Mrs. A. Rogers, 563 Fargo Avenue, Buffalo, N. Y.

Sacramento, Carif.—"I had organic trouble and had such terrible pain and swelling in the lower part of my side that I could not stand on my feet or even let the bed clothes touch my side. I gave up my work thinking I would not be able to go back for months. My mother advised me to take Lydia E. Pinkham's Vegetable Compound as it had saved her life at one time, and it put me in a wonderful condition in a couple of weeks, so I can keep on working. her life at one time, and it put me in a wonderful condition in a couple of weeks, so I can keep on working. I work in a department store and have to stand on my feet all day and I do not have any more pains.
